TECH WRESTLERS ARE CHAMPIONS OF EAST

By Defeating Yale the Team Wins Eastern Intercollegiate Championship.

The Technology wrestling team now possesses the Eastern Intercollegiate Championship. The victory over Yale last Saturday night gave this to Tech, as Yale was conceded the champion of the eastern colleges.

The meet at New Haven was a close and exciting contest, needing Crowell's victory to finally cinch the match for M. I. T. The final score was: Tech, 16; Yale, 13. There was only one fall. Captain Avery of Yale threw Leslie of Tech in 5 minutes and 37 seconds. A fall counted five points and a decision four.

Loo won over a heavier man by showing aggressiveness, combined with a knowledge of the finer points of the game.

Smythe-Martin won from McIntyre, who was several pounds overweight. McIntyre started out with great speed, but soon found that he had met his master, Martin winning by decision.

Treat of Tech started his bout by quickly throwing his man to the mat. In doing so, however, he sprained his left hand severely, rendering it useless. With this handicap he lost a gamely fought decision to Hunter of Yale.

Walters of Tech, in his match with Kelley of Yale, met a much more experienced man, who proved himself to be one of the strongest of the Yale team. After a hard struggle in which the result was always in doubt, the Yale man won on decision.

The bout between Leslie of Tech and Captain Avery of Yale was one of the features of the meet. Captain Avery is probably the most finished wrestler of his weight in intercollegiate ranks. He managed, after a hard struggle, to get a fall from Leslie.

In the heavyweight bout, Crowell of Tech demonstrated his ability to escape from dangerous holds and won from Kohler of Yale by his aggressiveness.

CONCERT TONIGHT

A special car will leave the corner of Causeway and Canal streets near the North Station tonight at 6.30 to carry the members of the combined Musical Clubs to Lynn, where they are to hold a concert in the Classical High School. The manager requests all the men to be on time, as the car will not wait for those who are late.

There will be a special rehearsal of the Glee Club at 4 o'clock today in the Union.

SPRING CONCERT TO BE AT COPLEY-PLAZA

Tickets Will Go On Sale Tomorrow—Only a Limited Number Can Be Obtained.

The Spring Concert and Dance of the Combined Musical Clubs which will open the festivities of Junior week on the night of Wednesday, April 15th, will be held in the ball room of the Copley-Plaza Hotel. Last year a large number of men were unable to secure tickets for the affair, and in order to meet the demand this year the management has decided to engage a larger hall.

The concert will start promptly at eight and will be followed by a dance from ten until two. This year the Clubs are unusually good, and with carefully rehearsed Glee, Banjo and Mandolin numbers and with the added attraction of a dance at the Plaza, the manager claims this Spring Concert should prove the most enjoyable one that any Junior Week crowd has ever attended.

The tickets will be two dollars each, the same price as the tickets last year when the Concert was held at Copley Hall. These tickets will be out tomorrow and may be obtained from any member of the Glee, Banjo or Mandolin Clubs. As it is desired that the number of couples on the floor be limited, only four hundred tickets will go on sale. There are no restrictions on the sale of these tickets, so that there will undoubtedly be a great number of underclass men who will take advantage of this opportunity. For this reason the men going to the Prom should procure tickets as soon as possible.

These preliminary tickets which will go on sale tomorrow can be exchanged for reserved seats any time after April first.

FLETCHER ELECTED

New Hockey Captain Veteran on Team—Prospects Good.

R. L. Fletcher '15 was elected Saturday to lead the hockey team next year. Fletcher has played in the forward line for the last three years, being one of the best players in the squad, and he played a strong game of hockey at Providence, his home town, before coming to the Institute, being one of the best intercollegiate players. He has been prominent in class affairs and was secretary of his class last year. Fletcher is a Sigma Alpha Epsilon man.

Although the past season was a failure in many ways, the fact that the small squad had to get along all year without a paid coach accounted for much of the bad showing. With the veterans and the good new men developed this year, prospects for next season look much better.

