KOMMERS DINNER SAT. DEC. 2. UNION
“POP” CONCERT TO BE HELD IN UNION

Tickets for December 8 at Cage
--Orchestra Will Play--Refrains.

The Entertainment Committee of the Technology Union has made prepara-
tions for a Pop Concert to be given on Friday night, December 8th. The evening will be a great success and it is hoped that a great number of students will avail themselves of the opportunity to sit in closer touch with their fellow Tech men.

The Institute Orchestra will play selections from familiar operas and theatre pieces, and the good old Tech songs will fill a large part of the program. The design copies of the words of the college songs are to be distributed, and the men who are present will be invited to participate in some roving melodies. Fitting refreshments will be served during the concert for the small fee of fifteen cents. The exact nature of these refreshments has not been definitely decided upon yet, but you may rest assured that they will be of the first order.

At the Union on Friday evening, December 8th. Remember that tickets may be obtained at the Cage or from Mr. Berrard, chairman of the Entertainment Committee.

WALKER CLUB BUSINESS MEETING LAST EVENING

Last evening the Walker Club held a dinner and meeting at the Technology Club at 6:30. The idea of the meeting was largely occupied by business affairs, nominations and election of new members. The results of these elections will be announced as soon as possible. The number present was not very large, but everyone that was there enjoyed the dinner and speeches who were Professor Miller and President Bates. The latter read a poem, "The Battle of New Orleans," of which he is the author, which was much appreciated by his auditors. Besides Dean Burton, President Tyler, Mr. Kneeland and Mr. Blackshear were among the members present last evening.

CROSS-COUNTRY ENTRIES.

The annual Fall Handicap Cross-Country race is to be run in the near future and entry books have been placed in the Union for H. Sherry, who will close 4:30 Friday, and everybody intending to enter should do so by that time. All members of the Harvard and Heards' Club are eligible, and all are urged to compete. Dues and entry fees are 25 cents a year, payable to R. H. Perry. Only one cup will be awarded to the winner. In case anyone wins two he will be allowed to take his pick, and the other will be given to the second best man. The race will be run over the usual course at Wellesley.

MUSICAL CLUBS MEET.

Good Concerts Scheduled—Men Urged to Work.

The Musical Clubs met yesterday afternoon for a business discussion in the Union. Various matters of interest were mentioned and the members were told of the advancement made during the western trip. President Franklin and Manager Purdy both urged the men to sell tickets for and to make every effort to advertise the winter concert and dance which is to be given by the combined Musical Clubs on December 15th, in Copley Hall.

On the success of this concert will largely depend the success of future trips, and it is hoped the men will give it their best support.

Manager Purdy told the men of various concerts which he has booked after mid-year, all of which will be most enjoyable affairs. Among these are concert dances at Wellesley and Harvard.

The Mandolin and Banjo Clubs will give a short concert before a Masonic lodge in Roxbury on Monday, December 11.

FREE SCHOLARSHIPS.

Cambridge Association Desires Foundation of Several.

In anticipation of the coming of Technology to Cambridge, the Cambridge Public Association at a recent meeting voted to take steps to secure from the Institute several scholarships for the benefit of the Cambridge students at the Institute. It is not known what the Association has to offer in return for the establishment of the scholarships. In fact, after diligent search on the part of THE TECH, no one could be found who knew of the existence of such an organization.

Interesting reading—the arguments printed last month between Professor Bates and Professor Somersby of Yale. Ye men of 1815, with whom do you agree?
