SEATING ARRANGEMENTS ARE CHANGED AT PROM

Committee Plan to Help Men to Find Partners—Posters Due Saturday Noon.

At a meeting of the Prom Committee yesterday a number of the plans were decided upon in regard to the seating arrangements, posters, and dance orders.

The preliminary dance orders will be out March 25th, and may be obtained from members of the committee.

All those intending to establish posters must hand them in at Union on March 23, between 3:30 and 3:30, and all such posters are to be numbered, and none pasted on them. One of the professors of the Architectural Department will be present at the time of the choice of posters, and the entire committee will be in attendance.

The seats in the ball room will be arranged in sections, and each section will be designated by a letter put on the wall behind the seats. This will act as a guide to the men in finding their partners. When a dance supper is given about that will print out the section having the letter of their respective sections. There will be a column on the dance cards that will print out the section so that one may arrange beforehand which section he wishes to have a partner in. No attempt will be made to enforce this arrangement. The seating and distribution as it is approved will be a convenience for those who wish to make use of it.

PORTFOLIO PROOFS NOW.

No Picture Can Be Included After Saturday Night.

This is the last week before the Spring Portfolio goes to press and all portfolios that are to appear in the book must be handed in and returned to the photographer. Men, this is the last chance and do not try to get away with it. according to the committee in charge, any portfolios that may come in after 2:00 P.M. on the 15th of May may be expected to appear in the book. Over 200 portfolios are taken, but some of these have not sent in histories to go with them. The latter are likewise due now and must be left at the case or sent by mail immediately.

The committee will make no additions, such as Class Day offers, that may be necessary. Now is the time also to pay the first deposit of $1.50 so that will be out of the way when the Class Day assessment comes along in May.

JAP NIGHT POSTPONED.

The Japanese Night which was to have been held by the International Club tomorrow night has been postponed. The National Chairman of the Club has finally decided not to have the night for the larger portion of the members of the club and their visitors.

LEVERONI EXPLAINED JUVENILE COURT WORK

Offers Chance to Tech Men to Help as Probation Officers.

Yesterday afternoon Judge Leveroni, speaking at the Chinese Colonial reception, outlined the development of Crim. Juvenile Court. The latter are likewise due now and pictures taken, but some of these have according to the committee in charge.

TWO-MILE RELAY TO RUN DARTMOUTH TEAM

Will Take Part in Meet Held by National at Hartford.

The two-mile relay team leaves at 2 p.m. on each afternoon for Hartford, Conn., where they will take part in the seventeenth annual meet sponsored by the Naval Mililits corps of the Connecticut National Guard, in a race against the Dartmouth two-mile team.

The little known is that the quartet from Hanover and no predictions can be made on that account. Our team will be the same that ran in the Connecticut meet and the Providence, with the exception that Goodwin will replace Palmer. The other three members are: Henry, German, and Marean, Coach Kenny and Assistant Track Manager will accompany the team.

The men will not be allowed to wear spike shoes, but the track management has furnished them with rubber-soled shoes, and they have been having some practice lately in the Gym with them. The men will leave Hartford on the 3:30 train in the morning and arrive in Boston about 5 o'clock, so they will not miss their Sunday classes, although they will be probably pretty tired.

COMMUNICATION.

(We invite communications from all men in the Institute on important subjects. We take no responsibility for the sentiments and do not agree to print any that may come in, whether they are signed or not.)

To the Editor of THE TECH:

There is, at the present time, among the Seniors at the Institute considerable discussion concerning the proposed twenty-five year Class Fund. There seems to be a two-fold purpose in this proposition: 1st, to help the T. C. A. namely card playing in the Union during the meetings of the Christian Association. It is evident to us that the aforementioned Association only possesses the Union that date by virtue of sufferance, and that the card players and loud talkers have an equal right to be there. But we do say that the Christian Association should be addressed in the proper department.

GALA PERFORMANCE
IN UNION TONIGHT
Musical Clubs and Tech Show
Will Aid in Popular Concert.

Thanks to the perseverance of Mr. P. C. Weir, 1913, who was in charge of the arrangements, the long awaited musical entertainment in the Union tonight will be crystallized into fact. There has been seen and approved by the Entertainment Committee several features which seem to indicate that the affair will be an unqualified success. The acts and features making up the program will, in general, be musical, both vocal and instrumental. The Mandolin and Banjo Clubs will take a prominent part in the affair. The Glee Club Quartet will be on hand for their celebrated numbers. All of the concerts of the Musical Clubs thus far have been concerts charging admission. This will be a popular opportunity to hear the various branches of the choral free.

Tech Show will contribute to the affair with several of the song hit of last year's Show. This portion of the entertainment will initiate the new-comers at the Institute into the excellence of the theatricals here. The remainder of the evening's entertainment will be done by a couple of students who will stage a justly celebrated stunt that is sure to be appreciated.

The difficulties in arranging the program have been many, but the Entertainment Committee will feel, if there is a desired interest taken in the performance tonight, that the troubles are worth while.

LOWELL INST. LECTURE.
(Continued from Page 1, Col. 3.)

fell through and he was assigned to the Army of the West, which was putting down a rising of the Royalist peasants in La Vendee. He went to Paris in the hope of having the order changed and overstay his furlough and lost his rank. Soon, however, there was an uprising against the government and Napoleon, by aiding the government at this critical moment, rose so in favor that he was given command of the army which was about to invade Italy.

In this invasion Napoleon began to show less Republican zeal and more respect for a Cincinnatus, but a Caesar. His change of spirit is shown by his remark when he visited the last house of Rousseau, "Better for France if this man had never been born."

work properly done by home and church.
In response to the question, "How can college men help?" he suggested that special probation officers can be appointed, and he thinks that such a thing may be possible here next year. He said that he would be glad to consult further in his office with any one interested.

N. E. I. A. A. NEWS.

The N. E. I. A. A. cross-country race will be held on the Saturday afternoon of the I. C. A. A. A. race, and probably will be held in Springfield this year as last. A new departure will be put in practice in this cross-country meeting. Instead of giving the three winning team medals, each member of the winning team will be given gold medals; the members of the second team will get silver ones, and the third team bronze; also, instead of each college sending seven men and the five scoring, each school will have eight entries and six will count.

THE "GLAD RAGS" and others not so "GLAD" that you have in mind for Spring wear should now have your attention. Our counters are piled high with an almost unlimited stock of the latest designs.
