An unusually large crowd is expected to attend the special T. C. A. meeting, to be held at 1:30 o'clock, in the Union. The speaker is the Right Reverend Nathaniel Seymour Thomas, D.D., Bishop of the Episcopal Church for the State of Wyoming. His topic will be: "The Last of the Frontier."

In these days of outdoor life, when nearly everybody is fond of camping, canoeing, swimming, hunting, or some other strenuous form of exercise in the open air, the young men are few and far between who are not attracted by the outdoor experiences of a man who has made good at a strenuous job. Bishop Thomas' everyday life and work are made up, in a large part, of the very things which the experiences of a young man's summer vacation, except, perhaps, the canoeing, for as Wyoming is not very large, the fishing, hunting, goods and large streams are not common.

In addition to the above features, the following are the successful competitions: A. M. Isenberg, '12; J. M. Hastings, '12; P. H. Ludington, '12; C. E. Fitch, '12; T. F. Keenan, '12; B. D. Boardman, '12; and the results.

The lineup:

CHARLES PARKER FISKE, Stage Manager.

Some of the music handed in by these men has already been accepted, while the rest is being held over for completion. Those pieces which are being held must be ready by Wednesday, January 9th, when the men who have already been enrolled will meet at 4:30 P.M. in the Union with their completed music.

Some of the lyrics for which no good music was received, have been sent to Griffin, of New York. The first event on the program was the 30-yard dash, which was run in two heats and finals. All were closely contested, but the second heat had the four men in place of those which were held. In the second place, the last heat was won by New Hampshire State. In the 200-yard dash, a Freshman, Graft, obtained a lead of about 20 yards on the next man, but leaked in the last five laps and only finished third. Benson, who was on scratch, took a steady pace at the start, and maintained it, with occasional sprints, until the last two laps. At that time he had a lead of 40 yards, and the last heat was a straightaway race between the two. The first man was the Freshman and the second was the Sophomore. The Freshman was a second ahead until the last yard, when he was overtaken by the Sophomore. The next was 50 yards behind the first two, and would probably have passed the second were it not for the track being wet and less crowded. However, he was unable to go by, and Benson won by a scant foot.

There were only two entrants in the hurdles race, and Huff was the only winner. Huff also showed speed in the fire-ice race, and was again the winner. Comiskey and E. Smith had a close fight for second place, the latter getting it.

The ten-lap race was very close between Bolt and Bean, although the latter managed to be a second winner. (Continued on Page 3.)

Rev. P. E. Cusick to Speak on Evolution—6 P.M. in Union.

The M. I. T. Catholic Club is to hold an especially interesting meeting on Wednesday, January 15, at 6 o'clock in the Union. An excellent dinner is to be served, after which Rev. P. E. Cusick will address the members present. The subject, "Evolution," may not be a new topic, but that is always of vital interest to a Catholic man. In his lecture there will be ample evidence that there will be a large attendance.

Basketball Team Loses to Fast New Hampshire State Team. Score 55-23.

The Junior basketball team journeyed to Durham, N. H., Saturday evening, and there met defeat at the hands of the fast New Hampshire State College team. The final score was 25 to 23.

The Juniors did not show much speed and were completed outclassed at all stages of the game, the States being led from the beginning, and quickly piled up a large score. After this they were never in danger, although the 1914 men put up a good fight. The score at the end of the first period was: New Hampshire State 33, Tech Juniors 14.

During the second period the New Hampshire team was made up largely of substitutes, and consequently the score was ticked up. The Juniors, however, were unable to do any better, and the final score was: New Hampshire State 55, Tech Juniors 23.

WEEKLY MEET.

Bolton forced his way through and overtook him on the last lap, being able to cut the corners to do so, and ended him out at the finish.

Wilson and MacKinnon were the only ones to enter the high jump, and neither did very well, although after this event was over, Hall, in preparing, cleared five feet seven inches. MacKinnon seemed much below his usual form.

There were only three entries in the shot-put, and none did very well.
