VOL. XXXII. NO. 125

BOSTON, MASS., TUESDAY, APRIL 1, 1913

PRICE TWO CENTS

EXCELLENT PROGRAM FOR ALL-TECH SMOKER

Cabaret Stunts, Music, Speeches, Smokes and Eats Are Features.

The program for the All Technology Smoker, which to be held April 4 in the Union, is especially attractive. Numerous speeches, pieces by the Musical Clubs, vocal selections and numerous other things are provided for. Added to these are free eats, drinks and smokes. The purpose is to get a big crowd of Technology men together and to have a royal good time. The program is as follows: Speeches by Dean Benson and H. D. Peck, banjo quartette, mandolin and guitar duo, Tech songs, the crowd, vocal solo, mandolin quartette, Tech song, vocal solo, cabaret, and refreshments, Tech song, vocal solo, piano rags, cabaret, stunt and Tech song.

The entertainment is to start at 7.30 sharp. All men should make every effort possible to come. Remember the show and the free smokes, eats and drinks.

TECH FRESHMEN TO MEET TUFTS MEN

Teams Are Very Closely Matched—Captain Dean Issues Call for New Men.

Arrangements have just been completed by the manager of the Freshman Track Team for a meet against the Tufts College Freshies. The contest will be held on the Tech Field on the afternoon of April 10. This is the first straight intercollegiate freshman meet that any first year team at the Institute has ever attempted. A few years ago a meet was held between the Harvard Freshmen and a team composed of the Sophomores and Freshman classes. Unusual activity has been shown by Manager Webster of this year's team in arranging for meets with the various school teams of this locality, and the coming one with Tufts is a result of his work.

The two teams are quite evenly matched, the Tech men being slight favorites over the Tufts Freshies. The good work of Benson, Guething and Adams has raised the standard of the team greatly. The unusually large number of men that have substituted track for gym work have shown steady improvement during the year, and from these a considerable amount of good Varsity material is in sight.

The Tufts men have received a large amount of newspaper notoriety, especially in the mile and half mile runs, but Benson and Guething can be relied upon to travel a fast gait and should come off the winners in these races. In the field events the Tech Freshmen are weak, as was shown in the recent Freshman-Sophomore meet.

WIRELESS MEETING.

A meeting of the Wireless Society will be held next Friday afternoon at a place to be announced later. Mr. Merrill, who recently gave a course of lectures on aviation at the Institute, will address the members on the subject of the application of wireless as a means of communication between the "bird-men" and their friends on the ground beneath them. Members of the Society are requested to keep this date open, as the talk promises to be one of great interest.

ALUMNI COUNCIL HOLDS BIG SMOKER

Representatives of the Various Activities in Institute Speak.

Last night at 8.30 P. M. at the Engineers' Club on Commonwealth avenue, the Alumni Council of M. I. T. held a Smoker at which representatives of the different activities were present and gave those present an outline of just how the affairs of the activities are conducted. Mr. F. H. Fay, president of the Alumni Council, opened the meeting with an informal address and briefly outlined the purpose of the evening. He first called upon John Ritchie, Jr., who gave some very surprising information on the great amount of publicity given the Institute through different newspapers and periodicals. He said: "During one year there were 2363 notices which spoke in high merits of the work of M. I. T."

Mr. Fay first called upon President Mattison of the Senior Class, who gave a very clear explanation of the work of the Institute Committee, and gave much time to the new Undergraduate Constitution. The new Constitution was of much interest to the Alumni, who considered it a great step in the progress of the efficient control of the Undergraduate Activities.

The next speaker was H. D. Peck, who talked upon the work of the Finance Committee which has done so much to put the various activities on their feet financially, and has successfully brought them all out of debt. As a feature of the work of the Finance Committee he spoke of the training that it gives the members in book-keeping and said that the winner of the Treasurership of THE TECH was a Finance Committee man. The importance of this position may be realized of one during the year about \$1,000 is handled by the Treasurer of THE TECH.

