

**INSTITUTE COMMITTEE**

By-Laws Governing Committee Ratified After Long Discussion.

A special meeting of the Institute Committee was held this afternoon at 4.15 o’clock. This meeting was called to consider the by-laws governing the Institute Committee, and after a very thorough and lengthy discussion the by-laws were accepted and ratified.

The By-Laws were seconded and passed, that copies of the Constitution of the M. I. T. Undergraduate Association to be printed, and that the Constitution of the Institute Committee in the copy of "Concerning M. I. T." sent to the incoming Freshmen. Eddie Germain, Chairman of the Committee, was called to order yesterday afternoon at 4.15 o’clock, for there is one eight-oared shell, five strokes at an oar for a little exercise are everyone who comes out a chance. Coach Stevens would like to see some more swains; Lamson, bow; Tyler, 2; McMillan, 3; Duff, 4; Affel, 5; Milumford, 6; Sifton, 7; Bousquet, stroke; Forsyth, coxswain; Basin. The first boat was made up of; Forsyth, coxswain; Gardeter, ss.; Gardeter, coxswain; Twenty were submitted by the committee:

1. Every student of the Massachusetts Institute of Technology undergraduate is like his team-mates say. It is what Technology undergraduate is like.
2. A means of raising funds to start the Society.
3. The sale of the Co-op. tickets, and receipt of the amount.
4. ''M. I. T." sent to the incoming Freshmen.

**BIOLOGICAL MEETING.**

The Biological Society listened to a lecture yesterday afternoon delivered by Mr. Andrew Kurr, on the subject: "The Structure of the Weather Coefficient." Mr. Kurr gave many interesting details of the work of meteorologists, the instruments which are used in the work, and the general conception of the weather. The discussion was of the greatest interest, and it was evident that the audience was interested in the subject.

**FRESHMAN BASEBALL.**

The Freshman baseball team will play the Harvard varsity team at the Harvard Stadium this afternoon, at the old American League grounds on University Avenue. All the members of the team are to attend the game. In the Harvard Stadium. Manager Woolen announced that many new men have been added to the team this year. The games will be played in the Division of the Union from 10 to 11 o'clock this morning.

**JUNIOR BASEBALL.**

Game With Cambridge Latin High This Afternoon.

Today, at 2 o'clock, the 1914 baseball team will play Cambridge Latin High. The game promises to be an exciting one. The game will be held at the Old Harvard Stadium. The Harvard Stadium is located on the second floor of the Union. The weather is fine, and the sun is shining. The players are expected to be served during the afternoon.

**MECHANICS HEAR INTERESTING TALK.**

Mr. Charles T. Main Speaks on the Pacific Mills at Lawrence.

At 4.10 yesterday afternoon, the Mechanical Engineering Society was addressed by Mr. Charles T. Main, a graduate of the Institute with the class of 76. The subject of Mr. Main’s talk was: "The New Power Plant of Pacific Mills, Lawrence, and it was illustrated with a large number of slides of the plant and photographs of the mills and power station.

Mr. Main began his talk by reading a very complete account of the investigations carried on by the engineers before the plant was designed. The Pacific Mills, twelve years ago, were the largest textile mills in the country, and at the rate at which they were working it became evident that new plans would have to be made for a greater output of power. For this purpose the new plant was designed, with a large number of machines necessary to take care of the growing business. In 1906 the management bought a large amount of land situated 800 feet from the mills, and on this land it was planned to erect a central power station.

"We are here to consider the plants."

(Closed to Page 2, Col. 1.)

**PLANNED AT MEETING LAST NIGHT.**

CHANCEY HALL CLUB.

Annual Smoker to Be Held This Evening at the Union.

The Chancy Hall Club will have its annual smoker to be held this evening at the Union. There will be a large number of members of the Union looking forward to a very delightful evening, as this is the best opportunity they have to get together and have a good, good time. The best of the best is waiting for them.

**BAMBOO IN M.E. LAB.**

Use in Thesis.

The Bamboo growing in the M.E. Lab. is in good condition and will have the advantage of the sun shining on it. It will run a race. Some of the plants may be out of it, and there will be a large number of contestants in the race.

Mr. Charles T. Main began his talk yesterday afternoon.

**WEATHER.**

Forecast for Boston and vicinity: Saturday: Fine; light variable winds.

**CALANDER.**

Saturday, May 3, 1913.

THE PRIZE OFFERED BY
MAJOR COLE AWARDED

Carr, '16, Receives Five Dollars
Offered on Freshman
"The Tech."

The prize of five dollars, offered by Major Cole for the Freshman who has shown the most material aid to THECH during the year, was awarded at the Managing Board meeting yesterday to Jasper Hunchard Carr, '16, Athletic Editor of the paper. Carr has had the paper in hand the beginning of the school year, and during the time it has been running from the position of "hustler" to the one he holds at the present time.

