COSMOPOLITANS HOLD SUCCESSFUL SMOKETOWN

Many Enjoy Club's Hospitality For First Time—National Chairmen Chosen.

Saturday evening the Cosmopolitan Club inaugurated this year's activities with a most successful dance, with a full house, and sixty men were present, including a majority of club members and prospective members. The guests and members of the faculty at the meeting were President Maclean, Dean Burden, Professors Vogel, Logan, and others, and Mr. J. W. and Gorton Franze, who was the first chairman of the Union Entertain- ment Committee, and who introduced the Friday night entertainers, E. W. Emerson, leader of the orchestra, and had a quartet—very pleasantly and were several selections.

The meeting, at 8 o'clock, by saying that although the club might not be great in point of numbers, it had great aims. He introduced President Maclean as the first speaker of the evening.

Professor Maclean gave an in- troduction to the present organization to the Institute. This being a cosmopolitan school, directorship of the social organization would be far from perfect by the principal. It is quite fitting that there should be present a representative of the University club and has its value for the students, but there are other forms. For the men that the University club is to help in the development of the different styles of villas,

The lecture to be given by Mr. Gideon will be one of the regular events of the day, and will be devoted to the part in the development of the different styles of villas, which will be illustrated by photographs in the lecture, which has included the history and theory of architecture.

LARGE NUMBER OF MEN OUT FOR MUSICAL CLUBS

On Friday afternoon 19 candidates for the Bachelor of Music were admitted to the Union, three times as many new men an increase of 300 per cent. The chorus, the coach, was present and stated that the individual improvement is excellent and the men have improved in the last twenty years. There are now almost 200 singers, but there should be entered any other men who wish to try out from attending the trials on Monday, October 16. Unfortunately, there was a great deal of the other candidates, and the management and coach hope to see more men playing these instruments report on Monday. Only one new candidates tried out for the Bachelor Club, and as many as can should report at the next rehearsal, Wednesday, October 16. The following candidates are absolutely needed. COMMUNICATION.

Editor THE TECH:

At 8 P. M., Friday, October 27, a Hoop Night will be held in the Union, under the auspices of the Entertainment Committee. We want all men who can do a stunt, or think they can, and some who do not think so, to stand in their names as entries. The entries may well be unusual from the very nature of the occasion.

As this is the first entertainment of the year, it must be a success. That this is possible is evidenced by the event last year. It will not be so, however, unless every Tech man will co-operate with the committee, and the best way to do this is to attempt to do a stunt. In any event it is desired that every man reserve that evening for attendance in the Union.

Leave entries at the Cage as soon as possible for the committee.

Yours,
THE ENTERTAINMENT COMMITTEE.

FRESHMEN, GYMNASIUM.

A representative of a sporting goods house will be at the Gym on Wednesday, October 12, 12:30 to 2:30, to take orders for Gym costumes. Greater reductions will be given to those ordering at that time. Every one must appear in regular costume to receive credit for gymnastics work. This will be the last chance to procure costumes at this rate and without going down town after them.
