## YISH-KA-BIBBLE IS BIG SUCCESS

Both Show in Huntington Hall and Dance in Union Draw Big Crowds.

"Yish-Ka-Bibble" arrived. Huntington Hall could not nearly hold the crowd that turned out and the affair was a success in every point; from the moment that the "curtain," consisting of Electrician Hughes' stage lights, went up the interest of the audience never waned. I. B. McDaneil, '15, and K. T. King, '15, "late stars of the Lizzie the Laundress company," started the show with their song and piano act, King putting in a little dance that pleased the crowd.

For the second act G. C. Shedd, '14, and H. O. Whitney, '15, made a big hit with the Argentine Tango and Maxixe. Shedd made a fine woman and the way they danced was enough to make Gaby Deslys and Harry Pilcher green with envy. They would probably be dancing yet if the audience had their way. H. G. Storke, '14, did the piano work.

The summer school minstrel stars, C. A. P. Maguire and J. D. McIntyre, should be on the Keith circuit, according to the opinions of the people who saw their stunt. As blackface comedians they had the crowd laughing from start to finish and five minutes after that. McIntyre, clad in running pants, as the much muddled up student trying to register, and Maguire, as Walter Sumpheys, surely showed up the troubles of a new freshman, with their registration sheet about ten feet long printed on both sides. McIntyre did the Bert Williams poker game in fine style. To satisfy the audience, which would not let them get away, Maguire, carrying his partner as a dummy, did a fake ventriloquist act. The way the dummy wagged his jaws couldn't be beat.

"Harvology," written by Messrs. David Carb and Robert Rogers, was the feature of the entertainment. C. P. Fiske, '14, in his brogans and noisy mackinaw as the Tech man, and H. Worthington as the Harvard

## SENIOR PORTFOLIO

Sign-up slips for the Senior Portfolio are out this morning. The price of each book will be \$5.00 a copy, and a deposit of \$2.00 will be required for each copy ordered. Sign-ups can be made with any of the following men: Calver, Dawson, Dorrance, Duffield, Barratt, Crowell, Fiske, Fox, Guething, Hines, Hiller, Morrill, Morse, Peaslee, Salisbury, Stone, Treat, Todt, Wells, J. M. White and Wilson.

## JUNIORS TO TAKE UP NEW CONSTITUTION

Meeting Today in Huntington Hall Will Consider Report of Committee.

The Junior Class will be the first class to meet to consider the new uniform constitution, printed in Saturday's THE TECH. All third year men are requested to attend the class meeting in Huntington Hall this noon at one o'clock to take up the matter of its adoption.

The committee of the Institute Committee, which has had the matter of a uniform constitution for all the classes under consideration for some time, completed its work last week with the result as printed in Saturday's THE TECH. This is the document which the Institute Committee recommends to the classes to adopt, and which the Juniors will vote upon today.

## JUNIOR PROM

Sign-Ups for Subscriptions Begin Today.

Junior Prom sign-ups begin today for the Juniors and Seniors. From now on there will be a member of the Committee in the Union every day from one to two and from four to five.

The subscriptions this year will be payable in two instalments, one dollar upon signing and five dollars on or before April seventh. They are not transferable. If a man finds after subscribing that he will not be able to attend the Prom, he must notify the Committee, who will give his ticket to the first man on the waiting list. The advance deposit of one dollar will be returned to the original subscriber provided the Committee succeeds in disposing of his subscription.

The following men will have the subscription books, and will take subscriptions from Juniors and Seniors at any time this week: M. B. Dalton, J. B. Franks, C. W. Howlet, J. D. McIntyre, E. E. Place, F. P. Scully, P. M. Werlich.

Columbia and Rutgers were defeated by the Middies at Annapolis Saturday in the gym meet. The Harvard-Brown gym meet at Providence on the same day resulted in a victory for Brown.

Wheeler of Yale expects to duplicate the record of Heffelfinger in winning his "Y" in four sports. The critics expect him to do so before June.

Fourteen men have been dropped from the baseball squad at Tufts. This only leaves twenty-nine.

## HARE AND HOUNDS TO RUN AT WELLESLEY

Country Club Extends Members' Privileges for the Afternoon.

Although the members of the Hare and Hounds Club were deprived of the run scheduled at Newton for last week nothing short of a record breaking blizzard will keep them at home this coming Saturday. The run will take place at Wellesley and the Club has secured the use of the Wellesley Country Club for the occasion.

