The Green is represented this winter hardest-fought game on the schedule. The Arena in what promises to be the clashes with Technology tonight at Hockey Club by a score of 8 to 3. This by one of the strongest teams it has of forwards who will keep their op- strong aggregation and has a quartet credit, but the Institute seven is a markable gains in team- mouth seven especially displaying re- teams as the Boston Crescents, Brae Norris, G................G, Bakewell Wells, F. ............. F, Gould (Capt.) F. Eaton (Capt.) F ........ F, Stucklen K. Stucklen, F ............... F, Sloane places them at the head of the Institute men. The Technology team probably excell the Green in team- individual stars of the Dartmouth odds stand about even. Capt. Eaton hands of the Boston Hockey Club by a score of 4 to 3, and Brooklyn scored over half her points from free tries. Captain Parker’s shooting was the feature of the game and he kept the team going at top speed all through the game. Freed- men played his first full game and did excellent work on the defensive back. Sesmens, the opposing center, was the best man on his team in the scoring line.

The team went into the Polytech game full of life and confidence and played a steady, consistent game, with brilliant dashes of team work from time to time that ribbed up the points. There were a number of fouls on Tech players- Parker and Brooklyn scored over half her points from free tries. Captain Parker’s shooting was the feature of the game and he kept the team going at top speed all through the game. Freed- men played his first full game and did excellent work on the defensive back. Sesmens, the opposing center, was the best man on his team in the scoring line.

The Varsity basketball team will re- team without any serious injury and after a day of rest was in good condition to go against the crack col- league. It is an immense, interested and impartial crowd, among them a number of Tech supporters, who (Continued on Page 2.)

**BASKETBALL TEAM HAS SUCCESSFUL TRIP**

Close, Hard-Fought Games Give Much Encouragement and Make N. E. Colleges Look Easy.

**VICTORY FROM POLYTECH.**

Lose Game to City College Before Enormous Crowd.

The Varsity basketball team will re- team today, full of the confi- dence that comes from a successful trip, trip, the Polytech colleges. They took a fast, rough game from Brooklyn Polytech by a score of 18 to 16, and lost to City College, 25 to 20. These are both good, strong col- league teams, and the results make things look rather bright for the games around Boston.

The team went into the Polytech game full of life and confidence and played a steady, consistent game, with brilliant dashes of team work from time to time that ribbed up the points. There were a number of fouls on Tech players- Parker and Brooklyn scored over half her points from free tries. Captain Parker’s shooting was the feature of the game and he kept the team going at top speed all through the game. Freed- men played his first full game and did excellent work on the defensive back. Sesmens, the opposing center, was the best man on his team in the scoring line.

MONDAY, JANUARY 2, 1911.

Happy New Year.

All out to the hockey game tonight.

How about those New Year Resolutions? Subscribe to The Tech!!!

Baskets in two weeks.

Three cheers for the basket ball team!

Yell call at all lectures today will be sent to the Faculty.

Did you enjoy your Christmas vacation?

Dartmouth at Arena tonight.

Tech, 18: Brookline Polytech, 15.

Did you follow the example of the Technique Board? They worked all through vacation.

How do you like the exam schedule?

Have you written those Tech Show lyrics? They are due tomorrow.

Have you read the Christmas issue of the Dartmouth student paper?

Patrocles at the Union Dining Room.

The Hockey Team plays Dartmouth tonight. This game has always been the most hotly contested game of the season. More than this, Tech has finally been the Whaler for the past two years by the close scores of 2 to 1 and 3 to 0. This year Tech has a hockey team to be proud of. Let us all come by all coming to the game. The Harvard game was a fine start. Let us have twice the number out to night, and everyone cheering the team to victory. Everyone at the Arena at 8:15 tonight.

Massachusetts spends the fourth lowest amount yearly for educational purposes in proportion to its wealth of the States of the Union, its expenditures in this line being about 33 cents per million dollars of wealth, according to figures presented to the students of Massachusetts by President Macaulay at a meeting held recently. The total amount expended by the State is in the vicinity of 200,000 dollars per annum. Of this amount, the Institute receives 5,000 dollars, which after this year will be discontinued unless a new application is made by the Legislature. Now this instruction is to no means bankrupt, but money is necessary to carry on the success of instruction. Here beyond the amount which we pay for tuition, as about 47 dollars is spent each year on every pupil. For this reason every student should make it a point to explain this financial requirement to all influential business men of the outside world whom he may happen to know. In fact, we must have the $25,000, and more would be very welcome.

Winchester Repeating Shotguns

Used in the U. S. Army.

We, the industry authorities know a gun; that is, why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordinance Board also know a gun; that’s why after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a gun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordinance Board to endorse—it’s the Winchester.

CHRISTMAS EVE PARTY
GIVEN FOR STUDENTS

President and Mrs. Macclaurin
Entertain Students Who Re-
main in Boston.

HUNDRED AND FIFTY PRESENT.

MUSICAL PROGRAM RENDERED AND GIFTS DISTRIBUTED TO THE GUESTS.

Those students who come to the in-
stitute from distant parts of the coun-
ty, as well as those who come from foreign lands, do not look forward to the Christmas vacation with the same anticipation as do the men who come from places nearer to Boston, because they cannot get to their homes and look forward to only a week of lone-
tliness. To help banish a spirit of Christmas cheer, President and Mrs. Macclaurin held on each Christmas eve a reception to the strangers.

This year about a hundred and fifty men gathered at the home of the President, and a most pleasant even-
ing was spent. Intermixed with Tech songs, there was an enteraining program rendered by Mr. Harris and his sister played some delightful duets on the viola and piano, Mr. R. H. Kuhle sang some selections on the piano also. One of the most interesting features of the evening was the singing of Mr. R. C. Oehm, who sang some Chinese music in the high falsetto voice that is peculiar to that country. It is quite an acquirement to have a voice that is peculiar to that country. The speaker are as follows: Mr. A. F. Bevin, 1882; President Dr. Macclaurin, Mr. G. W. Pinker, of the firm of J. P. Morgan & Co., of New York; Mr. F. W. Taylor, Efficiency Engineer, of Philadelphia; Mr. L. K. Rourke, 1860, superintendant of the Boston streets department, and Dr. A. A. Noyes, 1886.

First Year—Choice of Course.

Circumstances in regard to the Choice of Course were sent to all first year students with the report of standing at some Chemistry exercise, and they are to be returned with a provisional Choice of Course indicated on them. This choice is not binding, but students are earnestly urged to consult with their parents and their instructors at once in order that this provisional choice may be made within the next two weeks.

WALTER HUMPHREYS,
Registrar.
