VOTING ON PROPOSED CONSTITUTION BEGUN

Many Seats Left For Local Performances—All Applications to Date Rejected.

The vote for the proposed constitution

began today, and the following results

were obtained:

The final result is that the majority of

the students have already expressed

their opinion on the important question

of the adoption of the constitution.

The Constitution Committee, with a

large number of members, was formed

for the purpose of considering the

constitutions of all the student bodies

in the country, and it is expected

that the constitution will be adopted

by the majority of the students.

The Constitution Committee will

then report on the constitution to

the Institute, and it is expected

that the constitution will be adopted

by the majority of the students.

The Constitution Committee will

then report on the constitution to

the Institute, and it is expected

that the constitution will be adopted

by the majority of the students.
Mr. Nordberg has touched a note which must be thoroughly considered before voting on the new constitution, and that which at the same time characterizes the situation very well. The new constitution offers but very little in the way of innovations or new conditions, and endeavors merely to put in legal form the rights and powers of the Institute Committee as it now exists. The only new features that have been added are decidedly in favor of the student body and at the same time characterize the new constitution. The abolition has been none the less felt it constitutes itself the Supreme Court. The following members of the Committee on Arrangements consists of the following men: R. J. Murphy, '15; J. D. Donovan, '13; C. O. Fallsen, '15; P. F. Sealy, '15; T. J. Heribty, '15; W. J. Drummy, '15. The matrons will be Mrs. E. C. Macechin, Mrs. J. A. Walsh, Mrs. J. C. Mann, Mrs. J. A. Walsh, Mrs. J. C. Mason, Mrs. H. C. Mann, Commodities. As guests of honor the society will have President R. C. Mac- murn, Chairman O'Connell, Lieutenant Governor Walsh and Mayor Pli- gerald. The following members of the committee will officiate as sides: R. J. Wiseman, '13; P. M. Morton, '13; W. J. Mooney, '13; B. P. Thomas, Jr., '13; T. R. Col- lins, '13; L. Bonavilla, '13; G. J. Chamber, '13; E. D. Murphy, '14; H. J. Gookin, '14; F. S. Camber, Jr., '14; Y. J. Galasso, '14; A. B. Graham, '14; and E. E. Wood, '14.

The actions of the Institute Committee have been so satisfactory in general that there has been no almost deciding votes by aspersions. The life of the Committee has been the student body, and it must be remembered that although there has never been any written agreements between the committee and the student body, the obligation has been none the less felt by every man who has ever become a member.

The student body has ruled and will always do so. With a strong refusal and initiative, which has been given in the new constitution, there is no reason why trouble of any kind should ever result from the adoption of such a document as its members are concerned. We must trust the men whom we give our votes of trust, and we must realize that they cannot be hampered by any restrictions that be to result.

The question of membership and representation which THE TECH has mentioned before seems to be less satisfactory, but under no conditions so wrong as to merit the rejection of the entire constitution.

FIRST YEAR, SHADES AND SHADOWS.

The first exercise will begin April 5 and will be held in Room 46A, Pierce Building.

Students should come prepared to do the first exercise in Shades and Shadows, after reading beforehand as far as Page 33 in the text book. Text books are not to be used in the class room. For the first exercise students should bring T-square, Triangle, Scale, Drawing Instruments, Thumb-Tacks, Pen and Erasers. Tissues will be furnished. The text books may be obtained at Miss Whipple, Room 35, Pierce Building.

We must ratify that the Constitution provides for no new powers. Leaving speculation out of the case, the fact is that the Institute Committee has never seen fit to interfere in any way with the private affairs of the student. The only new ideas that have been added are decidedly in favor of the student body and at the same time characterize the new constitution. The abolition has been none the less felt it constitutes itself the Supreme Court. The following members of the Committee on Arrangements consists of the following men: R. J. Murphy, '15; J. D.
