TECH WRESTLERS ARE CHAMPIONS OF EAST

By Defeating Yale the Team Wins Eastern Intercollegiate Championship.

The Technology wrestling team now possesses the Eastern Intercollegiate Championship. The victory over Yale last Saturday gave this to Tech, as Yale was conceded the champion of the eastern colleges.

The meet at New Haven was a close and exciting contest, needing Crowell's victory actually clinch the match for M. I. T. The meet score was: Tech, 16; Yale, 13. There was only one fall. Captain Avery of Yale threw Libbee of Tech in 5 minutes and 27 seconds. A fall counted five points and a decision four.

In doing so, however, he sprained his left hand severely, rendering it useless. With this handicap he lost a decision the first part of the squad was reversed. Because of the soggy condition of the fields that lie at all low the Hares stuck to the roads mostly except where the land was high enough to give a good footing. About for the paper strips, the mistake was made.

The contest will start promptly at 11 a.m., and will be followed by a dance from ten until two. This year the Clubs are unusually good, and with class affairs and the Glee, Banjo and Mandolin numbers with the added attraction of a dance at the Plaza, manager claims this Spring Concert should prove the most enjoyable one that any Junior Week crowd has ever attended.

The tickets will be two dollars each, the same price as the tickets last year when the Concert was held at Copley Plaza Hotel. Last year a large number of men were unable to secure tickets for the affair, in order to meet the demand this year the management has decided to engage a larger hall.

FLETCHER ELECTED

New Hockey Captain Veteran on Team—Prospects Good.

R. L. Fletcher '25 was elected Saturday to lead the hockey team next year. Fletcher has played in the forefront for the last three years, being one of the best players in the squad, and he played a strong game of hockey at Providence, his home town, coming back towards the Hills on the road that goes parallel to the railroad tracks.

Although the past season was a failure in many ways, the fact that the small squad had to juggle all year without a paid coach accounted for much of their difficulties. The veterans and the good new men developed this year, prospects for next season look much better.

RUN AT WELLESLEY A DISTINCT SUCCESS

Harrington '17 Gets Bag—Slow Pace Maintained—Newton This Week.

Last Saturday the Hare and Hounds started the spring season by holding a run over a new course in Wellesley Hills. About 120 men were out and they all enjoyed the exercise for the day was fine and the track and terrain were under good condition.

The run started from the Wellesley Country Club, about twelve minutes' walk from the Wellesley Hills station, where the men had ample locker room accommodation and hot and cold showers. At first the running was very fast on the road that leads past the pumping station and the men were troubled somewhat by the mud. Afterwards the pace was held steady for about half a mile, and the Hounds went on and on for 30 minutes, and then slowly decreased the pace for about one mile.

The contest was close all the way, with the relay race as the deciding factor. Through the loss of O'Flaherty, Cartin, Thomson and Day for Tech, the Lowell team made things unpleasantly interesting for Tech, on the other hand, in Erb, Den- nelly and Sewell, had performers who placed in more than one event.

In the final heat of the 30 yard dash the contest narrowed down to Libbee and Heathcock for Lowell and Erb and Cady for Tech. It was the event with the Hickock second and Cady third. Libbee, Lowell's star man, got a bad start and consequent- ly was left out. This put the Freshmen in the lead at the start by a score of 6 to 3.

The end of the 1906 yard run was a fine piece of running. Tech, on the other hand, in Erb, Den- nelly and Sewell, had performers who placed in more than one event.

WRESTLING CHAMPIONS
(Continued from Page 1.)

Captain Kelly of Tech, in his bout with Latimer of Yale, had his hopes dashed. Tom showed great strength and skill in his efforts to hold his opponent but was not able to get the man he was trying to control. Tom was able to work the crotch hold effectively, but the better of his opponent gained a clear decision. But Kelly did a good move, whether made by Yale or Tech.

Summary:
115-pound class: Lee, Tech, won from Segar, Yale, on decision. Time, 9 min. Four points.

FRESHMAN MEET (Continued from Page 1)

of the evening. The starters were pretty well bunched most of the way with Howard trailing. About the eighth lap he circled the field and took the lead with Donnelly on his heels. On the last lap the Lowell captain let out a spurt and broke the tape about five yards ahead of Donnelly. Brock came in third. The winner's time was 3 min., 55 sec., beating the record for the track by four seconds.

The 400 yard run was also fast. Heathcock won this event for Lowell in 1 min., 29 sec. Donnelly by a driving finish nosed out friends for second place. The score after this event was 21 to 23 in favor of the local team, with the high jump, mile run and relay race to come.

