MUSICAL CLUBS ISSUE CALL FOR CANDIDATES

When the large body of freshmen gathered in the dining room of the Union came out, the boisterous part of the evening's entertainment just began. Three men all formed a line, four in a rank, and marched over to Rogers steps, yelling to their heart's content. The marshalling of the men was very well looked after by several Junior adorers, and when the "steps" were reached the fellows all united in giving a tremendous cheer. All the regular M. I. T. yellers were given lustily, and when it came to the steps all others were left in the background, and not more fully advised of their privileges as the regular members. The Sophomore class will receive the attention it deserves will be determined by the. same excursions and lecture courses they have attended. The constitution of the Society provides that the Sophomores are entitled to associate membership. This only limits them in voting and obtaining shingles. They are entitled to the same excursions and lecture courses of the Ear men members. The dues for associate membership are the same as full membership, fifty cents in term. Whether or not the Sophomore class will receive the attention it deserves will be determined by the number present at the Sophomore classes.

Pottery Importation

The pottery imported into the United States in 1912 was valued at $9,555,530, but the domestic production, according to the United States Bureau of Foreign and Domestic Commerce, valued at $25,504,464. The exports were valued at $9,955,250.

Freshman Parade A Huge Success

LARGE CROWD ATTENDS DINNER TO FRESHMEN

The dinner given to the Class of 1917 by the Sophomore Tug-of-War team had a large body of Freshmen in attendance, and the Union brought out class spirit and Tech spirit in a wonderful way. The attendance was vastly larger than last year. The speakers were well chosen to present an interestingly different points of view. All the Freshmen were present. SECRETARY TALBOT OF T. C. A. REAPPOINTED

Mr. Frederic H. Blair Receives Appointment As Assistant to Secretary.

During the latter part of the previous week several appointments were made that will be of interest to Tech men at large, and especially to those connected with the Methodist Christian Association. The first of these was the reappointment of Mr. L. Raymond Talbot to the position of General Secretary of the T. C. A. Mr. Talbot resigned his position at the end of last year, and the administration of the Institute in making the reappointment will be heartily welcomed by all the men who have come into contact with the General Secretary.

Mr. Talbot, however, will be at the Institute on part time only. The remainder of his duties at Boston University, where he holds the position of instructor in French, will be performed in person.

It has been found necessary to establish a new office in the T. C. A. The new appointment is that of Mr. Frederick H. Blair, who received the appointment last week. Mr. Blair comes from the middle west, and is a graduate of the University of Minnesota, a member of the class of 1911. He began his course at the University of Wisconsin, but after pursuing that course for two years he made a change to the academic department and graduated with the degree of A.B.

After leaving the state university, Mr. Blair took up T. M. C. A. work for one year, and for that year held the position of General Secretary of the Christian Association at Denver University, Colorado. In the following year he returned to his own university, holding a similar position. Mr. Blair will be at the Institute full time. He will take charge of the general office work, and will continue the work of the Association in its different phases. He has been attending the Theological School.

The regular office hours of the Secretary and his assistant have not yet been arranged, but will be announced as soon as possible.

SENIOR NOMINATIONS

All Papers Due at Cage Next Saturday.

Nominations for the class of 1914 are now open and the papers will be due at the Cage on Oct. 11. The offices to be filled are President, Vice-President, Treasurer, and two members of the Executive Committee. The nomination papers will be due at the Cage on Oct. 11. It is hoped that there will be at least three nominations for each office. The nomination papers are to be left at the Cage for the T. C. A. Committee, which consists of Thomas W. Allison, R. E. Talbot, and H. W. Minns. The ballots for the election will be on Oct. 14 and the polls will close Oct. 1.

Some parade Saturday, Freshmen.

THE TECH

Entered as second-class matter, Sept. 23, 1894, at Boston, Mass., under the act of Congress of March 3, 1879.

Published daily, except Sunday, during the summer months by students of the Massachusetts Institute of Technology.

Sophomore Candidates

NEEDED FOR RELAY

Practice at the Field in Full Swing. Handicapped by lack of practice at the field in full swing. Although the formal call for candidates for the 1916 relay team has not yet been issued, about ten men are already training for the track. The team will be put together by the end of the fall season. The best boys from each class will be chosen to make up the relay team. The boys are enthusiastic about the prospects of winning the relay race.

DISSERT TO FRESHMEN

(Continued from Page 3.)

The Butte, B. O., Editor in Chief of the Technology Review, spoke next at the refreshings of students. He told of the Tech spirit shared by alumni and undergraduates alike. Very close relations exist here between the classes and the alumni. New men are welcomed as brothers and treated as men. As an example of the interest of the alumni he told of the establishment of a fund for the benefit of the Walker memorial and student center at the New Technology. He praised the spirit of co-operation and said that the opportunities offered by the school were better than all the men of all kinds in writing the book, the lyrics and the music and in the acting and business work. The sketched the different duties of men connected with the Show, and announced the Commencement dinner which will be held on April 28th.

Don't forget the address! We make a special effort to win the esteem of Tech men.
