Members of Musical Clubs and Orchestra Must Present
Their Rush Tickets

At a meeting of the management of the musical clubs it was announced that all members of the clubs and the orchestra must present their rush tickets to gain admission to the hall. This action was thought necessary in order to keep the concert and dance strictly limited to members, juniors and the members of the clubs. The rule will be strictly enforced, and any man who does not have his ticket will be absolutely refused admission. As was previously stated the cost will be no tickets sold at the door, so every man who is entitled to go must secure his ticket beforehand.

Special arrangement for the handling of the rush tickets is in process as in previous years no small amount of inconvenience has been caused in this particular. The management has been particularly careful to guard against any possible confusion.

All members of the clubs and of the orchestra are to be at the hall promptly at 7:45 o'clock, Wednesday evening. In order that there shall be no points of order without delay at 8 o'clock. All men who have lunch tickets to turn in are requested to report earlier so that there may be no confusion. The guests are to meet at the Union all this morning to be in the Union all this morning to have their rush tickets stamped.

RUSH TICKETS.

All Sign-Up Slips Must Be Exchanged This Morning.

The Technique Board wishes to call the attention of all those who intend to go into rush this summer that the sign-up slips must be exchanged for rush tickets by 4:30 o'clock. A member of the board will be present for the purpose of exchanging the sign-up cards for the others, of which there are quite a number left, that have not been collected.

FRESHMAN BASEBALL.

Despite the soggy and muddy ground, the freshman baseball candidate put in an afternoon of hard practice at the field yesterday. The feature of the drill was a hitting from behind the plate exercise of Captain Murray. The men worked hard and much improvement was noticeable. The usual batting and fielding practice was also performed. Although the team lost two days practice last week due to the bad weather, the candidates showed up in very fair form.

There are a number of men who prided themselves that the freshman nine was as strong as ever. The drawing was drawn with their features in mind.

I should worry and rattle a misplaced eyebrow.
