HOCKEY TEAM PLAYS
AT YALE SATURDAY

First Game to Be Played in the New Yale Rink—Much Improvement.

The Technology hockey team will play its second intercollegiate game Saturday afternoon at Yale in New Haven. The team is even better than when it defeated Harvard, but it will have to do its best, however, for Yale has shown itself to be a strong team. The men already own two games from Cornell. The game will be played in Yale's new indoor rink, and will be the first game played there. The game is the only athletic event coming during the holiday week at Yale, and promises to arouse much interest.

Coach Clifford has been putting the team through a very strenuous series of practices in order to get them into the very best of condition. At yesterday's practice, more than two dozen Harvard freshmen teams, winning from both by a score of 1 to 0.

The men to take the Yale trip are Runey, Sloan, Hurburt, Storie, Yearens, Fitchett, Stocken, Stocken, Stocken, Whittaker, and McCool.

CATHERAL CLUB DANCE.

The Catholic Club have been working hard making preparations for their dance which is to come off on Monday night. The committee is of the opinion that they have been very lucky, and the men are very anxious to get the dance started and are passing accurately. The men have also shown themselves to be very clever players. Although playing every day and are passing accurately. The game is the only door rink, and won two games from Cornell. RELAY TEAM INACTIVE DURING THE VACATION

First Race to Be Run Against Harvard at Providence in February.

The relay team will be inactive during the vacation as the first race will not come until after the second term has started. The team this year should be one of the best that Technology ever had. Two of the regulars of last year's squad are on the squad this year, and every man is running at his fastest time.

The half-mile team is scheduled to run several races during the second term. The first one will be with Harvard, on the 22d of February, at Brown. This team is very fast and it will take a pretty good team to lead them. The quarter-mile team will run at the R. A. A. meet February 10, and again at Brown on the same day, as the other teams will run and probably with Harvard.

INTERCOLONIALS WIN.

Although outdistanced by the Three Rivers team the Intercolonial seven won the hockey game at the Arena last night. The score up to the last five minutes was a tie, 3 to 3, when Osgood and Small got some lucky shots which decided the game.

Stilton, the first skater of the Intercolonial team, at last met his match with Baptist and Malone, who blocked every one of his rushes. These two men were the stars of the game.
