VOL. XXXII. NO. 43

BOSTON, MASS., TUESDAY, NOVEMBER 26, 1912

PRICE TWO CENTS

## HASTINGS TO MEET WRITERS OF LYRICS

Will Be in Union This Afternoon to Give Details—More Songs Needed.

Yesterday afternoon J. M. Hastings met the men who intend to write lyrics for this year's Tech Show. As the time of the competition has been so limited, that but few good lyrics were received, it was decided to extend the time until Saturday, December 7, at 3 o'clock. The authors plan to use good lyrics as they come in. For the benefit of the men who were not able to get to the meeting last night or to the Kommer's dinner, E. Menderson, one of the authors of the book, will be in the first of the small rooms of the Union tonight at 5.30 o'clock to tell about the qualities that good lyrics should possess to win a place in the Show.

Numbers 2 and 4 have been written and accepted. The other numbers are: 1. "It's Hell to be a Freshman." 3. "A Really First Class Hotel." 5. "Don't Be Backward." 6. Who Said Lunch?" 7. "Brothers All." 8. "Touring." Opening chorus. 9. "Drink With Me." 10. "There's Always Room for More." 11. "We've Been Looking for Two Like You." 12. "Just a Little Word From Someone." 13. "I Have Been Duped" (Old Man). "I Meant No Harm" (Hero). "We're Not to Blame" (Chorus)—Finale. 14. "We Are Servants of the Law." Opening Chorus. 15. "In the Dark of the Moon." 16. "We're Wise." 17. "If Love Is Mine." 18. "Here's to the College." Finale. All of the songs must consist of two verses and a chorus. Men should see Mr. Menderson and find out about the special requirements of each song, and should bear in mind that the first to come in have the preference. The big numbers are: "A Really First Class Hotel," which is a sextette; "In the Dark of the Moon" and "Here's to the College."

## COURSE XIII DINNER.

Profs. Peabody and Everett to Speak at This Affair.

The Naval Architectural Society will hold a dinner at the Union tonight at 7 o'clock. The society has obtained Professor Peabody, who is the head of the course, and Professor Everett as the speakers of the evening. The society would like to have all men who are interested in this course present at the dinner, because they believe that the speakers will give them a good idea of the prospects along this line.

## EPISCOPAL DINNER.

Tonight, at 6 o'clock, the Brotherhood of St. Andrew will hold a dinner at the Trinity House, 17 St. James Avenue. This will be the second of a series of monthly dinners held for the purpose of bringing together all Technology Episcopalians. Dr. Mann, of Trinity Church, will be present to address the assembly. Everybody interested is cordially invited and a good time is assured all. The price of the dinner is fifty cents.

## CROSS-COUNTRY TEAM HOLDS HANDICAP RACE

Run Over the Wakefield Course Saturday Afternoon From Y. M. C. A. Gym.

Next Saturday afternoon the annual Fall handicap cross-country race will be held at Wakefield over a course of about seven miles, which is the same that the team ran over last year. Though not as hard as the Technology course, the Wakefield course is a good stiff run over all kinds of ground, with very little road running, and will test the men out in good shape.

Three cups have been offered by the Hare and Hound Club, one each for first and second and one for the fastest actual time over the course. In addition to this the first four men making the fastest time over the course will win their CTC's. During the week the cups will be on exhibition in the sectional book case in the Union.

Last year the race was won by R. M. Nye, who captured the time prize as well. The race is usually won by a handicap man, and for the past three years the time prize also has gone to a handicap man. The cross country team will have broken training by the time this race comes, and since the men are rated according to their past performances the members of the team do not figure so prominently in the finish.

The men will leave the North Station on the 2.14 train for Wakefield, where they will have the use of the Wakefield Y. M. C. A. dressing rooms.

## TICKETS FOR GAME.

M. A. H. S. Men Can Get Them For Dorchester High Game.

The Mechanic Arts High School Club held a meeting last Friday night and voted to go in a body to the Mechanic Arts-Dorchester football game on Thanksgiving Day. It was decided that the men should all have megaphones to aid them in making their cheering a feature of the game. The tickets secured for the men here are going fast, and those who desire tickets should see Mr. Sandberg at the Union this noon, between 1.30 and 2 o'clock, and settle up with him.

