BLOOD CURLING SCENES AT THE TECHNIQUE RUSH

Amid a scene of the wildest confusion the annual Technique Rush came off on

At ten minutes after one o’clock, the fight as the firemen are known to get

to tidelapse, the fray stood about sturdily in groups, saying little but looking

The men to receive the first twenty ger the indicator for the professionals.

THEN—at the last crack of the pistol at 1.20, the mob of fighting, strugl

Students of Civil Engineering

You should read the ENGINEERING RECORD in connection with your studies. It describes engineering works which exemplify the best practice in design and construction.

It will keep you in touch with the work of the leaders in all branches of civil engineering and construction.

It will make clear the practical applications of the engineering principles you are studying.

The RECORD is devoted exclusively to subects of interest to civil engineers.

Its volumes contain an immense amount of valuable technical and practical information on engineering work. You should have this information on file for future reference. Some day you will need it in your work.

The Engineering Record is published weekly at $3.00 a year
