TECH WRESTLERS WIN FROM NEWTON TEAM

Second Team Gets Five Falls, One Decision and One Draw With Allen Gym.

The second wrestling team took a trip down to Newton last night, and beat the Allen Gym team with disastrous results to the latter. The Allen team is one of the strongest in the conference, and the second team, although weak, showed a splendid performance. They scored 15 points to the Allen's 6.

**ORCHESTRA TO PLAY AT SPRING CONCERT**

Sign-Up Cards Sent to Seniors and Juniors—Sent in at Office.

At a recent meeting of the committee in charge, it was decided that the Tech Show Orchestra will play at the Spring Concert. This is expected by good news, for the orchestra has received a high grade of promotion, and it is expected that it will furnish a most enjoyable part of the evening.

By this time every senior and junior should have received an application card and a program for the evening. These should be returned at once in order to be sure of receiving tickets. This sophomore has already invited a girl to the Junior Prom for the dance may not be disappointed in attending the concert, the women being being tired out consideration as is given to the Juniors. If there are any who have not yet received application cards, they may obtain them at the Cage. This is the last chance to make sure of a ticket.

A committee is arranging an excellent program. Much time and effort are being made to make it highly successful. The clubs are fast getting in their line-up, as is furnished by the orchestra will be one of the leading attractions. The dance, which will be held afterwards, with the orchestra, because of the rather limited number, be exceptionally enjoyable. The plans are laid to make this occasion the most enjoyable and the best remembered of all the social occasions of the Institute.

**TECH SHOW TICKETS.**

(Continued from Page 1.)

One seats in the evening must bear in mind that the Alumni will be given first choice of the evening seats, and therefore the undergraduates cannot expect to have the very best of seats if they insist upon going in the evening. The Opera House, however, has a great seating capacity, and there will be a number of excellent seats still available for the undergraduates in the evening.

Undergraduates will be given first choice for the afternoon seats, and it is suggested that, if possible, and it will be to their advantage, they apply for such seats.

The management has taken a big risk upon itself in trying to fill the Opera House, but with the hearty support which it has always had from the undergraduates, it is felt that the house can be filled at both performances. This undergraduate support will be a very important factor in making this year's show the most successful one ever produced.

the end was fast, showing that the night was pleasant. C. S. Lee and T. G. Finch had a little run of their own. They made up the second squad which was to start after the less experienced ones had gone. Through no blame of Chief Captain Peterson, these two men thought that they would constitute the second squad, and accordingly marched last to miss the train at Back Bay. Whatever the reason was they did not arrive at Hyde Park until the others had started. They were, however, not discouraged at this, but immediately set out in chase of the others. In spite of their self-confidence that they would overtake the "novices" and came straggling into the dressing room as the others were getting dressed.

**NEXT T. C. A. SPEAKER**

**REV. J. A. FRANCIS.**

Well-Known Pastor to Speak on "The Real Dynamic Behind Civic Betterment."

For next Thursday's talk the T. C. A. has been fortunate in securing Rev. James A. Francis, D. D., of this city. Rev. Francis is pastor of the Olney Place Presbyterian Church, and he will speak on "The Real Dynamic Behind Civic Betterment."

This is very well known as a speaker and his talk will undoubtedly prove to be very interesting.

Last year Rev. Francis spoke in the Union, and his talk was one of the best of last year's T. C. A. talks. Shortly after he suffered a great misfortune in the loss of his church by fire, and since then he has been busily occupied with the re-establishment of the church, which was rededicated a few weeks ago.

As a speaker Mr. Francis is very much in demand. Last year he was granted a month's leave of absence in order that he might travel with one of the teams of speakers in the "Man and Religion Forward Movement." Recently the T. C. A. engaged him to talk, but his date had to be postponed on account of his trip to Minneapolis, Minn., where he spoke in addition to his duties as pastor. Rev. Francis is an instructor in the Gordon Training School, an institution well known in the Baptist denomination for its methods of teaching theology and missionary work.

The talk will be given, as usual, in the Union at 1:30 o'clock on Thursday. The officers of the T. C. A. are disappointed in the poor showing made at recent talks and it is their earnest desire that more men be present at the weekly meetings. If these talks are to be continued the men must show their support by attending them.

At present the T. C. A. has three shows being considered of last year's T. C. A. shows. The proofs were examined and it was decided that the show should not be presented. The show was made at recent talks and it is their earnest desire that more men be present at the weekly meetings. If these talks are to be continued the men must show their support by attending them.

**TECH SHOW ORCHESTRA.**

Successful Concert in Roxbury Saturday Evening.

Last Saturday evening the Tech Show Orchestra gave a concert at the Ruggles Street Baptist Church in Roxbury. The concert was given under the auspices of the Ford Memorial Branch of the B. Y. M. C. A. and was very well rendered. The Orchestra played a variety of numbers and several solos were also given. Mr. Osborne McDonald conducted the Orchestra. A solo on a Chinese flute by V. C. Hsu, and the readings by H. G. Minn. '16, were well received.