The following men were appointed to see the men in their respective classes and notify those who were not present at the meeting of the arrangements made: Pastene, '13; Sandberg, '14; Field, '15; Allen, '16. After the business meeting the members played cards and the winner, Mr. Gfroerer, was presented with a Tech banner. Refreshments were then served and the meeting broke up after a pleasant evening with the singing of Tech songs and a rousing "We Are Happy."

## NO DRILL WEDNESDAY.

There will be no military drill on Wednesday of this week. This arrangement has been made for the convenience of those wishing to get away early for the holiday. Anyone wishing to catch an early train may also skip the military science lecture, from 2 to 3 o'clock, but Major Cole wishes it strictly understood that another lecture on the same subject must be attended at some other time during the week.

## THIRD MEETING OF CIVIL ENGINEERS

W. A. Adams Will Speak Today On Opportunities for Men in Philippines.

This afternoon, at 4.15 P. M., Mr. W. A. Adams, '08, will speak before a meeting of the Civil Engineering Society in Room 11, Engineering B. Mr. Adams is connected with the Topographical Bureau in the Government Insular Civil Service on the Philippines. He will speak on the large opportunities open to young men in the islands, and his talk will be of as great interest to the students as that of Mr. C. P. Gow, who recently addressed the society on tunnel construction.

New men will have a chance to sign the constitution and also to sign for pins and shingles. It is desired that the men do this as soon as possible, for an order will soon be sent to the manufacturer. The pins cost eighty cents, and those with a safety clasp are one dollar.

## JUNIOR PROM BALLOTS.

Out Today—Can Be Gotten at Cage—Twenty-two Candidates.

The Junior Prom Committee ballots are now out and can be obtained at the Cage. No ballots marked for more than five men are valid. They must be signed and class dues paid; the latter may accompany the ballot, and are due at the Cage not later than 1 o'clock Tuesday, December 3rd.

There are twenty-two men on the ballot, the largest number that have ever been nominated. The following men are running for election: Frederick B. Barnes, Gerald W. Blakeley, William H. Brotherton, Homer N. Calver, Donald G. Crowell, Robert C. Doremus, Levi R. Duff, Thomas J. Duffield, Charles E. Fox, David Gould, Adelbert D. Hiller, Thomas H. Huff, Frederick L. Hurlbutt, E. L. Frederick, F. Mackentepe, Eric W. Mason, Henry F. Merrill, John C. Morse, Earl M. Newlin, Philip A. Russell, Welton A. Snow, John H. Stone and Augustus V. Swift.

## 1913 CLASS PIPES.

President Mattson of the Senior class has appointed the following men on the Pipe Committee: J. C. Goff, chairman; W. N. Eichon, R. M. Freeman and N. Clark. A representative of the committee will be at the Union every day this week from 1 to 2 o'clock to take orders for the pipes. The pipes are similar to those sold the Freshman year, and as this is the last chance to get a class pipe all men desiring one should see a member of the committee at once.

## 1914 CLASS DIRECTORS.

The 1914 Class Directors' picture for Technique will be taken this noon at 1 o'clock sharp, at Purdy's studio, 145 Tremont street. The following men are expected to be present on time: A. T. Wyman, P. E. Morrill, P. H. Taylor, T. J. Duffield, A. H. Waitt, T. L. Chase, G. E. Whitwell and H. A. Mayer.

## RESULTS OF FALL TENNIS TOURNAMENT

Stewart, '16, Won Singles Championship—Roy and Fay Doubles Champions.

Aided by good weather and fine management, the Fall tennis tournament has been completed. The usual delay experienced in these tournaments was caused by matches not being played off by the required time. This year all matches were defaulted by those managing the tournament if they were not played by the date set.

The singles championship was won by H. R. Stewart, 1916, the runner-up being T. C. Fisher, 1913. The score in the final round was 8-6, 6-1. Stewart showed fine form throughout the tournament, and was never pressed after the first round, when he defeated Hurlbutt in a close three-set match by the scores: 5-7, 6-2, 8-6.

The doubles championship was won by Roy and Fay, with Blakeley and Hurlbutt runners-up. Owing to a scarcity of entrants and many defaults only three matches were played in the doubles. In the final round the first set was rather easy for Roy and Fay, but in the next two sets the result was often in doubt, and almost all the games were carried to deuce. Both couples showed a lack of team work, but nevertheless it was a very interesting match.

