LATIN-AMERICANS TO HAVE DINNER

Business And Entertainment At The Hotel Westminster Monday.

The Constitutional Committee of the Latin-American Club announces that arrangements have been made for a meeting at which the more permanent organization to which the Club has been looking forward can at last be effected. This meeting will be held on next Monday evening, and as this will be the first real meeting to be held under the new form of organization, the Committee hopes that it will be unusually well attended. It has been felt that some fellows who have been staying away from meetings on account of lack of time, and in order that this difficulty may be avoided in this case, everything will be done with as much expedition as is possible. The meeting will be held at the Westminster Hotel, and will be preceded at 6 o'clock by a dinner. Tickets to the dinner will be obtainable from any member of the Committee. Afterward will follow an entertainment by some of the Club's own members, after-dinner speeches being omitted, and the main business of the evening will be taken up. The Committee wish it understood that this is primarily a business meeting, the dinner being solely for the purpose of getting the fellows together a little earlier than would otherwise be possible.

At the business meeting proper the new constitution on which the Comm.

FRSHEMAN BASKETBALL

Game at North Ablington To Be Played Tonight.

Manager Russell of the Freshman Basketball Team wishes to deny the rumor that the team will not play its scheduled game with the North Ablington Y. M. C. A. this evening. He admits that the team is seriously crippled, that the tickets for its game are small, but the game, he says, will be played just the same. The center has been in bed all week, and one of the backs is out as the result of injuries sustained while playing with an outside team.

The manager wishes also to answer the criticisms which have been aimed at the Freshman schedule for the coming season. It has been asserted that the schedule is far too heavy for new men to carry, but, according to the manager, the fact that the men were not elected to the Institute was taken into consideration in the getting of games. He begs to point out that the mid-week games are with teams within a five-mile radius of Boston, all of the longer trips being arranged on the weekends. In regard to the designation of the Freshman as the "support" team, the manager wishes to remind the student body that "the proof of the pudding is in the eating".

Edwad Goodell '15 at once. Further announcements will be made in subsequent issues of THE TECH. Many freshmen have signified their intention of coming out for the team, but on account of a rumor that is circulating in the class, to the effect that there are only three positions open to new men, some appear to be discouraged. There is a lot of good material in the class, and all of these will probably not make the team; but of those who are unfortunate in that respect, a Freshman team is to be organized, and it is expected that this Freshman team will secure financial support of the class.

Of the men in the class who have been talked of for the team, a few have been rather prominent in preparatory school hockey. "Kid" Cochran of Melrose Highlands has had experience as forward on the crack Melrose team which cleaned up everything in the state and won the championship of New England.

HOCKEY SEASON AT TECHNOLOGY TO OPEN

New Material Plentiful—Season To Open Next Week At Arena.

Failure of the management of the Institute Hockey Team to reach a definite agreement with the management of the Boston Arena has delayed the start of the Active hockey season. Today an agreement will be reached in consequence of which the men will be on the ice Monday or Tuesday next. The manager announces that as yet no team has been picked and there is a chance for all men who wish to try out. Those who intend to come out should be prepared to come out on the first call. So that no time will be lost when the season is once under way, candidate dates are advised to have their material ready for the first call.

Any new men or those who need any new material are advised to see:

JOINT CONCERT PROVES TO BE GREAT SUCCESS

Wesleyan Glee Club Makes Special Hit—Technology Banjo Club Excels.

More than an average crowd greeted the Combined Musical Clubs of Wesleyan and Technology last night at their first joint concert in four years. The hall was appropriately decorated with three Wesleyan banners and a large Technology banner extended over all. The members of the Wesleyan Club were red and white cypress mumus.

Both choirs were encored many times, and what proved to be the highlight of the evening was a musical farce by the Wesleyan Glee Club. "The Twelve of '61" by the Technology Combined Clubs, was easily a second choice for feature of the evening. An innovation was presented in including violins in the Wesleyan Mandolin Clubs. The management of the Tech-

FIELD TO BE CLOSED

Major Briggs has sent for publication in THE TECH the statement that the field will be closed for the season on Wednesday, December 3. All men who have clothing or other articles in the Field should remove them before that time, or else they will be confiscated. Every year there is a large amount of clothing and athletic gear which appears lost by not calling for it by the date set for confiscation, and it is hoped that this year the men will see that all such material is removed.

