IMPORTANT.

DETAILS OF YISH-KA-BIBLE ANNOUNCED

Today's little story is merely a recapitulation of a few of the features of "Yish-Ka-Bible." In the first place remember that the whole entertainment, including the dance that is to follow, is to be entirely informal. This means that the dress suit is to be taboo. It is believed that this arrangement will tend to give everybody a much better evening and will add much to the enjoyment of the occasion.

Not only is the dress to be absolutely informal but the seating arrangement in the hall is to be so likewise. There are no reserved seats. There are, however, reserved sections—one for the faculty and one for the sufferers. The best seats in these sections are one of the remaining places in the room are strictly first come, first served.

Last but not by no means least, the dancing is perfectly informal. There will be no dance orders to complicate things and to put a certain restraint upon the gaiety that is sure to prevail. This is to be just a happy gathering of institute undergraduates where dancing is the form of entertainment provided. There will be plenty of room—remember the fact that both the upstairs and downstairs parts of the Union are to be all the same. The men will have brought their fair friends and what more natural than a big, spontaneous, light fantasy?

The doors of Huntington Hall are to be thrown open at seven-thirty and that they are due for a considerable test is to be expected. This is to be just a happy gathering of institute undergraduates where dancing is the form of entertainment provided. There will be plenty of room—remember the fact that both the upstairs and downstairs parts of the Union are to be the same. The men will have brought their fair friends and what more natural than a big, spontaneous, light fantasy?

SUMMARY:

1916-1917 TRACK MEET (Continued from Page 1.)

straightaways and went ahead to catch Benson. From that time the race was never in doubt. Benson insisted with great five yards behind and took the lead. Sewell and Ober also passed them and finished them right.

The quarter was one mad scramble to finish. Dean took the lead with Erb a close second and finished in the same order. Loomis, who was well back at the start, after a hard struggle to pass the others came in third. The rest of the field was pretty well scattered at five yard intervals.

The half mile proved to be a close contest between Guething, Donnelly and Benson. At the start there was a good field, but these finally dwindled down to the three who scored. Guething took the lead and was followed by Donnelly in second place and Benson third. The men finished in the same order all being closely bunched at the finish.

The high hurdles was all Freshmen. In the dash the Freshmen were badly handicapped by the loss of Ollara. Benson scored first with 40 sec. second and 44th. Sewell scored second with 46th.

SENIORS SLOW IN RETURNING PROOFS

Failure To Return Proofs Handicaps Committee—Time Limit Set.

The photographic work of the Senior Portfolio Committee is still far from completion in spite of the late date on account of the procrastination of many of the men. Although the seniors have responded very well as far as making appointments for sittings, their care in returning the proofs quickly has not been very evident.

The importance of immediately making a selection of the picture desired in the Portfolio and returning the proofs at once, cannot be emphasized too much according to the Committee; this is a factor that determines to a large extent the early or late publication of the Seniors’ Year Book.

As a stimulus to the men it has been decided by the Committee, that if men who have already received their proofs do not return them within a week to the photographer, they will make the choice of the one to go in the book themselves. Moreover, those who have not yet received proofs will be allowed eight days after they get them, in which to return them.

There are still about fifty men who have not yet made appointments for sittings, and for the benefit of these few men there will be a member of the Committee in the Union every noon for the rest of the week. This is, however, the last week in which sittings can be arranged for.

The Committee has been meeting with representatives of printing, engraving and binding firms for the last two weeks and expects by the end of this week to come to a decision in regard to the placing of contracts. After the contracts are made, however, all work will have to be dropped until the proofs are in, and the photographer can finish up his work.

FRESHMAN BASKETBALL

The Freshman Basketball picture will be taken Friday at 11:15 at Notman’s. The following men are expected to report for it: O’Brien, Garman, Cowlin, Kendall, Gobey, Gatke, Rushin, Richardson, Pierce, Ross, Sawyer, Cochran, Lewensgard, Ross, Gray.

HOCKEY TEAM PICTURE

The Hockey Team’s picture will be taken at Notman’s at 11:15 o’clock. Captain MacLeod requests that the following men be present:

Captains: MacLeod, Fletcher, Winton, Sawyer, Cochran, Lewensgard, Ross and Gray.

Purdue’s baseball team will invade the south during the Easter vacation. The first game scheduled is to take place on April 16th with the Georgia School of Technology.

The annual May Day festivities at Ohio State this year will include a rendition of the old Roman and Grecian games.

Music evenings and Sunday afternoons
COMBINED MUSICAL CLUBS HOLD SMOKER

Glee, Banjo and Mandolin Men Will Get Acquainted at Social Meeting.

The Combined Musical Clubs will meet this evening for other purposes than that of rehearsal, a social "get-together" having been arranged for the members of the Unions. The time is seven o'clock rather than half past seven as has been previously announced.

A business session will occupy a short time, at which amendments to the constitution will be submitted, to be voted on at a later date. Although a short joint rehearsal will be held in addition to the business meeting, the gathering is primarily intended to give opportunity for the members of the Clubs to get better acquainted with each other. No particular program has been arranged but a good time is assured if the officers.

YISH-KA-BIBLE

(Continued from Page 1.)

first act on the program the doors will be closed and no one will be allowed to enter during the progress of the act but will be forced to remain in the corridor until its completion. Then will follow five minutes in which to seat the late arrivals after which the doors will be closed and the second act will be allowed to win its way unobstructed into the hearts of the audience. There will be two more numbers, the last one closing promptly in time to allow the audience to get to the Union and start dancing at ten o'clock. The dancing will continue until twelve.

Now aren't you glad you have bought your tickets—you eight hundred who have already been wise enough to realize that to miss "Yish-Ka-Bible" were to miss part of your education at the Institute? Could anything be more attractive than this program which is outlined above? Could anything give more for the money that you have expended?

And you, Mr. Hold Back-Take Your Ticket or tickets? But cheer up—all hope is not lost yet. Yesterday the final hundred tickets that will fill Huntington Hall to its full capacity were put on the market and you still have an opportunity to get into the performance. But you had better not delay. These are positively the last tickets that can be sold and when these are gone there will be no hope of seating more.

Any exchange of white tickets already purchased for blue tickets admitting to both the dance and the vaudeville may be made on payment of an additional quarter any lunch hour the remainder of this week or at the door on the evening of the performance. Likewise tickets from this last hundred may be purchased in the Union from one to two any day this week until the supply is exhausted. If there are any left Saturday night they will be on sale at the door.

1916-1917 TRACK MEET

(Continued from Page 2.)

11, second; Loomis, '16, third. Time 58 sec.