F. D. Murdock was the next man to speak, and spoke on the Point System which prevents a student from carrying too much outside work in detriment to his studies.

M. E. Langley, president of the Union was next introduced, and he outlined fully the growth of the Union as a place for the undergraduates to (Continued to Page 2.)

DINNER POSTPONED.

Results of Elections to Be Announced Tomorrow.

The banquet which was to have been given by Volume XXXII. of THE TECH in the Union tonight has been postponed. Today's issue is the last one for Volume XXXII., however, and Volume XXXIII. will begin tomorrow morning. As previously announced the elections for the coming year will be published in tomorrow's issue and the new Managing Board will assume its duties then.

TECH SHOW LIGHT MEN

All men connected with Tech Show as light men are expected by Geoffrey Thayer to appear at each rehearsal this week in order that they may become familiar with the Show so that things may go smoothly at the dress rehearsal next Saturday.

PROM INVITATIONS OUT NEXT MONDAY

Subscriptions Must Be Paid Before Programs Can Be Obtained.

Nearly all the arrangements for Junior Prom have been completed. It has been decided to follow out the annual custom of prohibiting bouquets and flowers on the floor. The tickets for the Prom cannot be transferred this year. Each ticket is to be marked with the name of the person to whom the ticket was issued in order to enforce this rule, and a member of the committee will be at the door to superintend the ticket-taking. If a person cannot identify himself as the rightful holder of the ticket he will be refused admittance. This ruling was made out of a spirit of fairness to those that are on the waiting list.

The committee has chosen as usherers the following: W. H. Brotherton, E. E. Dawson, Jr., A. C. Dorrance, C. P. Fiske, A. G. Long, D. L. Sutherland and L. M. White. All those that are to have chaperons are requested to notify D. G. Crowell as soon as possible in order that arrangements can be made for these.

The programs and tickets will be at the Union probably on next Monday. The subscription of \$6 must be paid before these can be obtained. The invitations will be out at the same time.

FINANCE COMMITTEE.

The Finance Committee will hold a regular meeting in the Union on Thursday, April 3, at 6.30 o'clock in the Union. The regular reports are to be made at this time. All those who shall not be able to attend the dinner are requested to notify the secretary before the meeting.

COSMOPOLITAN CLUB

To Hold a "Cosmopolitan Night" Next Saturday Evening.

On next Saturday evening, April 5, the Cosmopolitan Club will have a "Cosmopolitan Night" in the Union at 8 o'clock. The evening will be a "Ladies' night" as is the custom of the Club. The entertainment will be made up of music and "stunts" taken

1915 VS. 1916.

Cross Country Race Saturday—Teams Evenly Matched.

Next Saturday afternoon there will be a Cross-Country Race between the Sophomores and the Freshmen. Judging by the results of the Intercourse race last week, the teams are very evenly matched, and the run will be a hard fight from start to finish. Benson, '16, is expected to win first place in spite of his slight mishap last Saturday. The second place will be contested by Hill, '15; Best, '15; C. T. Guething, '16, and Hastie, '16, with the odds slightly in favor of Hill and Best. The race will be over the Tech Course, although a large part of the way is still soft. The competitors are to leave by the Back Bay Station by the 2.34 train for Highland.

FIRST PUBLICATION OF "THE TECH, JR.," OUT

In Honor of Genial Lynotyper of "THE TECH" Who Was Married Last Saturday.

Yesterday THE TECH received an edition of THE TECH, JR., from the E. L. Grimes Co., the concern which does the lino type work for THE TECH, telling us that our genial typesetter, Mr. Dan Shea, had been married. Mr. Shea has been a faithful worker for THE TECH for the past two years, and all the old timers on the paper are glad to hear of his good fortune. Although he has been ill-treated at times by the Night Editors he has always furnished the goods (for which the aforementioned Night Editors are duly thankful.)