RUN AT WELLESLEY A DISTINCT SUCCESS

Harrington '17 Gets Bag—Slow Pace Maintained—Newton This Week.

Last Saturday the Hare and Hounds started the spring season by holding a run over a new course in Wellesley Hills. About twenty men were out and they all enjoyed the exercise for the day was fine and the ground in fair condition.

The run started from the Wellesley Country Club, about twelve minutes' walk from the Wellesley Hills station, where the men had ample locker room accommodation and hot and cold showers. At first the running was on the road that leads past the pumping station and the men were troubled somewhat by the mud. After a quarter of a mile the trail, which was being laid by H. S. Benson, '16, and D. H. Parker, '17, led off sharply to the right but the Hounds went ahead unconcernedly for a hundred yards or so before they realized that something was amiss. After a short halt during which the bunch scouted about for the paper strips, the mistake was found and the squad moved ahead together. Because of the soggy condition of the fields that lie at all low the Hares stuck to the roads mostly except where the land was high enough to give a good footing.

After the squad had covered about three miles they came to Wellesley proper and, turning at the station, came back towards the Hills on the road that goes parallel to the railroad tracks. Throughout the run Captain Cook of the Cross Country team held the men together, going at a very moderate pace so that none had difficulty in keeping up. Whenever the men started to straggle the first part of the squad was reversed and a solid bunch resulted.

About a half mile from the finish the bags were seen hanging from a pole. The squad started to sprint, A. F. Nye, '14, and C. T. Guething, '16, in the lead, but being varsity men they left the bag to W. Harrington, '17, who tried to emulate the famous Kelly of baseball renown by sliding several yards, which gave him several cuts. His capture of the bag entitles him to a free trip on the trip next Saturday, which will probably be to Newton.

About a hundred yards from the clubhouse the men lined up and sprinted for the finish.

The men who ran were: J. Gagnon, '16; H. S. Benson, '16; M. G. Graff, '16; D. H. Parker, '17; P. M. Carrier, '14; F. L. Cook, '15; C. H. Morrill, '12; R. G. Brown, '16; A. F. Nye, '14; J. H. Murdough, '16; E. J. Goldstein, '16; C. W. Lovell, '15; H. W. Lamson, '15; P. A. de Mars, '17; F. E. Peacock, '17; C. A. Holt, '17; C. T. Guething, '16; B. N. Stimets, '16; C. S. Lee, '14.

FRESHMEN WIN CLOSE CONTEST AT LOWELL

Score of 40 to 37 Shows Balance—Relay Race Deciding Event.

The Tech Freshman Track Team won from the Lowell High School Saturday night by the score of 40 to 37. The contest was close all the way, with the relay race as the deciding factor. Through the loss of O'Hara, Curtin, Thompson and Day for Tech, the Lowell team made things unpleasantly interesting for them. The handicap was further increased by the strangeness of the track and the high corners.

The 1917 men performed very creditably and in two events forced the Lowell High men to establish new records for the track. Captain Bowers was the individual star of the meet. His winning of the 1000 yard run was a fine piece of running. Tech, on the other hand, in Erb, Donnelly and Sewell, had performers who placed in more than one event.

In the final heat of the 30 yard dash the contest narrowed down to Libbee and Heathcock for Lowell and Erb and Cady for Tech. Erb won the event with Heathcock second and Cady third. Libbee, Lowell's star man, got a bad start and consequently he was shut out. This put the Freshmen in the lead at the start by a score of 6 to 3.

The 1000 yard run was the feature

Technology spirit has again come into its own! Witness the undergraduate demonstration on the departure of the wrestling team for the Yale meet at New Haven. Fifty-one men by actual count! Surely it's a long cry from "class spirit of two men and an echo," to fifty-one lusty-lunged sons of Technology sending away a winning wrestling team.

