T" Men Will Be Barred—Prizes Awarded in Each Event.

Track meet will be held on Saturday afternoon, October 13, for all but T men. This will be scratch and the first of a series of three held before the fall handicap meet. In the two following contests the men will be handicapped according to their ability shown previously. The handicap will be the same as in the columns of THE TECH on the preceding Wednesday, and for the last on the following week.

The events in each meet will be the Department of and one-half mile. The held events will be the 220, 440, 880, and 1100 yard hurdles, and the half mile. This series is the first of this kind ever made at the Institute and promises to be a real race. The barking of the T men will serve to bring men of equal ability together and some interesting finishes are looked for. Points will be awarded to the first three men in each event. These points will be summed up at the end of the series and the winner of the series will be given. In addition awards will be made to the winners of the first three places in each event.

Coach Kanesy is attaching much importance to the fact that the meetings serve the dual purpose of bringing out all material known and unknown in the lower classes. Under his supervision it is hoped that the Institute track teams have to come in with the lack of competition before the big meets.

The present idea is designed to eliminate his boys in a great many cases. These contests are in line with the idea of the Faculty and Advisory Cottrell on athletics.

It is desired that the new men inform the older men of their wishes. If all the entries will be on an equal basis in regard to the amount of fall competition before the big meets. All the entries will be on an equal footing. The announcement is now made that it will be possible to open by Thursday noon at the latest. Mr. Colton, had hoped to have the room open by Thursday but the announcements are made.

The extensive alterations which have been under way in the Dining Hall have almost been completed. The entire place has been cleaned and painted, and several changes have been made. One improvement is the laying of a cement floor in the vicinity of the serving counters at the cafeteria. Six new small tables have also been provided for this section, which will increase the seating capacity. The tables have been set up, and the room is rapidly assuming its usual attractive appearance.

The arrangements for lunch will be the same as last year, a twenty-five cent lunch, twenty-cent lunch and ten-cent lunch. Mr. Colton promises that seating capacity. The tables have also been provided for this section, which will increase the seating capacity. The tables have been set up, and the room is rapidly assuming its usual attractive appearance.

FRESHMEN! BIG NEWS—TO-MORROW ISSUE
CHANGES IN FACULTY AND INSTRUCTING STAFF

Usual Appointments and Promotions Made—Many New Names Appear.

During the summer recess many important changes have been made in the Faculty and also in the instructing staff of the Institute. Following is the remaining list of changes which were published in Monday’s issue:

Associate Prof. P. J. Moore is now Professor of Organic Chemistry. Associate Prof. W. L. Kelley is now Associate Professor of Chemical Technology. Mr. E. Z. Shimer has been appointed Instructor of Theoretical Chemistry. Eight men who graduated last year have become assistants in the Chemistry Department. They are P. Thompson, Theodore F. Brown, T. W. Daniels, Mr. and Water Analytists; C. Fallin, C. K. Reiman, F. M. Taylor and R. T. Maroon, Analytical Chemistry; W. J. Murray, Organic Chemistry; and B. F. Blass, Theoretical Chemistry.

Several changes have been made in the Research Laboratory of Physical Chemistry. Dr. Kraus has become Assistant Professor of Physical-Chemical Research; Dr. F. C. Kreys has been transferred from Theoretical Chemistry to a position in Research Associate in Physical Chemistry; H. P. Thomsen has also been made a Research Associate. Three 1912 men have entered the Research Laboratory—C. A. Duyser and H. H. Hanson as assistants; and B. V. Reeves as assistant.

The Electrical Engineering department will have three new assistants this year to take the places of Measey, Peck, Allison, Cheeky, Courvay, Gravely, Hulshen and Lewis, who have left. Mr. R. H. White will take Dr. Flake’s place as instructor in Instrumental Chemistry.

New Corporation

A new corporation has been formed in Boston. It is called the Old Colony Trust Company, and has a capital stock of $25,000,000. The company is incorporated under the laws of Massachusetts. The object of the corporation is to engage in trust business. The Board of Directors consists of ten members, and includes some of the most prominent business men of the city. The officers of the company are A. P. Kitchen and Norman Osann, presidents; D. H. Allen, treasurer; and S. A. S. Strahan, secretary.

TECH CLUB ACTIVE

Intermountain Association Holds Big Meeting in Summer.

The Technology Intermountain Association held its second reunion at Salt Lake on the 14th of August. Salt Air is situated on the bosom of the great Salt Lake, and lent itself admirably to the spirited assembly. B. W. Hall, Class ’02, acted as chairman, and the officers present were L. T. Cannon, ’94; J. E. Moore, ’98; J. C. Dott, ’99; G. N. Denton, ’02; C. H. Enns, ’98; A. Wells, ’98; O. E. Gray, ’96; E. G. Mathis, ’03, and L. H. Lehninger, ’12. The various men brought their wives and girls, who added greatly to the gaiety of the occasion. Proceedings opened with a regular 11. 13. The meeting was opened by the singing of the Old D. J. T.

Singing and cheering continued through supper time, and the dinner ended with the singing of the St. Louis Song, which concluded the evening’s entertainment.

THE TECH

Morning Delivery

Agreed to prepare the paper before 5 a.m. to all students rooming on the following streets—St. James Avenue, Newbury St., The Fenway, Westland Avenue, Huntington Ave., below Massachusetts Ave., St. Boloph and cross streets.

SEND A POSTAL TO CIRCULATION MANAGER

and the Service is yours. All men on these streets who have bought Subscription Books, can have this service by turning in Book to us with name and address.

OLD COLONY TRUST COMPANY

Capital, $12,500,000.00

Main Office, Court Street
Branch Office, Temple Place

SAFE DEPOSIT VAULTS AT BOTH OFFICES

Guess I’ll have to see “Good Old Burke the Tailor” pretty soon.

That big brother of mine told me to be sure to call on him at 18 School St., or to see his man, Tom Hayes at 813 Washington St., as soon as I landed in Boston, and the bunch here tell me that was good dope.

FIRST EXERCISES OF COURSES 2, 4, AND 13 WILL MEET FOR THE FIRST EXERCISE FRIDAY, AT 8, IN HUNTINGTON HALL.
FIRST EXERCISES OF . . . COURSE IN ACCORDANCE WITH VIEW.

TECH BARBER SHOP

START YOUR TECH YEAR RIGHT.

Your equipment for the year is not complete unless it includes the Oliver Typewriter, Model Number Five.

Regardless of the work you may take up after you leave Technology, the Oliver Typewriter will be a necessity. Why not take advantage of the opportunity to get the Oliver while you are studying? It is cheaper to do your own typewriting than to hire a stenographer.

You can RENT the Number Five Model Oliver at the rate of $0.50 per month and when you have paid twenty consecutive months’ rental, The Oliver will be presented to you without further expense.

Call at 146 CONGRESS ST. or Telephone Main 192 or 193