The copy of THE TECH, JR., received at the office yesterday caused considerable amusement to the men on THE TECH, as it contained several little remarks keenly appreciated by those who get out the paper at night and have to deal with Mr. Shea over the telephone. Below are published some extracts. "It makes me tired to set all these names. Why, it is simply a directory, nobody reads it anyhow." "Give me a chance will you? Hello! Say is this Back Bay 5527? Well, what do you think! I'm not going to sleep in this joint. Send your copy, copy, COPY. (The receiver hung up.) They are dead ones." "Every damned fool else is using the telephone and I have no copy." "Is my supper ready and my dinner pail full? That TECH is coming in on time tonight."

In days gone by some poor unfortunate member of the Staff had to chase way out to Wellesley to read proof; now these things are fixed up in great shape, for our good friend Dan Shea does it for us, even if his shop is only way down on Pearl street. Now days when he wants to stay out late with "the boys" he can call up his wife and tell her the last copy was late getting down. Oh! You Dan! That little poem about Dan is so good that it will have to be published, so here it is: (Accompanying the original there appeared a cut of a rooster.) See "THE TECH, JR."

Technique, sleep no more, THE TECH bath murdered sleep.

The latest returns from Nusite state that Mike-Patrick Rogers is rounding THE TECH team into splendid shape. He'ller, as acting water-boy, was given a hard workout Saturday.

TUESDAY, APRIL 1, 1913

With the filling of the applications for seats at the Tech Show, 1913, the Managing Board of the Show has been more than gratified at the goodly number of seats that have been already disposed of by application. There should however, be many more sold, for there is still ample room, especially among the lower priced seats, at either Boston performance for any late comers, as well as many good floor seats at the afternoon performance.

Every man should realize that while Tech Show, 1913, has even now succeeded financially, every additional dollar means a greater profit for athletics. It is now in the hands of Technology men at large whether there shall be \$400 or \$1500 on the credit side of the account when the Show is through with its work. Let every man put forth a real effort to make this Show the most successful that has ever been given, not only by going himself but by advertising its worth to others.

TAKING OF POSTERS.

THE TECH heartily agrees with Mr. Langley's letter which appeared in yesterday's issue regarding the taking of posters from bulletin boards. This is a matter that must be left to the honor of every student, and it is hoped that in the future no man who in any way calls himself a representative of Technology will be guilty of so small an act as to steal the property of any Institute activity. Such acts cannot help but reflect on the character of the student body.

THE POSTER THEFTS.

The continued and convincing evidence presented by these thefts can no longer be ignored, and this outrage must be stopped if the good name of the Institute is to remain unsmirched. Others besides the actual culprits probably see these posters after they have been stolen, and should let no mistaken sense of honor prevent the exposure of the cowardly thefts.

RETURN UNSOLD TAGS.

All men who have not sold the Tags given to them will kindly return them to E. B. Germain or to THE TECH office. This is imperative, as otherwise it will be difficult to settle up the financial standing.

CATHOLIC CLUB DANCE AT SOMERSET TONIGHT

Good Dance Program for Annual Event Arranged—Big Attendance Expected.

This evening at 8.30 o'clock one of the most brilliant events in the career of the Catholic Club will take place. The Club will hold its annual dance at the Somerset Hotel. One of the features at this dance will be an unusually good dance program of twenty numbers, including popular pieces, school songs and some classical numbers. The program is as follows:

- 1—Spring, Beautiful Spring...Waltz
- 2—2nd Connecticut March...Two-Step
- 3—Girls of Baden.....Waltz
- 4—Run on the Bank.....
Girl from Bermuda...Schottische
- 5—Here Comes My Dady...Two-Step
- 6—Rose Maid.....Waltz
- 7—Silvery Bells.....Two-Step
- 8—Big Blue-eyed Baby...Schottische
- 9—Steamboat on the Swanee.....
Two-Step
- 10—Come Back to Me.....Waltz
Intermission.
- 11—Oh, Oh Delphine.....Waltz
(Fancy Dance)
- 12—Midnight Choo Choo...Two-Step
- 13—Pinkerton Detective Moon.....
I'm Crazy About Someone.....
Schottische
- 14—Little Boy Blue.....Waltz
- 15—Dear Old M. I. T.....Two-Step
- 16—Count of Luxenburg Waltz.....
Waltz
- 17—Tres Moutarde.....Two-Step
- 18—Snooky Ookums.....Schottische
- 19—That Old Girl of Mine...Two-Step
- 20—Blue Danube.....Waltz

