Cheer and Then Work.
At the Kummer's dinner, Saturday evening, Coach Sanger brought forth an idea which would "strike home" to many men. In speaking of the enthusiasm shown that night, he said it was not this exclamatory interest, but real work later that would make TECH SHOW, 1913, what we hope it to be.

Enthusiasm is a splendid thing. It has won countless battles, but NEVER without good, hard, nose-grinding work along with it. Not smooth sailing before encouraging smiling faces of friends (this or otherwise), but rough, hard scrambling over growing opposition and adversity. It is not the cheer and the kickoff that win the football game, but the grinding manœuvres of the contest. It was not the followers who merely attended the Kummer's and cheered the officers and coaches that gave to TECH SHOW, 1913, what we hope it to be.

But it is disheartening work, work you can never do to your satisfaction because they thought such instruction would give them the ability to write at Harvard University. It will be the first time that a student will be allowed to publish his work. The dignitaries of the college president and class officers will be awarded the University "W" at Wisconsin this year. The honorary emblem will be of some appropriate design, as a work for or job.

COLLEGE DRAMATICS.
The Yale University Dramatic Association will give Twain's "Prize of Cultures" for this year's Christmas production on Thursday evening.

The Harvard Dramatic Association will this year present three performances of "The Prize of Cultures". The Harvard "Cervere Funnels" will give two performances of "Les Peres le Pauvres du Reveur".

The Dramatic Club of Princeton University, known as the Triangle Club, will make a return trip this season. Formerly this club was a favorite in the University circles and was considered to be the best in the region of the town. This year the club will make two trips, one to New York, Brooklyn, Philadelphia, Baltimore, Cleveland, St. Louis, Columbus and Pittsburgh. Two performances will be given in Princeton and two in Philadelphia. For this tour the club will make a special tour, consisting of three engagements, a dinner and a hotel dinner. The first engagement is on the night of the 12th, the second on the 14th, and the third on the 16th. Basketball Team Holds First Practice
Only a Dozen Men Reported For 1915 Team Practice Wednesday
The first call for candidates for the 1915 basketball team was answered Monday afternoon by the college, which was a fairly good showing considering the following day was a holiday. About 500 letters were received, but this fact should not prevent anyone who knows only a little about basketball from coming out. Owing to the absence of Manager Scully, nothing definite was accomplished. A scrub game was finally started, which showed every indication of being a fast squad. Scully will not be able to participate in any games, owing to illness, but will be on hand every Wednesday at 8 P.M., and Friday at 5 P.M., to put the squad through work. The following men reported: E. T. McIntire, E. H. New- man, F. McSweeney, O. L. Hall, O. C. Wilson, B. L. Ager, M. B. Brickman, M. S. Dutton, C. L. Morris, H. I. Craig and E. E. Alt.

The Faculty of the Michigan Engineering School is reported to have denied all financial or conditioned invitations of the senior engineers. The seniors held an indignation meeting and sent a protest to the Faculty.

For I915 Team Practice
Regardless of the work you may take up after you leave Technology, the Oliver Typewriter will be a necessity. Why not take advantage of the opportunity to get the Oliver while you are studying? It is cheaper to do your own typewriting than to hire a stenographer.

You can RENT the Number Five Model Oliver at the rate of $5.00 per month and when you have paid twenty consecutive months' rental, The Oliver will be presented to you without further expense.
