SOPHS WIN THE SPRING MEET WITH BIG SCORE

Running Events Fast and Close
But Field Events Are Rather Poor.

The Sophomores repeated their performance of last week and won the spring meet with a score of 29, the Juniors third with 225, and the Seniors last with 241. B. Germain, 14, and H. R. Wilkins, 14, were leaders among the runners of the running events. Germain took first place in the half and mile races, and Wilkins won both dashes by big margins. N. D. MacLeod, 74, starred in the field events, taking first in the broad jump, discus and shot-put and second in the hammer.

The feature race of the meet was the struggle between T. H. Geeting, 14, and Bylund, 15. Bylund took the lead at the gun and held it most of the way around, and was plates by Geeting only in the last 50 yards. Geeting covered the 440 yards in 54-4 seconds.

This year's meet, though not the record breaker of last year, was a champion surprise in the time.

160-yard dash—Won by H. S. Wilkins, 14; second, C. Thompson, 12; third, H. Hadley, 16; fourth, A. Cranmer, 14. Time, 11 seconds.

220-yard dash—Won by H. S. Wilkins, 14; second, H. Hadley, 15; third, A. Cranmer, 14; fourth, W. Spencer, 15. Time, 24 seconds.

880-yard run—Won by R. Germain, 14; second, W. Bylund, 15; third, T. H. Geeting, 14; fourth, R. Pollard, 16. Time, 2 minutes 8 seconds.

Twelve-man team—Won by L. Best, 15; second, A. F. Nye, 14; third, R. Ferry, 14; fourth, C. Thomson, 13; fifth, J. Homan, 15. Time, 10 minutes 22-5 seconds.

120-yard high hurdles—Won by A. E. Clay, 15; second, T. Crallam, 14.

BEAUTIFUL COVER.

Technique, 1913, Has Made Its Appearance Clad in Purple.

The cover of the 1913 book is a beautiful yet simple design in purple and gold, with some very effective emblems decorative, which adds greatly to the general appearance.

The design is by R. H. North, the Art Editor of the book, and is a great credit to his skill in this line. It is designed to keep up with the rest- mantle of the book, and is one which will at the same time serve as a fine decorative feature in making Tech- nique, 1913, stand out from the other books.

The track team still needs weights men and pole vaulters.

NEW TECHNIQUE SPLENDID BOOK

Technique, 1913, is, without doubt, one of the most attractive and judiciously compiled year books yet produced at the Institute. There are three chief reasons for this: first, from the books of previous years, and in instances where innovations have been introduced they have been, for the most part, for the better.

The cover, by Mr. H. North, '12, is beautifully simple. The coloring is rich and the new style of embossed lettering employed adds distinction, and yet preserves the initial idea of simplicity.

The art work is exceptionally good although up single example of work comes up to the Musical Club title page of last year's book; the line drawings are well done and are worthy of the pen of a professional. The work of North, Kennedy and Glidden in this department deserves commendation.

The color work is on the whole good, though there are places which will undoubtedly receive adverse criticism. For instance, the Publication Board and the members of the Technique Board to produce a successful and pleasing innovation, and they have succeeded.

SOPHOMORES LOSE.

Beverly High Takes Game—Both
Pitches Hit Hard.

The Sophomore baseball team met
with defeat at the hands of the Beverly
High School nine Saturday by the
score of 10 to 3. The game was a
poor one from start to finish, and the
Beph started out in the catching of the
two outs.

Almost twelve hits were al-
lowed by the Beverly, and ten for the
Sophomores. Swift, the Inter's pith-
er, did fair work until the middle of
the game, when an error drew the at-
tention of the rooters to him. After
this he flew into the air and made
several wild pitches. He was rather
poorly supported most of the time,
and errors were frequent. Hardy, in
the outfield, covering the front lawn
of the school itself, played good ball
and made two fine stops.
