ADVOCATES SPLITTING TECH SCHOLARSHIPS

Bill Introduced to the Legislature by Senator Newhall Favors Return to Old Policy.

A bill has recently been introduced to the Legislature by Senator George H. Newhall of Lynn, which has for its principal object the idea of returning to the system under which two free scholarships for each institution in the Commonwealth, the Institute of Technology and the Worcester Polytechnic Institute, which were appropriated annually by the Legislature, were paid. The bill was introduced last week by the late Senator Bachelor, which is now in the hands of the management of the scholarship clause as it has been since 1838, when the program was adopted.

Senator Newhall's bill favors the old policy of offering scholarships to students who have been rejected. As is probably well known, in accordance with the policy of the scholarship committee, the scholarship is offered to students who have been rejected. This bill was in line with the old policy of allowing scholarships to students who have been rejected. As is probably well known, in accordance with the policy of the scholarship committee, the scholarship is offered to students who have been rejected. This bill was in line with the old policy of allowing scholarships to students who have been rejected.
SYRACUSE GRADS DINE HOCKEY TEAM

Fine Support at Game—Cheering Section Dinner Given Later at Onondaga.

A fine example of Technology good fellowship was shown in the enthusiastic way in which the Students Alumni received the hockey team. Although they did not know until just before their arrival that the game was coming, they hustled around, and arranged for the private secretary J. P. Rogers, to arrange to entertain the team.

The game turned out to the game and formed a lively cheering section, while Syracuse, playing at home, had a cheering section wherever. The graduates' encouragement surely aided the team a lot towards winning. After the Syracuse University game the hockey men were tendered a banquet at the Onondaga. After the dinner the alumni and hockey players smoked. In fact, during the two songs and enjoyed a general good time until the teams left on an early train for West Point.

HOCKEY VICTORY FOR HARVARD.

St. Francis Xavier of Nova Scotia Defeated Yesterday by Score of 7 to 2.

The hockey game between Harvard and St. Francis Xavier of Ansonia, N. Y., which took place last evening in the Arena, was an excellent one from every point of view, for the teams were fairly well matched, although Harvard's score of seven to St. Xavier's two would not seem to indicate it.

Both teams were in the best of form and played a hard, sportman-like game throughout the entire match, not showing the slightest indication of fatigue until the last few minutes of play. The first half was, by far the most interesting to the spectators, for the Harvard boys led the game at every instance that Xavier's exceeding Harvard's at several points in the game. In fact, during the first ten minutes Harvard seemed to be wholly outmatched by her opponents, who made their goals at this time. She soon recovered, however, and succeeded in meeting three goals during the half, while St. Xavier made two.

No special features marked the second half although both teams kept the excellent pace which they had taken at the start. During this half the play was pretty well scattered, Harvard making four goals within a very few minutes. The goals were made by Huntington, Blackball and Duncan for Harvard in the first half, and by Leary and Beardon for St. Xavier. Harvard's four goals in the second half were made by Donovan and Palmer.

ATHLETIC ASSOC. MEETS.

Mr. Waterman Chosen Delegate to I. C. A. A. A. A. Meeting.

Yesterday afternoon the Athletic Association held a meeting in the Union, and transacted some important business. In the first place, manager M. L. Waterman of the track team was elected delegate to the I. C. A. A. A. for 1912, which is to be held here in Boston on February 16th. He was also elected delegate to the meeting of the I. C. A. A. A. This meeting will be held in New York in the month of February.

The result of the election for second place manager of the track team was also announced. W. S. Thomas, '15, was the man chosen from the nine candidates for the position. Thomas won his numeral in the trophy meet by taking third place in the hurdles. He is a mighty hard worker and is promising for the hurdles.

OPPOSITE YOUNG'S HOTEL
TUFTS PRESIDENT TO SPEAK IN UNION

Big Crowd Expected by Association at 1:30 O’clock Today.

Today, at 1:30 o’clock, in the Union, President Frederick W. Hamilton of Tufts College will inaugurate the Technology Christian Association’s second term series of meetings. He will speak to the men on the subject, “Your Reasonable Service.” To the T. C. A., at least, it does seem any thing but “unreasonable” to expect a record crowd in the Union for the reason that President Hamilton is well known about Boston as one of the busiest and most popular of the local speakers. As most of the men appeared to be Gus’ friends, the President was glad to have his speech made to such an audience and the T. C. A. hopes that his expectations will be disappointed by the appearance of only a small crowd to listen to him.

Basketball Team Play Rhode Island

Mowry Will Be Unable to Be in the Game on Account of a Broken Nose.

The Varsity basketball team is putting in some extra hard work so as to start the new term with a victory. Saturday night they will play the Rhode Island State College team at Kingston, Rhode Island. The team confidently expects to come out ahead in this contest and thus wipe out all their 1911 defeats. The Rhode Island five is said to be pretty fast, but Captain Schar thinks that the team will make things rather interesting for them.

The Varsity will be somewhat handicapped by the loss of Mowry at the center. He broke his nose in the game with Union College last Saturday. Morse, a Freshman, will take his place and is a good man for the position. Schar is still doing good work in the line of foul shooting. He is establishing a record in this respect, having missed only a couple of tries. Schacht, the other forward with Schar, gets in some fast floor work in addition to his excellent dribbling. The two backs, Freedman and McCarthy, are able to take care of anything on their part of the floor. The following men will take the trip Saturday: Schar, Freedman, Schacht, Mc Carthy and Morse. Another man will probably be taken along as substitute.

Interclass Track Meet.

(Continued from Page 1.)

In the high jump, Edmunds placed in the indoor meet. At this reckoning the Sophomores will get at least five of the six first places, and if they get half of the second places it will give them a total of 37½ points, against the greatest possible number that the Freshmen can get, which is 29½.

The pole vault is lacking for the want of men to go into it. This event has always been the weakest in all track teams, and if some of the Freshmen go into it it will give them some chance to win, but this is not only very improbable, but also it will be doubtful if they would get a sufficient number of points in this event to upset the score of the Sophomores.

The latest crooked stunt that has been worked around the Institute is putting half-cents in the gum machines in the Union corridor. Some people are pretty hard up when they try to get two pieces of gum for a cent.
