M. I. T. Regiment Holds Contest
For High School Cadets—

The interscholastic scholastic drill, a contest which is conducted by the M. I. T. Regiment for high schools in the vicinity of Boston, will be held next Wednesday, at 3 P. M., in the armory. Entries have been received from the high schools of New Bedford, Malden, Lawrence, Medford, Stoneham and Lowell. As these schools usually turn out teams of good drillers an interesting contest is expected, and the winners will probably have to drive hard to get the prize.

The contest consists of drill in the manual of arms. Each school is represented by a team of three men. To the best hand most rapidly and accurately engaged, is presented, and gold and silver medals are awarded to the two men who show greatest individual proficiency.