The music will be furnished by Moore's twenty-five piece orchestra and the dancing will continue till 1 o'clock. A very large attendance is expected and the success of the Club's annual social is practically assured. Among the guests of honor will be President Maclaurin, Mayor Fitzgerald of Boston, Cardinal O'Connell and several other prominent men.

ALUMNI COUNCIL.

(Continued from Page 1.)

come together. He dwelt on the careful supervision that is taken of the Union. Mr. Duff, one of the Alumni, asked at this point whether any gambling was ever detected and the interested alumnus was quite satisfied when Mattson replied that there had never occurred any such instance. The Alumni then listened to Brett of the T. C. A. and to A. T. Gibson of THE TECH.

To vary the monotony of the four members of speeches the Technology Glee Club pleased the audience with two selections and received much applause. After this Mr. Hurst of the Cosmopolitan Club spoke on the many nationalities represented here at the Institute.

The last man to speak was R. W. Weeks of the Tech Show, who dwelt on the purpose of the Tech Show. In closing he appealed to the Alumni for their support in the efforts which which those connected with the Show are making to secure its success.

President Fay congratulated the Undergraduates on the business-like manner with which they presented the facts to the Council, and thanked them for their attendance.

In closing they sang the Stein song and gave a regular M. I. T.

THE WRESTLERS.

All Technology should indeed be proud of our Wrestling Team. They have had an extremely successful season, due to their persistency and perseverance, and have brought many laurels to the Institute. THE TECH sincerely hopes that the team will be rewarded for its hard conscientious work by suitable ensigma in the form of a "T."

SUCCESSFUL SEASON FOR WRESTLING TEAM

Has Won Every Meet On Schedule—Plans For Next Year's Matches.

This year the Wrestling Team has had an especially successful season, winning all of the eight meets in which it took part. The first of those was with the Clapp Memorial A. A. and was won by Tech with a score of 4-2. Immediately after this meet the team was suspended by the N. E. A. A. U. for entering an unauthorized meet, and it was not until January 15, 1913, that they were reinstated. Tech next defeated the Salem Y. M. C. A. with a score of 4-2. It was in this meet that Sayer won the 115 lb. bout by a fall in the remarkable time of 53 seconds. In the third match Tech defeated the Marblehead Y. M. C. A. 6-0. Here Sayer again deprived the spectators of a good bout by winning his fall in 1 minute and 50 seconds.

The fourth meet was with Harvard, and this one proved to be the closest of the season. Tech won four bouts, two by falls and two by decisions. Harvard also won four bouts, but only one was by a fall and three by decisions. The superior wrestling of the Tech team gave them the meet with a score of 10-9.

After this remarkable showing the M. I. T. Advisory Council on Athletics recognized wrestling as a 'Varsity sport. The fifth meet was with the Beverly Y. M. C. A., and Tech won by a score of 7-2. Tech defeated the B. Y. M. C. U. with a score of 6-2. In this match Crowell made a very good showing, winning the heavy-weight bout with a fall in the short space of 55 seconds.

The meet with the Allen School of West Newton added to the list of Tech victories by a score of 6-0. The last meet of the season was with Cunningham Gymnasium of East Boston and Tech was again victorious 3-1.

Manager Blodgett wishes to express his hearty appreciation of the work the men have done in making the team a recognized 'Varsity sport. Sayer, a Freshman has done especially well, winning all but one of his bouts in quick time. Lee is another Freshman who has developed remarkably well.

