E. C. Vose, Go-Author Of The Show, Writes Seven Out Of 11 Show Lyrics

The lyrics for Tech Show 1911 have been provisionally decided. The first ten are already set, and in all probability will not be changed. A few slight alterations may be made for the purpose of adapting them to the music which is to be chosen, but unless new words and new shining images are instantly upon the scene the names will appear in the program as written below.

The Trials of a Hostess, E. C. Vose, 1911
A Man, A Matt and Capital, E. C. Vose, 1911
I'll Be Down in a Minute, E. C. Vose, 1911

BASKET BALL TEAM WINS FROM TUFTS

Parker's Team Showed Results Of Good Training Last Night

SCORE: TECH 30, TUFTS 13

Institute Team Leading In Gym Meet Again

A fast game of basketball at the Gym last night between Technology and Tufts, in a victory for Tech, the events of the evening were somewhat overcast. The Amherst College Team did not arrive until nearly half past eight and after an interval of ten or fifteen minutes opened with considerable cleverness on both sides and the ball was kept pretty well away from the baskets until Parker's made the first move. Tufts scored its first point from free throw only by means of a deflection. Thereafter their play was not very good, except for several passes on both sides, several goals from free throw the first end being ended with a score 13 to 8 in favor of the home team. This was exceptionally good passing on both sides and most of the attempts to score were well guarded. Capt. Parker for Tech and Coach for Tufts, did excellent work in shooting from feet; neither man missed a chance in the first half. In the second half both teams came back strong and the first few minutes it seemed that Tufts was going to pick up and prove a close rival. But, the Institute team soon showed superiority in both condition and skill in the course of the game. Finally Tufts was disqualified for rough house play and Tyndall's permission was asked to withdraw. The game ended with a score of 30 to 13 in favor of Tech. The line-up follows:

Parker, W. F. Barker, and H. W. Barker to make up the delegation of previously inexperienced men. Those whose names are on the list are eligible to have their names appear on the ballot for Class Day Committee. The amount of back dues may be ascertained by consulting the Class Officers.

The House Committee has found a copy of "Three Weeks" at the Cage. The owner may have its claimant in the possession. The fact that it is much worn shows much use.

Two years ago, we celebrated our college year by holding a remarkably successful Hook Night. The event was awaited with considerable interest and excitement. Every effort was put forward to make the occasion a success. The planning of the various departments within the Boston Postal District and outside of the United States was carried on with great care. The details of the event were posted at the rate of one cent a copy.
