FALL HANDICAP MEET SATURDAY AT FIELD
Many New Men Will Have First Opportunity to Tackle the Veterans.

The first actual meet of the year takes place this afternoon at Tech. Field. Captain Rindge has placed a handicap in which it makes a most successful event.

The course is a straight and level one, with a start on the track and a run over the field. The three lap course should be entered in the various events according to the books. Many of the handicaps are not as high as the previous years, but it looks as if the old men must be in their best form to win their events. Coach Kanaly will make a good showing in the handicaps, and as he knows just how every man stands, no one will get any more out of him than he gives.

The "F" men will be placed well back, to the general mark, but they have experience over the Freshmen in these meets, and as every man has been made in the handicaps, it is from them that the best results you will get out of him. Coach Kanaly will make a good showing in the handicaps, and as he knows just how every man stands, no one will get any more out of him than he gives.

The "T" men will be placed well back, to the general mark, but they have experience over the Freshmen in these meets, and as every man has been made in the handicaps, it is from them that the best results you will get out of him. Coach Kanaly will make a good showing in the handicaps, and as he knows just how every man stands, no one will get any more out of him than he gives.

Can you do a little stunt of your own hands? If you can, then you have the right to expect as much recognition for your efforts as that which is given the large number of gymnastics which are being given in the various classes. We do not wish to discourage the men who may have a natural gift for this kind of work, but we do wish to make it clear that if you wish to have your efforts appreciated, you must have a natural gift and also be willing to put in the necessary amount of practice.

The first hook Night was held two years ago and was not what one would call a roaring success, partly due to the lack of active participants and the rejection of several excellent features. Last year the entertainment given was one of the most successful of all the entire list and was the result of means of bringing out much "dark horse" talent, the latter being seen to particular advantage later in the year at the presentation of the "Chocolate Soldier" Minsidel Show.

There are, no doubt, a large number of men in the Institute who would be glad to do their little stunt, but are waiting for a personal invitation. A moment of thought would quickly show one that this would be impossible; the committee cannot possibly be personally acquainted with all the talented men who are running around, and it they were, lack of time would prohibit such an arrangement. For these reasons it is hoped that a large number will enter as soon as possible and thus insure an equal if not greater success than last year's Hook Night, expected to be at the front in these rows. Daily Mail is high jumping in gymnastics and it will take a good hand to beat him. The remaining events are anybody's, and the few men who do will have it all to themselves.

But not be forgotten that a good crowd is as necessary for a successful meet as the performance of the athletes. If every man goes out to the Field and cheers his classmates the dry can be made the best ever.

COMMUNICATIONS.

To the Editor of THE TECH:

Tech Night is the first opportunity that the class of 1913 will have to show what it stands for. After winning Field Roy the freshmen will go to the Colonial Theatre and there celebrate their victory by songs and cheers. We need some. Can you make up an original one? If so, hand the same to "Leslie Poole and get a ticket for the Colonial Theatre, November 3rd.

No suit? Come on fellows, let us show our help to the Class of 1913, that we appreciate their kind efforts and report for duty November 3rd. (Signed) FRANCIS HAN.

have entered in the Fall Hardicap. Meet this afternoon at the Field. This
is the big meet of the year, the men who are not in the Varsity class
yet, for the handicap puts them up where they have a chance to fit at
the finish. THE TECH thinks that there should be an interesting meet-
this afternoon judging from the looks of the handicaps. There will be some
surprising finishes in the various events.

Freshmen.

At the meeting of the class on Thursday, October 17, the class dues were fixed at $1.50 per year. It is absolutely necessary for every Freshman to pay his dues within the next two weeks. No one will be allowed to vote in the class election after Field Day unless his dues are paid. Three years' dues are due at the time that the collector sees you there will be no delay.

1914

Nomination for Sophomore Class Officers should be left at the Cage, addressed to the 1914 Nominating Committee. Each nomination must be signed by at least ten Sophomores. Nominations will close at noon on the 20th.
