BASKET BALL GIVEN NEW LEASE OF LIFE.

Advisory Council Take Voting Resignation Their Action of Last Spring.

Of vital importance to all men in the Institute who are interested in the interest of basketball athletics and cross-country running. It is at this point in their year's work that the intercollegiate communication from the secretary-treasurer of the Advisory Council, Major Frank H. Briggs, in it he sets forth the reasons for the action of the Advisory Council in depriving us of the sport at its meeting last spring, and to show the students why they are, at this time, resigning, the action taken then.

The Council state that they are willing to give the basketball ball season another chance if they will sign an agreement to pay any deficit by a student subsection. It would seem that there should be in the Institute between one and two hundred men who would agree to raise their proportionate part of any deficit that may arise. Major Briggs offers no plan and the matter for that reason is entirely up to the men to put the sport back on its feet.

During the summer General Manager Irving W. Wilson, 1911, of last year's Tech Show, announced his choice for general manager of the Tech Show, 1912. Herbert Louis Woehling, 12, of East Orange, N. J. Mr. Woehling has been connected with the show management since his freshman year, he being assistant publicity manager under Dudley Wright in his same office since 1909, for "That Pill Grim," and "The Queen of the Cannibal Isles" was produced. Mr. Woehling did so well in his department for these two shows I last year he was chosen as publicity manager for "Frederick." The success of the latter was in great part due to the untiring efforts of Mr. Woehling and the work of the actors and actresses not only before the student body, but also to the large number of new people interested in Tech athletics who have never reported until this spring. He has been the backbone of our cross-country team, being the captain last year and will again this fall, and the Hare and Hounds Society. He captured the hero position in the mile race in the N. E. I. A. A. meeting at Springfield, and tied away up in the top in the intercollegiate cross-country race when it was held on Tech Field. His team was the first team and it will be hard indeed to find a team to offer as a contest for the Institute this year.

Among the men who may be mentioned as possible candidates for the position of Tech Show Manager are P. W. Dalrymple, 12; H. S. Benson, 12, and L. G. McCall, 12. Dalrymple is our star hush jumper, the man who set the 3.00 time in the 1,000 meter running event. Benson was manager of the Tech Show last year, and McCall is another of the most likely candidates for the vacant position. Benson has been manager of the track team, and McCall is a member of the N. E. I. A. A. meeting at Springfield, and is a very dependable man in the seal of excellent conduct.

CALANDER.

Wednesday, September 27.
3.00 Track Practise at the Field.

WOEHLING GENERAL MANAGER.

THE TECH' wishes to congratulate the General Manager of the Tech Show. The consensus of opinion seems to be that Mr. Woebling is well qualified for the position and will make the show a bigger success, which will be "going soon." As the proceeds of the show go toward the support of the athletic activities at the Institute it is easily seen that the show holds as it were, the fate of both the show and the athletes in his hands. May the best of success crown your endeavors, Woebling.

SUBSCRIBE FOR THE TECH.

"THE TECH" is placing before the student a neat, small book which contains sufficient tickets to get "THE TECH" each day for the year, also contains provide for any special issues which may appear during the year, as at Field Day, Junior Week, Senior Week, etc. This book is priced low, making the cost of each issue $1.51, whereas if you buy the paper of the boy daily it costs you with the team.

One large front room with bath adjoining, open fireplace. Furnished for students. 213 Beacon Street.

KINDLY MAIL CHECK.

How dear to our heart is the steady marksman.
Who pays in advance at this time of year.
Who lays down the money and does it from gladness,
And counts round the office a halo of cheer.

He never says "Stop it! I can not afford it,
I get other papers that I'd rather read."

But a steady says "Send it; our people all like it--
In fact we all find it a help and a need."

How welcome has been when it reaches our sanctuary,
How it makes our pulse throb; how it makes our hearts dance.
We outwardly thank him; we feel inwardly.

The steady subscriber who pays in advance.

ADVISORY COUNCIL ON ATHLETICS, M. I. T.

General Treasurer, Frank H. Briggs, az High Street.

The Cross Country men have been working as his stead now for some time, and show promise of class later in the season.

Register to-day and save your fire spot. Moral--be economical.

The circulation of the paper has already begun to show signs of a big increase over that of last year. If you want to read the paper you will get your subscription registered just as soon as you can find the procurements.

COACH KANALY CALLS OUT TRACK SQUAD (Continued from page 1)

adopt a new order in the Winter or Spring to allow your regular practice with the team.

The Institute track teams have been trying ever since 1894 to duplicate the performance of that year's team which won the N. E. Intercolligate championship, but even though we have placed second and third it still remains unsanctioned. To expect to again place the Institute in the championship position it means sending a well-prepared, evenly balanced team of large number, and this can only be accomplished by an early start made by all. A steady full and continue through the Winter and Spring.

With this in view, the regular Track Team and Cross Country practice starts at the Field, Monday, September 25, at 3 P.M.

It is to be hoped that all students, especially Freshmen, will report at once and train steadily for a well-seasoned squad, so that by the next Intercolligate we can show that M. I. T. is still capable of producing an Intercolligate Championship Track Team.

Frank M. Kanaly, Coach.

BASKETBALL-GIVEN NEW LEASE OF LIFE (Continued from page 1)

Assuming that the good faith of the many signers of the petition is unquestionable, the Council voted:

1. That the vote prohibiting the formation of Institute basketball team be reconsidered.

2. That basketball be restored to the authorized Institute sports, provided that the expenses of the team, not covered by gate receipts, guarantees, etc., shall be borne by students in lieu of the original contributions from those students who have placed second and third in the authorized Institute sports, provided that the expenses of the team, not covered by gate receipts, guarantees, etc., shall be borne by students in lieu of the original contributions from those students who have placed second and third in the authorized Institute sports, provided that the expenses of the team, not covered by gate receipts, guarantees, etc., shall be borne by students in lieu of the original contributions from those students who have placed second and third in the authorized Institute sports.