Tech took all nine points in the high jump. Sullivan and Dokey were tied for first place with a jump of 6 ft., 6 3-4 in. Deen got third place by jumping 6 ft., 3 3-4 in. This put the 1917 team one point ahead.

The mile run was the second res-ult of the meet. Allen for Tech took the lead at the start and set a fast pace. Randall, the Lowell man, kept about five yards behind Allen until the last two laps when he went out in front. He kept his lead until the finish of the race. His time was 6 min., 1 4-5 sec., bettering the old time by 3 4-5 sec. Berry got third place for Lowell, thus placing the local team in the lead 37 to 35.

The 1200 yard relay race decided the meet. BR got about a three yard lead on his man and Cady, Tech's second man, held this lead and gave it to Brock. On the second lap Brock's opponent fell on a corner and it was given to Brock. On the second lap Brock's opponent fell on a corner and consequently Donnelly had no trouble keeping his lead over Bowers.

The summary:
38 yard dash—First heat: Won by Libbee of Lowell; second, Cady of Technology. Time—3 4-5 seconds.
Final heat: Won by Erb of Technology; second, Heathcock of Lowell; third, Brock of Technology. Time—3 4-5 seconds.
200 yard dash: Won by Deen of Lowell; second, Dokey of Technology; third, Brock of Technology. Time—2 minutes, 55 seconds.
300 yard dash: Won by Deen of Lowell; second, Dokey of Technology; third, Taylor of Lowell. Time—49 seconds.
800 yard run: Won by Dokey of Lowell; second, Randall of Technology; third, Brock of Technology. Time—3120.
1000 yard run: Won by Bowers of Lowell; second, Donnelly of Technology; third, Brock of Technology. Time—3 minutes, 25 seconds.
30 yard hurdles—First heat: Won by Libbee of Lowell; second, Cady of Lowell. Time—3 4-5 seconds.

TECH SHOW ORCHESTRA WELL CONDUCTED

Mr. William Howard an Able and Efficient Leader—Violins Are Needed.

Tech men who happen to be in or near the Union on Wednesday afternoon always spend some time listening to the orchestra rehearse. Those among them who are familiar with the technique of orchestra music are agreeably surprised at the results which the conductor is achieving this year.

Such results, however, are nothing more than to be expected from a man with the ability and experience of Mr. William Howard, the leader. Coming originally from Montana, Mr. Howard graduated from the New England Conservatory of Music in 1891, and since that time has made a special study of several different branches of music. He was a pupil of Winternitz, the renowned violin master, and became a player of no mean ability on this instrument. He is a member of the Boston Festival Orchestra. For some time he has been a teacher of ensemble music in the Faelten Pianoforte School.

CHESS TEAM WINS

Defeats Brown in Well Played Match 4½ to 2½.

By a score of four and a half to two and a half, the Tech Chess Team decisively defeated the team from Brown Saturday afternoon in the Union. The victory was well earned, and almost every match produced good play. Brown is a member of the Triangular Chess League, which is composed of Brown, Cornell and Pennsylvania, and an upstart strong team, which, although defeated, won the admiration of the Tech men by going good lines.

Of the individual matches, the one between Kenigsberg of Tech and Durfee of Brown at the first table, produced the most interest. It was Kenigsberg's first match as first man on the team, and Durfee had the reputation of having lost no games this year. He led off with a Guicho Piano opening, which Kenigsberg successfully defended after a well played match. The only match lost by Tech was the second table, at which Woolley of Brown successfully defended Dean's King's Bishop's Pawn opening. The Chess Club expects to arrange a similiar match within two weeks with Mr. Kennard, who defeated the club last year by the score of eight to four.

The results of the Tech-Brown match follow:

TRICK BROWN
Kenigsberg (b) won from Durfee (w) Guicho Piano
Dean (w) lost to Wolley (b) King's Bishop's Pawn
Jones (b) drew with Sperry (w) Roy Lopez
Woodbridge (w) won from Frohmero French Defence
Neumann (b) won from Lucas (w) Roy Lopez
Johnston (w) won from Palmer (b) French Defence

DR. FRANCIS TO SPEAK

Secretary L. Raymond Talbot, of the T. G. O. N. K. has written to the speaker for next Thursday's meeting in the Union. They will be the Rev. Mr. James A. Francis, pastor of the Claremont Street Baptist Church. Dr. Francis will speak on "Ideals."
