DINNER FOR FIELD DAY CONTESTANTS

Speeches Reouse Enthusiasm — Medals for Physical Improvement Awarded.

Last Saturday evening the tenth annual dinner for the Field Day contestants was well represented. Several members of the cross-country team were present, also a few upperclassmen. The total number present was one hundred and twenty, largely exceeded by the number of places provided. Dr. Rowe, '91, a member of the Advisory Council, presided as anmaster. On his left Dean Burton on the cross-country team, and Macaulay, and on his right Dean Burton of the best dinners ever served at the Union and the cigars and cigarettes had been passed around. Dr. Rowe rose for a short speech.

Dr. George H. Baker, '09, a member of the faculty, discussed the attributes of men who have excelled in their teams. He spoke of the success of the team and the importance of the dinner.

The students then enjoyed a sumptuous meal, with speeches from the headmaster. The evening concluded with the presentation of medals to the winners.

MUCH ACTIVITY IN THE MINING DEPARTMENT

Recent Large Gifts of Ore Give Opportunity for a New Departure in Research.

The Mining Engineering Department has recently been presented with a ton of copper ore from the Jamaica Consolidated Mining Company. The ore is from the Rand, South Africa, mines, and is expected to provide the material necessary for student research.

Assistant Professors of Mining, including Dr. MacMullan and B. S., Colorado School of Mines, are at present working for Masters of Science degrees at the Institute, in developing a process to recover gold and silver from the ore. The ore is estimated to contain $100,000 worth of gold and silver.

The speeches were ably delivered, and the evening concluded with the presentation of medals to the winners.

ASSISTANT MANAGERS FOR THE TECH SHOW

Competitors for the Three Positions Will Meet in Show Office Today.

Competition for assistants in the Business Department of Tech Show, 1912, opens today, Monday, November 6, and three men are to be chosen from the Freshmen and Sophomore classes to fill the vacancies now existing. All men interested in this competition are to meet Business Manager R. W. Weeks in the Show office, first floor, Union, at 9:00 A.M., or from 1:30-3:00 P.M.

The positions open at present are those of the first assistant and of the second assistant. The second assistant will be chosen in a similar manner.

The second speaker, Professor Hay-wood, spoke of the importance of the show and the future of the mining industry.

The Head of the Department has received a significant gift of ore from South Africa, which will help support the mining research of the students.

The speeches were ably delivered, and the evening concluded with the presentation of medals to the winners.
First Meeting of Course in Knots

The first meeting of course in knots was held today. The course will meet every Tuesday at 11:05 to 11:35 in Room 44. The course will be taught by Professor E. F. Miller, head of the Department of Mechanical Engineering. The course will cover the techniques of determining the pressure on objects, including the work of determining the most practical pitch for turning. The course will also cover the use of the whirling table and the testing of the pitch of a plane, with which peripheral testing will be done.

The course will be held at the time stated, and if any changes are made regarding the course and who find that they cannot attend at any of the listed times, they may transfer by notifying the major of the course. Any other changes will be accommodated without having practically a separate time for each of them. Possibility by confering with Major Cole it may be found that these can be arranged which will take them all in.

The course commences today, November 6, the various sections being made up as follows:

- Monday, 4:15 to 4:45, Room 44, Rogers
- Tuesday, 10:05 to 10:55, Room 44, Rogers
- Wednesday, 11:05 to 11:35, Room 44, Rogers
- Thursday, 12:15 to 12:45, Room 44, Rogers
- Friday, 1:25 to 1:55, Room 44, Rogers
- Saturday, 2:25 to 2:55, Room 44, Rogers
- Sunday, 3:25 to 4:00, Room 44, Rogers

The course will be held at the time stated, and if any changes are made regarding the course and who find that they cannot attend at any of the listed times, they may transfer by notifying the major of the course. Jordan Marsh Company

Shave With a Smile
You Can't Get a Real Shave Without a Real Razor.

THE DURHAM SIMPLEX
is a Real razor. It slides smoothly over the face severing the whiskers with the correct diagonal stroke like a scythe mows grass. It leaves the skin soft and velvety—not rough and harsh as after scraping with razors which do not have this stroke.

SPECIAL NOTICE

The Tech has a limited supply of Durham Duplex Demonstrators like the one you are holding. They can be obtained at Tech office for 35 cents each, which covers the cost of packing, shipment, etc.

Gymnastics exercises in Physical Training will begin on November 5th. All First Year Students who have not been excused from these exercises on account of age or physical disability must report at the Gymnasium next week. Hours of exercise for the different sections are given on the First Tabular View.

Alfred E. Burton, Dean.

Attention is called to the following rules of the Faculty:

"All marks of D, except in Physical Laboratory, incurred during the first term must be removed not later than the end of the following March; those incurred in the second term must be removed not later than the end of the following November; except that extension of time may be granted by the Faculty in the case of students which from the character of the work can be pursued to better advantage in the term for which the record is given. All deficiencies in Physical Laboratory must be removed at a date to be determined by the instructor, which date should not be later than the end of the following November. In case a mark of D is not removed at the date thus determined, the student shall be required to discontinue any dependent subjects which he is taking, and can obtain a clear record only by repeating the subject in which the D was given."

A. L. Merrill, Secretary.
