WINTER CONCERT GREAT SUCCESS

Vocal Quartette and Orchestra Receive Generous Applause.

Despite the inclemency of the weather, about four hundred turned out to the annual Winter Concert and dance of the Combined Musical Clubs, Thursday evening, at the Y.W.C.A., which was held in the gymnasium of Copley Hall. The concert was voted one of the best ever given, and the selections were well and highly enjoyed.

The Banjo Club made a big hit and the pieces were encored several times. The opening piece, given by the Orchestra, "The Magic Flute," proved to be the success of the evening, as it was given an almost perfect rendering by the men, and the audience, almost inecarate, would hesitate to attempt.

The "Pink Lady Waity" by the Mandolin Club was another of the most popular numbers on the program. The other the pieces, including "Messrs. Robinson, Desormeaux, Swan and Dickinson," "Under the Southern Moonlight," and the big hit in "Under the Southern Moonlight," they responded to the encore, and the audience was happy.

The second half of the musical program was a real treat. The orchestra and the numbers were heartily ap- plauded.

Immediately at the close of the concert the floor was cleared and dancing was at once ordered in the order of the evening. Alternate waltzes and two-steps were indulged in until nearly midnight, when intermission gave the dancers a chance to refresh themselves (Continued on Page 3).

FIRST HOKEY GAME.

Tech Will Face Crimson Team Thursday in Arena.

The hockey team will start Thursday with the first real game of the season. It is expected that Tech will be more or less in the same game form as last year, and they are likely to win.

Preparations are being made to have a large crowd of fans from the Harvard and Tech sides.

November 23.

PROVISIONAL SCHEDULE OUT

FOR MID-YEAR EXAMINATIONS

Below is published the provisional schedule, a tentative schedule, distributed to members of the Faculty for correction and additions. So far as given in this schedule, it will be presented to the students, but in few cases need be found by the professors on looking it over. Judging from past years, the number of changes will be small. The examination period extends over ten days, closing the 26th and 27th.

Thursday, January 18.

SOPH BASKETBALL TEAM WINS SECOND GAME

Haverhill Defeated in Fast Game

In a well-played, hard-fought game last night the Sophomore basketball team defeated the strong Haverhill High five by the score of 26-20. It was a well-earned victory, and the Sophs showed their team work at all times, and their passing was excellent after the first five minutes of play. They were hindered a little by the fact that they had to play under a quick floor and the floor also had no bounds.

The Sophs in the game showed on the first half, while the Haverhill five held twelve. The Tech team then took a brace, and six minutes before the end of the game they were in the lead. By some fast playing the Sophs men were able to cage two baskets and come out ahead. Every man on the Tech team played (Continued on Page 2).

DEPARTMENT HEAD

Frank E. Herrmann, 89, has been made head of the structural engineering department of the Stevens Institute of Technology, Hoboken, N. J. Professor Herrmann has had considerable experience, and is known to be having Professor of that subject at Peking University, China. Beside that he did considerable work on the construction of Chinese railroads.

INSTITUTE REQUEST

The will of W. W. Cbamberlin, ’77, who died last August, has been made public. It states that all his estate except $500, given to the Tech team. On the deposit of his wife one thousand dollars to the Institute for use in the Architectural Department.

HOCKEY SQUAD PICKED

The first official cut in the number of men on the hockey team has been made by Captain Sloan. The following men will be retained: Coffin, Blehorn, Fisher, Hartlout, McLeod, Rossen, Sloan, Stuckey, Sterke, Whittlesey and Yerace. There is every reason to expect that with these men behind him, Captain Sloan will lead the team through a successful season. This is by no means a final cut, for there are men quite under the average and rules, instead, they should show up regularly in order to help the team as much as they can.
