THESES ARE DUE.
TUESDAY, MAY 27, AT 5 P. M.

It is in no way easy to delay important part of your last year at school.

Plan to finish your first writing at least two weeks ahead, so that the final form, which is the large factor in the effectiveness of all work, may be well done.

If you wish to have it typed, request it promptly. Preliminary work is delayed.

Gentlemen:
In view of his continuance of active participation the grant to wear a "T" with a star could be revoked on vote of the M. I. T. A. A., confirmed by vote of the Advisory Council.

In a general way, the proposed scheme amounts to the awarding of a special insignia to winners in N. E. I. C. A. A. or in I. C. A. A. A. events, with the right of revocation of the superior distinction for cause shown, as for example, neglect to continue in athletic activities in which a "starred T" was worn, or similar cause, without some such valid excuse as inability due to illness. In case the proposed distinguishing insignia is adopted and confirmed, the same may be awarded this year to winners of places in the coming meets of the N. E. I. C. A. A. and of the I. C. A. A. A.
