CIRCULATION OF THE TECH GROWING FAST.

Number of Subscriptions This Year Exceeds Previous Records.

The circulation of THE TECH is growing rapidly and promises to greatly exceed the record set in previous years. This is due mainly to the activity of the Business Department and a number of innovations that are tending much to help the circulation grow.

The number of subscriptions sold this year is far in excess of that sold last year, and they are still going fast. Old subscribers are renewing their subscriptions, and every mail finds large numbers of unclaimed checks.

An extension of the delivery system has made it possible to reach a greater number of people. The newspaper is now being delivered even earlier in the morning, and is reaching the streets. The expense is nothing exorbitant, and in due time the whole systemic plan will be in operation.

The TECH will be delivered heretofore in vogue is proving excellent. The circulation is spread throughout the entire country, and a number of innovations is doing rapidly and promises to grow.

In the course of the past year, the circulation of THE TECH has grown rapidly and promises to continue growing in the future.

In the case of the circulation of THE TECH, it is spread throughout the entire country. The circulation is increasing rapidly and promises to continue growing.

The need for an Electro-Chemical Society has blossomed. Mr. A. J. Maier were also active in the discussion. The credit for starting the movement belongs to E. M. Custer and Keitho.

The following candidates were appointed to form this committee: Class of 1915, Class of 1916, the Athletic Association, the Electrical Engineering Society, the Academy of Carnival Clubs, and the Architectural Society.

The meeting then heard and discussed the reports of the various activities. The various reports were given by the members of the Finance Committee.

The question of the day will be one of the most important of the year. The afternoon meeting begun three or four more came in. The following candidates were appointed to form this committee:

Inauguration of Club to Take Place Today in Union.

At 1:30 o'clock today in the Union, the Progressive movement in the Institute will be inaugurated by the opening of a meeting, to which all are invited. The meeting will be one of the most important of the Progressive movement this year and a candidate for the office of Secretary of State for this Commonwealth.

The spirit of Progressiveness that is prevailing throughout the country has evidenced itself in our A. F. L. College. By the institution of movements similar to the one inaugurated in the Institute are favorable to the ideals of the new party and some of the President Talbot of the T. C. A. will be in attendance at the meeting.

COMPETITION FOR ADVERTISING MANAGER

The Tech Issues Call to Sophomores to Enter in Contest.

The competition for candidates for Advertising Manager of THE TECH will open tomorrow afternoon at 4 o'clock. F. H. All candidates for the position will meet the General Manager in the upper office of THE TECH. Owing to the success of last year's advertising manager and the promotion of F. Adams to Business Manager, the position is open to any student.

Only Sophomores are eligible to compete for the position, and the one who is best fitted for the job is one who has had business experience of one sort or another, but not particularly in advertising.

This position offers an excellent opportunity to become a very important factor in the management of THE TECH. It also offers a large amount of practical business experience that will be of the greatest assistance in after life.

The competition, which starts to-day, will continue until November 18, at which time the election of the successful competitor will take place. Those unable to be present at the first call for men today will find an opportunity to meet the Business Manager on Saturday at 3 P.M. Electors must be present at work on the days during the period of competition, and thus every Sophomore will have an equal chance to gain the coveted position.

N. E. I. C. A. COURSE.

Meeting Saturday Night Will Decide Start and Finish.

The course for the first annual run of the N. E. I. C. A. will be opened upon Saturday night, when the Executive Committee meet in the B. C. Clubhouse. At the last meeting of the committee it was decided to hold the run on November 18. Several colleges have put in a bid for this race, Holy Cross being especially anxious to secure the meet, with the start and finish at Wheaton Field in Worcestershire. This college has promised the annual football game of Worcester Polytechnic and Holy Cross as a preliminary to the race. Many of the colleges around Boston are interested in favor of using the old I. C. A. A. A. C. course with the start and finish at Wheaton Field in Worcester.

The race will be held, the distance will be between fifty and two miles. The winner will close on October 26, with R. C. Robinson, of Brown, secretary of the association, who

With the meeting of the students of the Massauchussetts Institute of Technology at the beginning of the school year, there will be introduced to the students of the Massachusetts Institute of Technology a new boy, the one who is best fitted for the job.

Eight of Last Year's Team Out For Work at Oval Last Night.

Only eight men showed up for Boston College football practice last night at the Oval. Captain Scully wants all the men who have reported to Manager Frye to come out for work tomorrow afternoon at 4. (Weore, or as soon as after that time as they can. The following men reported at the Union in the Union: Scully, Morse, Herrett, O'Brien, Kelly, McDevitt, Stephenson, Haslam, Jr., Plimpton, Waterman, Frohren, Head, Fund and Pottier. Two new men, Fleming and Winfield, reported at the Oval yesterday. If all these men will show up every day for practice the chances are that the Sophs will again come away with the "power." The work last night consisted of taking and catching punts and a short signal practice. Morse, who played halfback on last year's team, is being tried out as a punter, and Kolheuer, a substitute tackle on last year's squad, is also being used in this line. Philmore was working at the old place at center, with Scully running the guard at quarter. Manager Frye has accepted the services of Tom Ewbank, an old English High man, as coach. A practice scrimmage will probably take place with Cambridge Latin School next Wednesday, to give the team its first tryout so that the coach can get a line on the work of the men. The manager is at work this afternoon on the schedule of games with the neighboring high schools.