The officers of this Club have been most obliging and have extended Club privileges to the men on the run. The Club is equipped with adequate hot and cold showers, and locker room for a good squad will be provided. The Club has fine golf links and any of the men who would care to can bring their sticks along

## SENIOR SMOKER

Stupendous Celebration To Take Place Friday.

Who hasn't heard that there's to be a 1914 smoker in the Union on Friday evening? The ground-hogs who claim that distinction are few in number, believe me, Xantippe.

The "doins" of Friday evening are the topic of conversation everywhere about the 'Stute, from the Alumni office in Rogers to the janitor's smoking room at the entrance of Engineering B.

The bunch of talented performers who have been secured for this great and glorious evening would make either B. F. Keith or Marcus Loew puff with pride if he could but afford to have them on his payroll.

And speaking of smokes! When the Lusitania docked last Friday few of the enthusiastic fans who greeted the ball players realized that beneath her hatches there were several thousand cigarettes made in Egypt and imported expressly for the 1914 smoker.

And for those who don't imbibe pills, Well! Well! A certain cigar factory in far-off Cuba has been working overtime of late. Can you guess the reason? If not, come to the smoker and inquire of your more brilliant class mates.

## DESIGN EXHIBIT

A number of drawings made by Professor LeMonnier, while a student at the Ecole des Beaux Arts, are on exhibition in the design room on the fourth floor of Pierce. The exhibition is open to all Tech men.

## MAJOR FRANK H. BRIGGS APPOINTED REFEREE

N. E. I. C. A. A. Has Important Meeting—Games To Start At 3.30.

At a meeting of the Executive and Advisory Committees of the N. E. I. C. A. A. held last Saturday night at 7.30, it was finally decided to hold the Track and Field Championships at the Stadium on May 22 and 23. The committees took into consideration the fact that there will be a base ball game between Harvard and Princeton on the twenty-third and decided that there would really be no interference. Owing to the playing of a lacrosse game on Saturday afternoon at 2.30 the meet will not start until 3.30, but the management feels sure that the events can be run off in two hours and that therefore there need be no fear that the competition will be hindered by darkness.

The executive committee then elected Major Frank H. Briggs for referee. Major Briggs, who is a Tech graduate, is well known in athletic circles and is a member of the B. A. A. Last fall he was the referee at the New England Championship Cross Country Run at Hanover and at all the more important Tech meets he is a prominent figure. He is sincerely interested in the promotion of inter-collegiate sports, as has been shown by his repeated financial contributions to Tech, and as he resides in Boston, he is undoubtedly one of the men best suited for the position of referee.

D. B. Rich, formerly of Dartmouth, has been kind enough to consent to a reappointment to the advisory committee where he was of the greatest assistance during the past year.

Two records were broken at the first annual indoor handicap meet at Dartmouth Saturday

The lacrosse grounds at the Stadium have been raised for the purpose of better drainage.

Where is the '79 banner that should be out in the Union?

## IN CHARGE OF THIS ISSUE.

M. Lewis, '14; H. E. Lobdell, '17  
and J. M. DeBell, '17.

The great success of "Yish-Ka-Bibble" in filling the hall to its full capacity speaks volumes for the effectiveness of the publicity campaign, while the fact that all went away more than satisfied with the entertainment redounds equally to the credit of its organizers and presenters. The presentation, while not by any means without defects, was decidedly enjoyable; at least as good, all things considered, as "Was Ist Los?" last year. We hope this kind of entertainment will be made a permanent institution, taking the place with regard to athletics which Tech Show was organized to fill, but which the latter, by its self-centered development, has to some extent abdicated.

Our attention is called to the fear expressed by some Institute men that the new Monthly will injure THE TECH by taking away its men. We should be the first to object to anything of that nature, but as a matter of fact, up to this time the effect has been quite the reverse, bringing new men out for both publications.

Not only has the Technology Monthly not interfered with nor competed against the older activities, but it has already found occasion to cooperate with THE TECH, Technique, and Tech Show, to the advantage of all concerned in the literary as well as the business department. It has proven itself a valuable integrating factor even before publication.

The weather played havoc with the track plans for Saturday. The Andover-Freshman meet was cancelled and the Hare and Hounds stayed at home, the prospects of sliding in the slush not being pleasant enough to tempt the runners.

The N. E. I. C. A. A. is fortunate in having the services of Major Briggs for the games on May 22 and 23. The Major is well up in the sporting circles and an efficient corps of officials is sure to be on hand.

The phonograph in the gym is quite an idea. It is hard to tell, however, if the Freshmen enjoy it or not, for their faces, as they go through the drill, are not exactly wreathed in smiles.