But we have other winning teams in this school of ours—teams whose needs are crying for undergraduate support. Tomorrow the track season starts. But a few weeks will intervene before we entertain the Holy Cross runners. And then the New England Intercollegiate. What opportunities! Let us, one and all, back our teams at those games—the first at Tech Field, the latter at the Stadium. And may our Tech cheers reach between Brookline and the Charles on both of these occasions!

Courtesy to guests was conspicuous by its absence in the Union last Saturday while the chess meet with Brown was in progress. Chess is a game which demands quiet and concentrated thought. Knowing that the meet had started, some hilarious children in the Tech Show office started a "scrap iron concert" with a snare-drum, kettle drum, and xylophone, accompanying themselves with vocal selections when the mood seized them. The impression of Technology courtesy which the visiting team will carry back to Brown with them can be better imagined than described.

Ralph Fletcher, '15, is to be congratulated on his election to the captaincy of the hockey team. He has our best wishes for the coming season, which we hope may be more successful than the past one.

The wrestling team can well claim the Eastern Inter-collegiate championship. We have beaten every college that we have met and Yale beat Cornell; Cornell has just beaten Lehigh and the latter lost only to Annapolis. Congratulations!

The Hare and Hounds Club had lots of fun on their trip Saturday. Captain Cook was unanimously dubbed "Doc." The pace was slow enough to allow some talking and all in all it was more exercise than practice.

Although the date of our going to the Field has as yet not been decided the men will start road work from the gym this week.

Waterman of Brown ran a very good 100 yards in one of the Inter-class meets held lately. Running with 15 yards handicap he was clocked in 2:23.

The track meeting to be held this afternoon is very important. Some improvements are being planned in our schedule and a vote is being asked.

The freshmen are showing up well. Donnelly forced his opponent Bowers to the limit in the 1000 yard and Brock ran a good race in the relay.

MR. KEMP TO SPEAK

Wednesday evening at 7.30, Mr. H. D. Kemp, '12, will give an illustrated talk on "Recent Development in Rio de Janeiro," in the Union. Mr. Kemp has recently returned from Brazil, and has with him many photographs which he took while engaged in engineering work in Rio de Janeiro. The Electrical Engineering Society extends a special invitation to those who are leaving the Institute this year and expect to become engaged with any of the large engineering corporations.

CHAUNCEY HALL CLUB

Nominations for the officers of the Chauncey Hall Club are due at the Cage at four o'clock this afternoon addressed to F. J. Wall, Chairman of the Nomination Committee. The officers are President, Vice-President and Secretary-Treasurer, and are to be filled by men from the Classes of 1915 and 1916. These men will hold office for the rest of this year as well as next year. All nominations must be signed by at least five active members.

WRESTLING CHAMPIONS

(Continued from Page 1.)

Captain Kelly of Tech, in his bout with Latimer of Yale, had his hardest fight of the year, for his opponent showed great strength and skill in breaking holds. Kelly, however, by his ability to work the crotch hold effectively, had the better of his opponent and gained a clearcut decision at the end of nine minutes.

During the meet, the sportsmanship and good feeling of the Yale men was at every time apparent. The spectators were quick to applaud a good move, whether made by Yale or Tech.

Summary:

115-pound class: Loo, Tech, won from Segur, Yale, on decision. Time, 9 min. Four points.

125-pound class: Captain Kelly, Tech, won from Latimer, Yale, on decision. Time, 9 min. Four points.

135-pound class: Martin, Tech, won from McIntyre, Yale, on decision. Time, 9 min. Four points.

145-pound class: Hunter, Yale, won from Treat, Tech, on decision. Time, 9 min. Four points.

158-pound class: Kelley, Yale, won from Walters, Tech, on decision. Time, 9 min. Four points.

175-pound class: Captain Avery, Yale, won from Leslie, Tech, by a fall. Time, 5 min., 27 sec. Five points.