The tournament brought out many good Freshmen, and these, together with the members of last year's team, who are still at the Institute, will do much to make a championship team next Spring.

The summary of the singles is: 1st round: Roy d. Boas, 6-1, 6-3; Clarkson d. Shedd, def.; Sweet d. Foote, 6-1, 6-0; Zepfler d. Edelstein, def.; Woodbridge d. Mumford, 6-3, 6-3; Eberhard d. Ash, def.; Fisher d. Oberg, def.; Stewart d. Hurlbutt, 5-7, 6-2, 8-6; Wirt d. Kingsbury, def.; Connor d. Achard, 6-0, 6-1; Blakeley d. Carr, 6-4, 6-2; Tirrell d. Souter, 6-2, 6-3. 2nd round: Roy d. Clarkson, 6-2, 6-1; Sweet d. Zepfler, 6-0, 6-0; Woodbridge d. Eberhard, 1-6, 6-1, 7-5; Stewart d. Wirt, 6-0, 6-1; Blakeley d. Connor, 6-4, 6-2. 3rd round: Roy d. Sweet, 6-4, 6-4; Fisher d. Woodbridge, 3-6, 6-2, 9-8; Tirrell d. Blakeley, 6-4, 6-3. Semi-finals: Fisher d. Roy, 6-4, 6-2; Stewart d. Tirrell, 7-5, 6-1. Final round: Stewart d. Fisher, 8-6, 6-1.

The results of the doubles are: Roy and Fay d. Sweet and Tirrell; Blakeley and Hurlbutt d. Bartlett and Mumford, 4-6, 7-5, 6-0.

Final round: Roy and Fay d. Blakeley and Hurlbutt, 6-1, 6-3, 6-3.

## WEATHER.

For Boston and vicinity: Fair today; brisk to high southwest to west winds.

## ANGLO-AMERICAN DANCE.

The Anglo-American Dance given by the British Empire and American members of the Cosmopolitan Club on Saturday evening of this week is a function which, it is hoped, every foreign student at the Institute will be able to attend.

This is an occasion that will give every foreigner an excellent opportunity for meeting a great many people from almost every part of the world in a purely social way, and learn to know better, at the same time, many members of the Faculty and student body. We sincerely hope that every foreigner at Technology will attend this dance.

It should be understood distinctly that the foreign students are the guests of the Anglo-American members of the club and are expected to apply to the Dance Committee for invitations to send to the ladies whom they should like to have invited.

## MISUSE OF TOWELS.

It is indeed a strange thing that however much we appreciate a new acquisition that has been a decided benefit, we are never quite appreciative enough, but that there is some misuse or over-use which takes away somewhat from the pleasure of having the thing whatever it may be.

This is more than true with the new individual towels that every man has, at heart, been most thankful for and concerning which has expressed himself in no mean terms. It was not long after they were installed, however, until many of the men began their misuses which have gone on almost ever since the first week of the term. The towels are used for cleaning shoes, wiping fountain pens, scrubbing drawing boards, wiping grease from the hands and many other things that are decidedly not what they are intended for. The whole situation is disgraceful and needs the attention of every Institute man, whether he be an offender or not. We should at least show our appreciation in a little more considerate way.

Sheffield Scientific has recently adopted the honor system for examinations. On all papers written in class the word "Pledge" is signed at the end of the paper, and the entire pledge is written and signed at the end of every examination paper written in class. The pledge is as follows: "I hereby pledge my word of honor that I have neither given or received aid during this examination."

## AN APOLOGY.

THE TECH desires to express its apologies to Mrs. Maclairin and the Cosmopolitan Club for the unfortunate mistake occurring in yesterday's issue. Of course there is no such table as was referred to. What should have been printed is "an effort will be made to persuade Mrs. Maclairin to preside over one of the tables."

## MRS. RICHARDS HONORED.

Women of Country Will Celebrate Home Economics Day.

In honor of the late Mrs. Ellen H. Richards, for twenty-five years Professor of Sanitary Chemistry at the Institute, the women of the country will reverently remember her memory on December 3 by celebrating a "Home Economics Day." She was probably one of the foremost women active in social and economic circles.