Although Means has been sick a good deal of the time, he has done very good work in the meets in which he has participated. Kelly, who holds the Northeast Intercollegiate Championship of the 135 lb. class, is one of the best wrestlers on the team, and has won all of his bouts this year. Smyth-Martin is a fast, tricky wrestler and has worked well in all the events. Both Blodgett and Alexander have done reliable and steady work. Morse is a beginner and should develop into a very good man for next year's team. Treat, who was captain of the team, has been on the job every minute of the time. He is a fast wrestler and has won nearly all of his bouts. Two of the most consistent point winners were Walters and Crowell. Both have made very good records this year.

None of the men on this year's team will be lost through graduation except Means, and with the many beginners who have shown such remarkable form, next year should see the wrestling team again victorious.

The team has already planned for several college meets next year. Contests with Harvard and Brown are assured, and meets with Yale, Columbia, Cornell and Lehigh, the champions for 1913, are under consideration, together with all the non-collegiate teams which the Institute has met this season. Under the supervision of the Athletic Association the team looks forward to a successful season, and they hope to receive insignia before the end of the present year. The team has held more bouts this year than any other team around Boston, a fact

CHAUNCEY HALL SMOKER

To Be Held in Union Tonight—Cards, Music and Refreshments.

Tonight at 8 o'clock there will be a smoker in the Union, given by the men who have attended the Chauncey Hall School. There will be free smokes, music and refreshments. A very enjoyable time is looked forward to.

The evening will be spent playing card games for which suitable prizes will be awarded. There will also be music and other entertainment given by the members. Those in charge have provided the best of talent to add to the enjoyment of the evening.

It is desired that all men who have attended the Chauncey Hall School come to this smoker. The tickets, which cost twenty-five cents, can be obtained from the members or at the door.

SENIOR PORTFOLIO.

Sign-Up Books Will Be Called During Junior Week.

On next Friday the Senior Portfolio sign-up books will be called in from all men not on the Committee, and from then till Junior Week, when the books are closed, only men on the Senior Portfolio Committee will have sign-up books. The edition is limited to two hundred and only a few copies are left unsigned for. The book will be out during the first week of May.

T. C. A. TALK THURSDAY.

Mr. E. Mulready, of Probation Commission Will Speak.

Next Thursday at 1.30 o'clock Mr. Edwin Mulready will be the speaker at the regular weekly talk given by the T. C. A. in the Union. Mr. Mulready is Deputy Commissioner and Secretary of the Commission on Probation for the Commonwealth of Massachusetts.

As Probation Officer, Mr. Mulready comes into contact with a great many offenders and petty criminals, and has been largely instrumental in developing the plan of probation which has become such an important part of the modern treatment of criminals. He is an excellent speaker and is a man of broad experience. His talk next Thursday should prove of considerable interest and value to Tech men.

TECH BOWLING LEAGUE.

The following is the standing of the Technology Bowling League:

Team	Won.	Lost.	Pinfall.
Fatimas	14	2	5,043
Pall Malls	11	5	4,878
Moguls	8	8	4,747
Luxuries	8	8	4,668
Lord Salsburys	5	11	4,847
Meccas	2	14	2,408

Individual averages—Vose 87, Nason 86, Yeh 86, Hall 85.

which shows that they are certainly very much "alive." The complete team is as follows:

- H. W. Treat—Captain.
- C. A. Blodgett—Manager.
- F. H. Gracey—Instructor.
- Jack Butler—Coach.
- 115 lb. Class—R. Sayer, '16; D. Y. Lee, '16.
- 125 lb. Class—A. H. Means, '13; R. Lev. Sidelinger, '15 (substitute.)
- 135 lb. Class—J. G. Kelley, '14 (champion); R. S. Martin, '14; C. A. Blodgett, '15.
- 145 lb. Class—E. P. Alexander, '14; H. G. Morse, '16 (substitute.)
- 158 lb. Class—H. W. Treat, '14 (captain); A. U. Walters, '15.
- 185 lb. Class—H. R. Crowell, '15.

Now that Tag Day has been a success Eddie Germain looks much happier.
