Prominent Speakers Will Address Graduates at Big Banquet Tonight.

DISCUSSION OF STATE AID.

The inauguration of the campaign to have the Legislature appropriate one hundred thousand dollars for the use of the Institute of Technology will be given its first impetus to-morrow, when a banquet is to be held at Symphony Hall this evening. For the past month the state force of M. I. T. have been working at high pressure enlisting hundreds of Alumni all over the State in this movement. State Senators,ading educators, prominent business men and local Alumni have all been interviewed personally.

The speakers of the evening at to-night's banquet will be W. Perkins, Esq., who has recently retired from the brokerage firm of J. P. Morgan & Co., of New York city, Mr. Perkins, it is understood, will address the Alumni under the subject: "Efficiency." The other speakers will be President MacKinnon, Frederic W. Taylor, efficiency enginer of Philadelphia, and Lewis K. Krouskoff, 1895, superintendent of public works of the city of Boston.

In the past forty-nine years the Institute has received from the Commonwealth $689,430.27. The appropriation for the coming year makes an average of a little over $11,000 a year. The Institute, according to the Surgeon's figures, has expended to date about $13,000,000, of which the State has contributed only $552,191.78. The Institute is under fire for its appropriations, which the State has contributed only $552,191.78. 'It has also been suggested that daily newspapers be put on sale at the Cape, although no definite action has been taken.

Next Friday evening the speaker will be the Rev. Dr. Archibald, although his subject has not yet been given out. More will be published on the subject of giving us entertainments as soon as possible.

MILITARY SCIENCE NEWS.

Many questions have come up concerning the mid-year examination in Military Science. It is hoped that the following will clear matters up:

WINCHESTER

Repeating Shotguns

USED IN THE U. S. ARMY.

The U. S. Army authorities have a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordnance Board also know a thing or two, after putting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that’s the Winchester.

made from double faced cloths, plain colors with plaid and striped trimming, cloth and cord bound. Colors: Gray, maroon, brown, blue and Dark Green.

$5.00, $8.00, $10.00 & $12.00

TWO RELIABLE REPEETERS

Close meet promised.

Seniors are slight favorites, but Juniors and Sophs Expect to Make Things Interesting.

This meet always arouses the keenest of rivalry between the four classes, and this year bids fair to be the most closely contested for years. Seabury has the three upper classes doped out so easily.

The Seniors claim first honors and, on paper, they certainly look good. W. C. Salshby in the dashes and quarter-mile, Pete White in the half, L. O. Mills in the half and mile, W. D. Allen in the pole vault, and Chamberlain in the weights, make a formidable aggregation that will èxact much of local competition.

The Juniors also have considerable "Varsity" material entered. H. G. Watkines in the mile, E. E. Perry in the half and mile, with Van Alstine and Gene Marceau and Gabriel also doing consistently fast work, should bring 1912 their share of points. Tod Greenleaf should divide honors in the pole vault with Allen. Dalrymple, Alvord and Van Alstine are flying high in the high jump. Furthermore, Johnny Hoy will be very much in evidence in the weights.

The Freshmen have MacLeod, Rankin, Trail, Charlie Thompson, Strahan, Mumch, Sampson, Hynnd and Milliken hard at work.

The Freshmen are still conspicuously absent, and have Guithing to do the brunt of the work for his class. It is a shame and a disgrace not to have a snappy Freshman representation at this meet. This is the first year that the Freshmen have not been strong contenders at this meet.

Tickets are $2.00, and may be obtained from any of the managers. Student tickets admit.