WEATHER

Fae Boston and vicinity: Unsettled, probably occasional rain today; moderate easterly winds.

HURLBURT ELECTED PRESIDENT OF FRESHMAN PRESIDENT

Leonard, Treasurer—Dunham, Vice-President—Tourtellotte, Secretary.

P. E. Hurlburt, the temporary chairmen of the Freshman class, was elected president yesterday by a plurality of 13 votes over Winton, the nearest man, the vote being 52 to 39, with 36 for Stevens. Hurlburt comes from Exeter, and ran on the 1912 re-

AP. Dunham was made vice-president. He is an Andover man and was on the Freshman football team. N. E. Tourtellotte, also from Exeter, won out on the choice for secretary, pulling a clear majority of 49 and a plurality of 33. He was on the tug-of-war team. P. C. Leonard, the temporary chairman called the largest vote, getting 103, and winning the treasurer's position by 74 votes. He prepared at Channeny Hall. G. D. Spear was elected clerk and E. W. Curtin and R. H. Wood were made executive committee. Curtin comes from Channeny Hall and Hardwick from Exeter.

The Institute Committee was the closest of the elections, D. E. Bell and L. E. Wyman winning out, the latter by one vote over C. M. Angell. A. P. Farnsworth and H. L. Wood will represent the class on the M. I. T. A. Farnsworth was capi-

tals of the Freshman football team and Wood manager of the tug-of-war team.
"TRISTAN AND ISOLDE" MONDAY NIGHT

"Mona Vanna" To Be Given For First Time in America Next Friday.

The second week of the Boston Opera season, which was so brilliantly launched last Monday night, will be repeated three of the marked successes of the first week, besides presenting two new numbers.

The most important event of the first part of the season will come when Dvorak's "Mona Vanna" is given its American premiere, on Fri., Dec. 5th. The libretto for the opera was made by Maeterlinck from his famous play of the same name. The play was first produced in 1902 and was one of the greatest successes of the modern French stage, earning 300,000 francs for the author in its first seven years. The first performance of the opera was given in January, 1909, for the benefit of the Mexican earthquake sufferers.

The story on which the action is based is dramatic in the extreme, and lends itself admirably to musical treatment. The scene is in the 15th century, bejegled by a Florentine army.

The first American presentation of this opera by the Boston Opera Company will be notable not only for the superb mounting which will be given by General Stage Director Urban, but also for the fact that the principal male roles will be taken by the principal of the roles at the Paris premiere—Lucien Muratore and Van- ni Marcoux. The title role will be sung by Mary Garden, who has become identified with it in Paris. Other roles will fall to Mmes. Swartz-Morse and M. Paolo Ludikar, Louis Dero, Alain Grand, and Taddio Tannillo.\n
The complete schedule for the week includes a repetition of "Tristan and Isolde" on Wednesday evening, presented by the same cast as that of the preceding Saturday, with the exception of Kurnewil, who will be sung by Pasquale Amato of the Metropolitan Company. Wednesday evening "The Jewels of the Madonna" will be repeated, with the same cast as the opening night. Friday, Dec. 5th, the premiere of "Mona Vanna"; and "Flaut" will be repeated at the Saturday night. Saturday night, "La Traviata" will be sung with Evelyn Perot and Vincenzo Tanaglino in the principal roles.

The first of the Sunday concerts will be given on Nov. 30th. The artists who are to render the splendid program are: Moens, Elizabeth Ammon and J.ka Swartz-Morse, and M. Vanni Marcoux and Vincenzo Tanaglino. The full opera orchestra will also assist in the program.

Calender Committee

We are pleased to note that provision has been made for a Calender Committee for the THEC. The THEC had occasion some time ago to call attention to a conflict of dates involved in the calendar theme, which, as we remarked at the time, might easily have been prevented by a Calender Committee. We note, therefore, that the little row of calendar cards will soon reappear in the Union.

WRESTLING MEETS

Partial Schedule Arranged—Work-outs Each Afternoon.