The prize was offered by the Major on December 7, 1912, with the express purpose of encouraging men to come out for the paper and to work when they did come out. It has done a great deal toward heartening the work-er on the paper and has added a stimulus of competition which has proved beneficial.

CO-OPERATIVE SOCIETY.

sets Institute of Technology shall be a member of this society. A single tax of one dollar will be put on the term bill of every student; this tax shall entitle him to all the privileges of the society.

3. All other affliates of the Institute may become members of this society on payment of the one-dollar membership fee.

4. The officers of the society shall be President, Vice-President, Secretary and Treasurer. These four men shall be elected at large from the two upper classes; the other three shall be elected from the lower classes.

5. The board of directors shall be established by the society at some central location within the present site of the Institute. These directors shall be elected from the membership of the society.

6. The funds for the establishment of this store shall be advanced by the corporation with the incoming membership fees as security.

7. Expenditure of maintenance for the first year shall be met by selling goods at 15 per cent. advance above cost.

8. The Board of Directors shall subject a merchant to this store; said merchant to be responsible for and have control over the routine management of the store.

9. The affiliated tradesmen list will be expanded on the present system.

10. The present scholarship funds shall be used to pay for the store and any surplus which may be generated shall be returned to the scholarship funds.

11. The Board of Directors shall be responsible for the running expenses of the store.

12. The officers of the society shall be subject to the approval of the Board of Directors.

OPPOSITE YOUNG'S HOTEL
NEW MILITARY CAMP SCHEME IN PROGRESS

Secretary of War Announces Plan for Betterment of Personnel.

In order to increase the present inadequate personnel of the trained military reserve of the United States by a class of men from whom, in time of a national emergency, a large proportion of the commissioned officers will probably be drawn, the Secretary of War has decided to hold two experimental military camps of instruction for students of educational institutions during the coming summer vacation period. Should these camps prove a success it is intended to hold annually, one in each of the four sections of the country.

The plan, in brief, is as follows:

(1) All students over 17 years of age and physically qualified volunteering for this instruction, and who are properly recommended by the officer detailed as military instructor at the institution, or the president of the same, where no such officer is detailed, be allowed to participate in the camp of instruction under the following provisions:

(a) That their attendance at the camp will be for the entire period, unexcused by actual necessity to leave before that time.

(b) That they will render their best service during this period according to the rules and regulations of military discipline, the commanding officer having authority to discontinue their attendance upon violation thereof.

(c) That the expenses of transportation to and from camp, cost of uniform, and 2 pair of breeches.

(Continued from Page 1, Col. 4.)

M. E. SOCIETY TALK.

(Continued from Page 1, Col. 4.)

when Mr. Main had finished his talk he gave a vote of thanks to the large audience that had shown such a great interest in the lecture. Mr. Main gave a number of views showing the method of driving pile work. He also described the construction of the buildings themselves, the speaker showing the entire power plant and several views of the mills. When Mr. Main had finished his talk he was given a vote of thanks by the large assembly present for the interesting lecture which he had delivered. By way of conclusion to the meeting Chairman Treat announced that there would be a talk on next Monday, at 4.15, in Engineering Hall, by Mr. Reynolds, on "The Problems Arising in the Design of a Mill," to which all men interested are invited.
The Sophomore baseball team will meet Tufts's second team at the Tufts athletic park this afternoon. This is the fifth game of the season for the Sophomores, who have been out of four of their previous contests. Judging by the showing of the two teams thus far each looks as if the Sophs would be victorious in this afternoon's game. Tufts' newly string men have met with defeat twice this season, and this, coupled with the fact that they were beaten by the 1916 nine last season, makes the prospects for victory for the Sophs exceedingly hopeful.

The lineup for this season is as follows: Marpison and Hall, c.; Parsons, Plce and Scors, p.; Baker, 1st base; Place, 2nd; Caffrey, ss.; Prants, 3rd; Morse, if.; Spencer and McIntyre, cf.; Thomas and Holway, rf. Manager Thomas wishes all men to be at the Union at 3:30 sharp, as an early start is desired.

CO-OPERATIVE SOCIETY.
(Continued from Page 1, Col. 1.)
organize and start the society. The matter will be investigated by the Institute Committee and will soon be submitted to a vote of the student body.

NEW MILITARY PLAN.
(Continued from Page 3, Col. 1.)
ghiel, hat, legging, O. D. shirt (about $1.40 per man) and miscellaneous (about $1.75 per week) will be borne by the student, same to be deposited in advance.
(6) That the government will furnish, at cost, shoes to be turned in upon completion of camp, the following: cots, blankets, mosquito bars.