Heightweight class: Crowell, Tech, won from Kohler, Yale, on decision. Time, 9 min. Four points.

Referee—Hugh Leonard, N. Y. A. C.
Timekeepers—Cady, Queal and Farr.

COMMUNICATION

"Pardessus tout est l'humainite." Be human! Ever since it has existed, the Cosmopolitan Club has afforded entertainment and amusement to hundreds of Tech men and their friends. Here's your chance to show your appreciation. March twenty-eight is the date. Show some spirit and fill Huntington Hall. Make the new Technology proud of its Cosmo Club, and make the Club proud of its rooms. THE TECH offered a subscription for the rest of the year for fifty cents.

That means forty-seven copies for a half, or twenty-two copies for nothing. So save those forty-four cents and add six and come.

The program is entirely new. International in every respect. Come and see how things are done in foreign lands. And then, how about learning history fifty years before it happens? Come around and see the greatest conference that will ever take place!

Of course the fussers will be taken care of! And there's going to be a novel seating plan. At no entertainment up to the present have the Coeds been properly taken care of. This is a Cosmopolitan affair, and—Well, come and see!

FIRST SIGN-UPS FOR CLASS OF 1917 HOP

The Innovation Will Be Held on Friday of Junior Week At Tuilleries

Definite arrangements have been made for the Freshman HOP, which will be held at the Hotel Tuilleries, Commonwealth Avenue on Friday evening, April seventeenth. The committee will be in the Union at one today to receive the first sign-ups, the total number being limited to seventy-five couples.

The price of the dance is to be four dollars, one of which must be deposited upon signing. Dancing will be held from eight-thirty until two and during this time a supper will be served. The committee in charge consists of Philip E. Hulburd, Chairman, Dudley E. Bell and Paul C. Leonard. They desire to announce that they hold themselves personally responsible for the success of the affair.

DANCING REHEARSALS

This afternoon at 4.15 there will be a dancing rehearsal for the Tech Show, in the Union Dining Room. The first and second anarchists as well as the Pony and Russian ballets are requested to report.

FRESHMAN MEET
(Continued from Page 1.)

of the evening. The starters were pretty well bunched most of the way with Bowers trailing. About the eighth lap he circled the field and took the lead with Donnelly on his heels. On the last lap the Lowell captain let out a spurt and broke the tape about five yards ahead of Donnelly. Brock came in third. The winner's time was 2 min., 35 secs., beating the record for the track by four seconds.

The 600 yard run was also fast. Heathcock won this event for Lowell in 1 min., 29 secs. Donnelly by a driving finish nosed out Bowers for second place. The score after this event was 31 to 23 in favor of the local team, with the high jump, mile run and relay race to come.

Tech took all nine points in the high jump. Sullivan and Gokey were tied for first place with a jump of 5 ft., 6 3-4 in. Doon got third place by leaping 5 ft., 5 1-2 in. This put the 1917 team one point ahead.

The mile run was the second record breaking affair of the meet. Allen for Tech took the lead at the start and set a fast pace. Randall, the Lowell man, kept about five yards behind Allen until the last two laps, when he went out in front. He kept his lead until the finish of the race. His time was 5 min., 4 2-5 secs., bettering the old time by 5 3-5 sec. Berry got third place for Lowell, thus placing the local team in the lead 37 to 35.

The 1200 yard relay race decided the meet. Erb got about a three yard lead on his man and Cady, Tech's second man, held this lead and gave it to Brock. On the second lap Brock's opponent fell on a corner and consequently Donnelly had no trouble keeping his lead over Bowers.

The summary:

30 yard dash—First heat: Won by Libbee of Lowell; second, Cady of Technology. Time—3 4-5 seconds. Second heat: Won by Erb of Technology; second, Heathcote of Lowell. Time—3 4-5 seconds.

Final heat: Won by Erb of Technology; second, Heathcote of Lowell; third, Cady of Technology. Time—3 4-5 seconds.

