WINCHESTER HIGH SCHOOL TEAM CHEER PRACTICE IN HUNTINGTON HALL AT ONE O'CLOCK THIS NOON.

The Freshman choir will hold a special mass meeting in Huntington Hall this afternoon at 1 o'clock. PIE DREAMS

Says the London Lancet: "Smoking just before meals is to be deprecated, because the propensities of the physiological processes contained in tobacco relieves the hunger instinct of meals. It is a well known fact that the taste of tobacco is dulled, so that the idea of food is further depressed."

CROSS COUNTRY TRIALS YESTERDAY.

Soft Ground Makes Them Rather Slow—Thirteen Men in Final Squad.

The trials for the Varsity cross-country team were held yesterday over the Tech course. The recent rain has made the ground rather soft, so the times were not as fast as expected. The weather conditions, however, were ideal.

The men held together well until last Anderson's was reached, when they began to spread out. In spite of being stuck around the track at the finish about 2 yards apart and finished well together.

Thirteen men were picked to make a team of the Tech villagers. Practice will now start in earnest and after training will be held the final team will be chosen. A letter will be placed in the Union and all of the students are asked to attend. Those who are chosen will have the pleasure of going to the out of town meet.

HOP NIGHT POSTPONED.

President Humphrey of Tech Club Will Describe Spain.

Hook Night has been postponed by the Entertainment Committee of the Latin Club because of the small number of entries promised them for the entertainment Friday night. However, it is expected that an entertainment will be given in the auditorium, and it is hoped that an entertainment as satisfactory as the one due to be given last Friday night will be given. The club is open to all students, and everyone is invited to attend. The entertainment is expected to be held in the auditorium on the 19th of this month.

MUSICAL CLUBS SHOW MARKED IMPROVEMENT.

Faithful Attendance at Rehearsals to Be Insured by Fines — Final Cut Soon.

The three musical clubs are now showing a decided and rapid improvement under the able leadership of their several directors, Messrs. Robinson, Applequist, and Richardson. The Mandolin Club especially shows signs of becoming the best that the Institute has ever turned out, while the progress of the Banjo and Guitar Clubs also deserves to be commended. The membership in all three is much larger than it has ever been before. All the members are taking an interest in the work that is bound to produce results.

E VERY freshman wants to start right. Put him next to Velvet—the college smoke. It’s the real, time-matured tobacco with a smooth, delightful flavor—a taste that never tells on you—doesn’t burn hot. Velvet is superb tobacco—aged two years—an ideal smoke. Today—tomorrow—whatever you do smoke that day will bring you a new version of pipe pleasure. You will become a Velvetarian. Just keep it in mind. At all dealers.
