The weather played havoc with the track plans for Saturday. The Andover-Freshman meet was cancelled and the Hare and Hounds stayed at home, the prospects of lighting in the stand not being pleasant enough to tempt the runners.

The N. E. I. C. A. A. is fortunate in having the services of Major Briga for the games on May 22 and 23. The Major is well up in the sporting circles and an efficient corps of officials is sure to be on hand.

The phonograph in the gym is quite an idea. It is hard to tell, however, if the Freshmen enjoy it or not, for their faces, as they go through the drill, are not exactly wreathed in smiles.

The Freshman team would have been without the services of Day, had their meet with Andover gone through. Ramor states that he has been indulging in some new steps and that thus he suffered a sprain. If some present of the new dances sees this we shall soon have another argument presented against the tango.

The Hare and Hounds are going to Wellesley next Saturday. Here is an opportunity for some half-hearted runner to come out for a jog, stay for supper at the Country Club, then wander over to the adjacent town that is famed for its beauty, both natural and human.

The Architectural Engineering Society will be addressed tomorrow afternoon, March tenth, at 4 p. m., by Mr. R. H. Emerson of the firm of Codman and Despreadelle. The subjeot will be well placed financially, for some time at least, but the student body should remember that teams require moral support at the actual competitions as well. The Spring meet comes April 11.

TECH MEN ON BOARD
At the recent Brookline town meeting, the Architectural Engineering Society was elected to the school board for the coming three years. In December Mr. Humphreys was elected to fill the vacancy caused by the resignation of William H. White, who removed from town. Technology is pretty well represented in this newly elected board, the chairman, Franklin W. Hobbs, being of the class of '89, and Mr. Humphreys '90, while Mrs. Baker is the wife of a Tech man, Charles M. Baker '87. Another member of the board is Homer Allen, lecturer on Business Law at the Institute.

Our attention is called to the fear expressed by some Institute men that the new Monthly will injure THE TECH by taking away its men. We should be the first to object to anything of that nature, but as a matter of fact, up to this time the effect has been quite the reverse, bringing new men out for both publications.

Not only has the Technology Monthly been increased with no complaint against the old editors, but it has had a new editor, W. T. Knieszer, '16, Institute Editor, and has been quite the reverse, bringing new men out for both publications.

man made "some" lovers. R. H. White, '16, was certainly near perfection as the Back Bay society dame and E. G. Brown, '13, maintained his reputation as a real honest to goodness imitation lady, taking the part of the daughter. W. T. Schuur, '14, in his red wig as Miss Daily Hearst; A. G. Long, '14, as President Tech; and G. E. Whitwell as President Harvard, showed up well. The parody on the "Curse of a Broken Heart" pleased the news. The entertainment closed with the singing of the Stein Song.

The dance in the Union was the other feature of the night, and was five minutes to twelve the orchestras closed.

TECHNIQUE ELECTRIC COMM.

At the 1916 Technique Electoral Committee meeting held last Friday a committee was elected to conduct a competition for Art Editor and Assistant Art Editors for the 1916 Technique. The members are: T. K. Hines (Chairman), G. Garita, S. Parkinson, and D. R. Webster.

COPY FOR SECOND ISSUE OF MONTHLY

Short Stories and Discussions of General Interest Wanted.

March 20th is the date set for the closing of the forms for the second issue of the Monthly. Up to that time all matter handed in will be considered for publication. Manuscripts must be legibly written or typewritten, on one side of the paper only, and if the author desires his copy returned he must enclose return postage or local address.

Arrangements have been made whereby manuscripts accepted for publication in the Monthly will be accepted as substitutes for themes in the first and third year courses in the English Department.

The Editors announce that long and short stories and fiction articles are wanted for the next issue. Further information may be obtained from the Assistant Editor-In-Chief, L. R. Best, Jr., or by application at the Tech office.

HARE AND HOUNDS
(Continued from Page L)

...and take a turn about the links. If any of the men would care to have lunch there before the run or stay for supper afterwards they may be served at the regular price of $0.50 for the former or $0.75 for the latter. In such a case they are asked to notify Claude Captain Best, care of the Tech office.

As the upper class men will remember, the country about Wellesley and Wellesley Hills it would be a great advantage if they would come out and lay the trail as the Hares.

RIFLE TEAM SCORES

Shoots Matches with Norwich and Iowa State College.

The last two indoor matches of the season were shot off Friday against Norwich University and Iowa State College. Indoor practice will continue until weather conditions permit outdoor practice, which will be held at Walnut Hill. New men who wish to shoot outdoors should avail themselves of the remaining indoor practice, for a qualifying score indoors is necessary in order to shoot outdoors. Dunn, with a score of 96, is high man so far in the re-entry match for the pistol prize. If the number of entries is sufficient to warrant it, the number of prizes will be increased. Tech will shoot a dual indoor meet with W. F. I. at the Copley Armory the latter part of next week. The scores made Friday night by the Tech men were as follows:

Against Norwich University:

Haslam .................. 187
Cardman .................. 184
Sears .................. 180
Boscom .................. 178

Total .................. 908

Against Iowa State College:

Casselman .................. 183
McDonald .................. 183
Haslam .................. 178
Platt .................. 178
Brandt .................. 178

Total .................. 908

SOUTHERN CLUB

The Technology Southern Club will give a dance on Saturday, March 26th, at the Copley Plaza. The committee in charge are A. B. Williams, chairman; J. T. Baker, J. D. McIntyre, and A. A. Steers. Saturday night was chosen particularly for the purpose of avoiding conflicts with mid-week engagements. Dancing will commence at eight and last until twelve.

MEET POSTPONED

The Freshman track meet with Andover was postponed indefinitely last Saturday on account of the inclement weather.