1000 yard run. Won by Bowers of Lowell; second, Donnelly of Technology; third, Brock of Technology. Time—2 minutes, 35 seconds.

300 yard dash: Won by Delorme of Lowell; second, Erb of Technology; third, Taylor of Lowell. Time—40 seconds.

Shot put: Won by Duval of Lowell; second, Sewell of Technology; third, Seymore of Tech. Distance—38 feet, 8 1-4 inches.

35 yard hurdles—First heat: Won by Libbee of Lowell; second, Cheney of Lowell. Time—5 seconds. Second heat: Won by Sewell of Tech; second, Taylor of Lowell. Time 5 seconds. Final heat: Won by Libbee of Lowell; second, Sewell of Tech; third, Cheney of Lowell. Time—4 4-5 seconds.

600 yard run: Won by Heathcote of Lowell; second, Donnelly of Tech; third, Bowers of Lowell. Time—1 minute, 29 seconds.

TECH SHOW ORCHESTRA
WELL CONDUCTED

Mr. William Howard an Able and Efficient Leader—Violins Are Needed.

Tech men who happen to be in or near the Union on Wednesday afternoons almost invariably spend some time listening to the orchestra rehearsal. Those among them who are familiar with the technique of orchestra music are agreeably surprised at the results which the conductor is achieving this year.

Such results, however, are nothing more than is to be expected from a man with the ability and experience of Mr. William Howard, the leader. Coming originally from Montana, Mr. Howard graduated from the New England Conservatory of Music in 1891, and since that time has made a special study of several different branches of music. He was a pupil of Winternitz, the renowned violin master, and became a player of no mean ability on this instrument. He is a member of the Boston Festival Orchestra. For some time he has been a teacher of ensemble music in the Faelten Pianoforte School.

"MR. WILLIAM HOWARD"

His reputation comes chiefly from his work as a leader in choral societies and as a conductor of large orchestras. He is perhaps best known among Boston musicians as the conductor of the Boston Municipal Concerts. This position he has filled with great satisfaction for the last five years.

Mr. Howard has a good opinion of this year's Tech Show Orchestra. He said recently that to all intents and purposes it was a professional one. He expects it to be even better than those which were so successful in the years when the Tech Orchestra was not an integral part of the annual Show. He is anxious, however, that the stringed instrument section be made as complete as the wind instrument section now is, and that a number of new violin players should report at the rehearsal next Wednesday. Both first and second violins are needed. The management feels that the benefit which they will derive from the work will amply repay them for the time and effort expended.

CHESS TEAM WINS

Defeats Brown in Well Played Match 4 1-2 to 1 1-2.

By a score of four and a half to one and a half, the Tech Chess Team decisively defeated the team from Brown Saturday afternoon in the Union. The victory was well earned, and almost every match produced good playing. Brown is a member of the Triangular Chess League, which is composed of Brown, Cornell and Pennsylvania, and sent up a strong team, which, although defeated, won the admiration of the Tech men by being good losers.

Of the individual matches, the one between Kenigsberg of Tech and Durfee of Brown at the first table, produced the most interest. It was Kenigsberg's first match as first man on the team, and Durfee had the reputation of having lost no games this year. He led off with a Guicco Piano opening, which Kenigsberg successfully defended after a well played match. The only match lost by Tech was the second table, at which Woolley of Brown successfully declined Dean's King's Bishop's Pawn opening.

The Chess Club expects to arrange a simultaneous match within two weeks with Mr. Kennard, who defeated the club last year by the score of eight to four.

The results of the Tech-Brown match follow:

TECH	BROWN
Kenigsberg (b) won from Durfee (w) Guicco Piano	
Dean (w) lost to Wolley (b) King's Bishop's Pawn	
Jones (b) drew with Sperry (w) Ruy Lopez	
Woodbridge (w) won from Protheroe (b) French Defence	
Neumann (b) won from Lucas (w) Ruy Lopez	
Johnston (w) won from Palmer (b) French Defence

PROF. SEDGWICH GIVEN LEAVE OF ABSENCE

Expects To Visit Southern Europe and Attend Anniversary Celebration.