An effort will be made to complete the raising of the \$100,000 fund to her memory on that day, or to have it wholly subscribed by January 1. This fund will be used to further the work she began during her lifetime. On Home Economics Day women's clubs, colleges and schools will recall her achievements by special programs. It was Mrs. Richards who developed the domestic science platform with great success. Since her death, in March, 1911, this movement has gained strength, but still its advocates say that it has not gained its full growth.

At a speed of 1500 revolutions per minute the turbine engine will pump thirty million gallons of water every twenty-four hours, raising the water from the river level to the city reservoir, located on Crescent Hill. Both the old pumps working together could not pump more than twelve million gallons in the same length of time.

# The Most Enjoyable Smoke in the World

**MORGAN ROBERTSON**  
Morgan Robertson, famous writer of sea tales, says:  
"The able collaboration of Tuxedo helped me over many a rough, sea, given me ideas when ideas were scarce, is none other than my old friend, Tuxedo Tobacco."

*Morgan Robertson*

EVERY man knows that pipe smoking is the ideal form in which to use tobacco. Only by smoking a pipe, can you get the full benefit and enjoyment from tobacco.

And yet—thousands of men reluctantly deny themselves the pleasure of the pipe—because fancy "mixtures" and ordinary tobaccos bite the tongue, dry the throat and upset the nerves.

It is not necessary longer to forego the pleasure a pipe can give you.

**CHARLES S. ASHLEY**  
Charles S. Ashley, now serving his sixteenth term as Mayor of New Bedford, Mass., says:  
"Tuxedo strikes me as being the best pipe filter ever. A wholesome, enjoyable smoke."

*Charles S. Ashley*

## Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo cannot bite the tongue or irritate the throat. The reason for this is that Tuxedo is made of only the mildest, choicest leaves of the highest grade, perfectly aged, Burley tobacco, by the famous "Tuxedo process."

The "Tuxedo process" is a secret, known only to its manufacturers.

It was discovered by Dr. R. A. Patterson, the founder of the R. A. Patterson Tobacco Co., after many years of experiment. Its popularity has never been artificially forced by sensational advertising. The demand has grown naturally and steadily, until now nearly eighty million packages are sold yearly.

You can smoke Tuxedo in the office, on the street, and at home. It cannot make you nervous; its aroma is delightful and it cannot smell up lace curtains or your clothes.

**MALCOLM STRAUSS**  
Malcolm Strauss, well-known artist, says:  
"A pipful of Tuxedo gives added inspiration and encouragement. Besides, its mild flavor makes it a keenly enjoyable smoke."

*Malcolm Strauss*

**LT. WM. H. SANTELMANN**  
Lieut. William H. Santelmann, leader of the U. S. Marine Band, says:  
"I have used Tuxedo tobacco and found it to be a great luxury. It is a cool, sweet smoke and I take pleasure in recommending it to all smokers."

*Wm. H. Santelmann*

YOU CAN BUY TUXEDO EVERYWHERE

Convenient pouch, inner-lined with moisture-proof paper 5c Famous green tin, with gold lettering, curved to fit pocket 10c

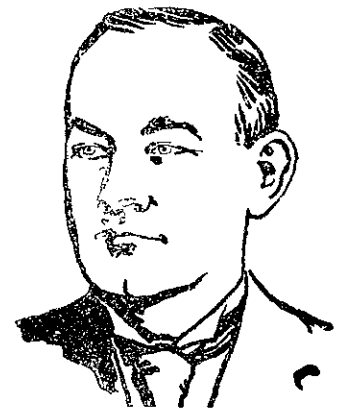

**GARRETT P. SERVISS**  
Garrett P. Serviss, prominent scientist and writer, author of "The Second Degree," etc., says:  
"I have tried many brands of tobacco, good, bad and indifferent, before alighting upon Tuxedo, the ideal smoke."

*Garrett P. Serviss*

Illustrations are about one-half size of real packages.

**WILLIAM P. SHERIDAN**  
William P. Sheridan, one of the most famous detectives in the country, says:  
"Tuxedo is so mighty fine, so superlative in its quality, its mildness and combined richness, that it seems the ultimate and only tobacco for the connoisseur. I can recommend it unqualifiedly."

*William P. Sheridan*

**We Will Show You How!**

If you have ideas---if you can *think*---we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100, and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIES, ETC., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

*We are selling photoplays written by people who "never before wrote a line for publication."*
