SOPHOMORE GAME ENDS

The Lawrence Academy Team

At the end of a hard, closely contested football scrimmage on the day before Thanksgiving Day, the Lawrence Academy and the Groton School football teams were separated by a very close margin, 5 to 4 in favor of the Groton School. The Lawrence Academy team played slightly the better game, keeping the ball in their opponents' territory almost the whole game.

Lawrence Academy was unable to make many consistent gains by the use of a line that was not at all effective. On the other hand, the Groton School was very good at center, and the line was strong on the defense, as the failure of Tech had little effect on the game.

Both teams scored, Groton School coming in from the end of the first half and Lawrence Academy in the second quarter, but was blocked by a Groton School player in the first end. Both sides resorted to punting frequently, and both teams had to punt to little use of the game.

The balance was played by both teams, with the Groton School gaining the better of it. The Groton School was very good at center, and the line was strong, and the defense was good. The Lawrence Academy was neither as fast as the Groton School, but seemed to play with more spirit in the face of adversity.

The final score was Lawrence Academy 5, Groton School 4, with the ball ending in the Groton School's field. The Lawrence Academy team is now scheduled to play the freshmen on the first of November in order to retain their title of champions.

SHOW BOOKS NOW DUE.

All Competitors Must Have Work in Cage Before Wednesday.

All the men who are writing books are reminded that now is the time to have their work in the cage before Wednesday. The deadline for submission is this Wednesday, and no exceptions will be made. If you have not yet submitted your work, please do so immediately. The submission deadline is not negotiable, and failure to submit your work on time may result in the disqualification of your work.
UNION INNOVATIONS.

In the future we are to be met by the smiling faces of the members of the Faculty right at the entrance of the Union Dining Room at lunch or dinner. This is according to the latest change made by Howard Colton, designee to the professors a place where they may eat food in a family way from the fellows.

The idea seems to be a good one from the professors' viewpoint, but it seems to be rather against the old idea on which the Union was founded. This was to be a meeting place for the students and Faculty where they could come together in a social way and on equal footing. Now, however, the Faculty are withdrawing and making an artificial boundary between themselves and the men who eat in the Union regularly.

FIELD DAY RULES OF ADVISORY COUNCIL

Little Change from Those of the Past Years Except in the Times for Events.

Field Day, which comes on Friday of this week, has to be governed by rules, the same as any other set of track and field games, and these rules come from the Advisory Council. They are about the same from year to year, but are always of interest and benefit to the lower classes.

The football game counts four 44 points for the winner; the relay race events three (3), and the tug-of-war two (2). In case of a tie in any of the events the number of points will be given equally to the two classes.

The events will be called in the following order and the 3 be run off sharply on time:
- Tug-of-war (first trial) 2:30 P.M.
- Football (first and second quarters) 2:40 P.M.
- Relay race, 2:15 P.M.
- Tug-of-war (second trial) 2:23 P.M.
- Football (third trial) 2:30 P.M.
- Tug-of-war (third trial) 2:38 P.M.
- Football (fourth quarter) 2:50 P.M.

All teams must be on the Field five minutes before the time of calling the event ready to go on. The third trial for the tug-of-war men will be left out if either of the two teams should take it first two trials.

Five football men and two relay runners are eligible for numerals as substitutes, provided that the names are unabridged to the chairman of the Advisory Council at the Field before 2:00 P.M. on Friday, November 3rd.

In case of the direct interference of any coach or spectator will render the team assisted liable to disqualification by the referee, whose judgment in this matter shall be final. The management of the games and all matters connected with them is vested in the Advisory Council and may be delegated by it to any sub-committee.

The Council furnishes all football, track, relay, batons, and flags for the tug-of-war, and appoints all of the officials of the day, such as referees, umpire, timers, judges, etc.

HARE AND HOUNDS’ RUNS.

Kanaly to Have Short, Easy Runs for Exercise Only.

Coach Kanaly intends to feature the Hare and Hounds’ runs for the rest of this season, even though the Cross-Country team has been selected. In the past men have generally ceased hare and hound running as soon as the team was picked, as they have felt that there was no more use in running. This year the Council decided that the training would be valuable to both indoor and outdoor men, as well as beneficial to students in general, who take but little exercise.

With this object in view the runs are to be very short, probably not more than three miles, and besides, the pace will be very easy. Furthermore, the running at the finish that has been the custom will be discontinued so the inexperienced men need not fear too fast a pace.

The first of these runs will occur Saturday following Field Day, November 4th. There will be three runs besides this one, and on December 2 the eight-mile handicap race will be held. It is probable that one of the practice runs will be over this eight-mile course in order to familiarize the men with it. Under the conditions stated above Coach Kanaly urges all runners as well as all men desiring to exercise to report.
