Winchester's best man and he may none out French, but it is improbable. Both McLeod and Keld should score before Inman of W. P. I. Lamason should win the pole vault, with Comens and Gorman of Worcester second and third. In the high jump the fight for first will be between Hall and Burgess of W. P. I., and it is hard to pick the winner. The shot put will be very close between McLeod and Browe of Worcester.

We all have, of the petty sala ran who lost all interest when we stated the price we wanted, or could afford, to pay and this didn't meet with his exalted ideas. We don't employ snobs of this kind. Or any other kind.

The same courteous service I rendered in the showing of our $25.00 suit as in that of twice this sum. That $25.00 suit will be a pleasant surprise to you if you are not acquainted with it.

We make a specialty of it, are immensely proud of it, and guarantee its value in every detail.

You don't have to buy; we won't bore you, but it will pay you to see what we offer at this price.