Professor William T. Sedgwick, head of the department of Biology and Public Health, has been given leave of absence for the present term, on account of his recent illness. He will pass the time in Southern Europe, where there are notable zoological and biological stations. He is to be the accredited representative of the Society of Arts, one of the trinity of functions included in the charter of the Institute of Technology at the thirtieth anniversary of the Circolo Matematico of Palermo. The occasion is to be an important one at the great Sicilian University in that city, and it is proposed to celebrate by presenting a gold medal to the founder, Dr. Giovanni B. Guccia—founder of the Circle and since that time editor of the society publications.

FRESHMAN MEET

(Continued from Page 3.)

Running high jump—Gokey and Sullivan of Tech a tie. Height 8 feet, 5-6 inch.

Mile run: Won by Randall of Lowell; second Allen of Tech; third, Berry of Lowell. Time—5 minutes, 42-5 seconds.

1200 yard team race: Won by Tech (Erb, Cady, Brock, Donnelly); second, Lowell (Douglass, Delorme, Heathcote and Bowers). Final score, Technology 40, Lowell 37.

RIFLE TEAM NINTH

Defeated by Princetonians—Dunn High Man With 191.

Reports received from Washington show that at the end of the ninth match of the Intercollegiate Gallery Shooting League, Technology has dropped to ninth place, but is nevertheless leading both Princeton and Harvard. The M. I. T. team has a record of three wins and six losses. The recent match with Princeton was lost by a score of 940 to 919. Dunn was high man for Tech with a score of 191, and was closely seconded by Haslam with a record of 189. Following are the individual scores of the members of the team:

C. T. Dunn	189
G. G. Haslam	189
H. J. McDonald	185
A. E. Tuttle	177
M. F. Brandt	177
Total	919

TRACK MEN TO HOLD IMPORTANT MEETING

Will Inaugurate Season Today in Eng. C—Outdoor Practice.

This afternoon the Track Team will hold two meetings in 8 Eng. C. The first comes at four o'clock and the second at five o'clock. This meeting is to count as regular track practice for the 1917 men, but it is imperative that all men out for track should attend. A number of important questions will be brought up, among them the date of the Spring meet. Both Coach Kanaly and Captain Guething will address the gathering.

The track season at M. I. T. opens this week and will be marked by outdoor work from the Gym. From present indications this season should be a highly successful one if enthusiasm and number of men count for anything, and it is expected that a good beginning will be made at the meeting tomorrow. As this is the official opening of the season, Coach Kanaly wishes all who have track aspirations and who have not as yet signified their desire to enter into the competitions to come out to this meeting without fail.

SOPHOMORE BASEBALL

Schedule of Thirteen Games Arranged.

The candidates for the 1916 baseball team will be called out shortly. Manager Lovejoy has arranged games with some of the fastest high and preparatory schools in New England. Most of last year's team will again be available, and as many new men have signified their intention of coming out, a fast team is expected. A series of three games, for the class championship, will be played with both the Freshmen and Juniors. The season will open April 7 at Tech Field, 1915 being the opponent. The following teams will then be played in order:

April 14—M. I. T. 1915 at Tech Field.
 April 17—M. I. T. 1917 at Tech Field.
 April 23—Dorchester High at Dorchester.
 April 25—M. I. T. 1915 at Tech Field.
 April 29—Powder Point School at Duxbury.
 May 1—Boston English High at Tech Field.
 May 2—M. I. T. 1917 at Tech Field.
 May 9—Boston Latin School at Tech Field.
 May 16—Wellesley High School at Wellesley.
 May 18—Lowell Textile at Lowell.
 May 21—M. I. T. 1917 at Tech Field.
 June 3—Cushing Academy at Ashburnham.