The Freshmen team would have been without the services of Day, had their meet with Andover gone through. Rumor states that he has been indulging in some new steps and that thus he suffered a sprain. If some opponent of the new dances sees this we shall soon have another argument presented against the tango.

The Hare and Hounds are going to Wellesley next Saturday. Here is an opportunity for some half hearted runner to come out for a jog, stay for supper at the Country Club, then wander over to the adjacent town that is famed for its beauties, both natural and human.

From the crowd at Yish-Ka-Bibble last Saturday night, athletics should be well placed financially, for some time at least, but the student body should remember that teams require moral support at the actual competitions as well. The Spring meet comes April 11.

## ARCHITECTS TO MEET

The Architectural Engineering Society will be addressed tomorrow afternoon, March tenth, at 4 p. m., by Mr. R. D. Emerson of the firm of Codman and Despradelle. The subject has not yet been announced, but the officers of the Society promise an interesting talk. Any students interested are invited to attend.

## TECH MEN ON BOARD

At the recent Brookline town meeting, the Registrar of the Massachusetts Institute of Technology was elected to the school board for the ensuing three years. In December Mr. Humphreys was elected to fill the vacancy caused by the resignation of William H. White, who removed from town. Technology is pretty well represented in this newly elected board, the chairman, Franklin W. Hobbs, being of the class of '89, and Mr. Humphreys '97, while Mrs. Baker is the wife of a Tech man, Charles M. Baker '78. Another member of the board is Homer Albers, lecturer on Business Law at the Institute.

man made "some" lovers. R. H. White, '16, was certainly near perfection as the Back Bay society dame and E. G. Brown, '13, maintained his reputation as a real honest to goodness imitation lady, taking the part of the daughter. W. T. Schaurte, '14, in his red wig as Miss Daily Hearst; A. G. Long, '14, as President Tech, and G. E. Whitwell as President Harvard, showed up well. The parody on the "Curse of a Broken Heart" pleased the men. The entertainment closed with the singing of the Stein Song.

The dance in the Union was the other feature of the night, and until five minutes to twelve the orchestras had scarcely a minute's rest.

The committee in charge of the show was C. P. Fiske, '14, chairman; T. J. Duffield, '14, and G. E. Whitwell, '14. D. L. Hughes, '15, was electrician, W. L. Graves, '15, his assistant, and M. Arrangements have been made whereby manuscripts accepted for publication in the Monthly will be accepted as substitutes for themes in the first and third year courses in the English Department.

The Editors announce that long and short stories and fiction articles are wanted for the next issue. Further information may be obtained from the Assistant Editor-in-Chief, L. E. Best, '15, or by application at THE TECH office.

and take a turn about the links. If any of the men would care to have lunch there before the run or stay for supper afterwards they may be served at the regular price of \$0.50 for the former or \$0.75 for the latter. In such a case they are asked to notify Chase Captain Best, care of THE TECH, before Friday.

As the upper class men will remember, the country about Wellesley is very well suited to the work and a good run is assured. As this is one of the two runs to come before the Freshman-Sophomore Race it will be advisable for every under class man to come out and take in the practice. As usual two squads will be run but it is hoped that a larger number will come out for the slower squad than has been the case for the Hare and Hounds Club wishes it understood that it is primarily an organization for good, healthy exercise, irrespective of the running ability of any who care to come.

If any men are familiar with the country about Wellesley and Wellesley Hills it would be a great advantage if they would come out and lay trail as the Hares.

The wrestling meet between Tech and B. Y. M. C. U. has been postponed until a later date. Next Saturday the team will go down to New Haven where it will meet Yale wrestlers.

### RIFLE TEAM SCORES

Shoots Matches with Norwich and Iowa State College.

The last two indoor matches of the season were shot off Friday against Norwich University and Iowa State College. Indoor practice will continue till weather conditions permit outdoor practice, which will be held at Walnut Hill. New men who wish to shoot outdoors should avail themselves of the remaining indoor practice, for a qualifying score indoors is necessary in order to shoot outdoors. Dunn, with a score of 96, is high man so far in the re-entry match for the pistol prize. If the number of entries is sufficient to warrant it, the number of prizes will be increased. Tech will shoot a dual indoor meet with W. P. I. at the Cadet Armory the latter part of next week. The scores made Friday night by the Tech men were as follows:

Against Norwich University:

Haslam	187
Casselman	184
Dunn	180
McDonald	179
Brandt	178
Total	908

Against Iowa State College:

Casselman	183