With prospects for an excellent schedule of meets the wrestling team is undergoing a work-out each afternoon at the Gym. A number of the men from last year are teaching the new candidates the holds and thus greatly helping the coaches who are unable to be present every day. The first meet will probably be with An- dover. The present schedule also in- cludes matches with Yale, and Harvard, and every effort is being made to ar- range one at Boston. The manage- ment is at present in communication with Brown and Harvard and a de- finitive list of the dates will be an- nounced in a future issue of THE TECH.

There will be no meet with the Cambridge Gym as several of its men have been injured. Last year Technology won its entire slate and Captain Kelly feels that this record will be duplicated.

LYRIC COMPETITION

More Candidates For Writing Lyrics Out Yesterday.

Stage Manager Hughes of the Tech Show held his second meeting with the men desirous of writing lyrics for the Tech Show. This meeting was held for those men who were not able to get out to the first meeting Wednesday. About ten more came out. Mr. Hughes outlined the situation for the desired lyrics and the nature of the songs required. He asked that the men be given its American premiere, oil Fri-

CROSS-COUNTRY RUNS
ANNUAL HANDICAP TODAY

Hare And Hounds Club To Run At
Wakefield Today—
Cups Offered.

This afternoon the annual handi-
cap run of the Hare and Hounds Club
will be held over the course at Wake-
field. Three silver cups are offered as
prizes at this event, one for each of
the first two men to finish, and one
for the man making the fastest time.
Besides this, the first ten men to
cross the line will receive their "CTc".
The Varity men will start at scratch
and the handicaps for new men will
be announced just before the start.

With the cool weather at hand, some
good time will undoubtedly be made.

Coach Kanaly hopes to see a num-
ber of new men out for this run, as
it offers a very good opportunity for
new men to comp out into the cross-
country country '15, and Woodbridge '16.
The main business considered was
the arrangement of matches with oth-
er colleges and the question of setting
a rating for the members of the club.
The other colleges considered were
Brown, Harvard, Yale, and Colby.

It was voted that a challenge be
made to Brown for a match within
about two weeks. The match will be
held at Providence, and the trip will
be taken by six men. Attempts will
be made to get matches with Harvard
at Tech and with Yale at New Ha-
ven. Harvard defeated the Tech
team in a close match earlier in the
season. After the Christmas vaca-
ton a match will probably take place
with the Alumni, and in the spring
there will be taken on. The difficulty
of arranging a chess schedule is great,
because other colleges usually send
their chess teams on trips only when
other teams are making trips to some
place in the vicinity; so that it is im-
possible to announce a definite
schedule for the Institute's players.

The rating of the Club members
will soon be made up on the basis of
the evidence which has been furnished
by the tournaments. This will be done
in order that each man may under-
stand his relation to every other man,
and that representatives of the Club
against other organizations. The
rating will be definitely announced
as soon as possible, and a selection of
men made to face Brown.

The Club members took pleasure in
welcoming an old member, Mr. Nor-
wood, who is now an instructor in the
University of Vermont. Norwood
played matches with several of the
men, and spent a social afternoon.

EDITORIAL CONTEST
Pi Delta Epsilon Committee An-
nounces Subjects.

As announced in a previous issue of THE TECH, the Pi Delta Epsilon
Editorial Fraternity is holding a con-
test open to all men in the Institute,
except those regularly on the staff of
the paper.

The subjects for the editorials due
this next week are as follows—

Tuesday, December 2, 1913—Sub-
ject Optional.

Friday, December 5, 1913—Subject
Christmas for Tech Men.

The general rules governing the con-
test are printed below.

1. All editorials must have a name, class and address of the writer on
each page.

2. Each editorial must be addressed
to Pi Delta Epsilon Contest Commit-
tee, and left at the Cage or the Upper
Office of THE TECH by 5 o’clock
of the day on which it is due.

3. Each contestant must have writ-
ten at least seventy-five per cent of the subjects to qualify, and more
credit will be allowed the contestants
who write on all subjects.

4. Contestants shall use their own
judgment as to the style and way of
handling each subject, but shall refer
to the editorial columns of THE TECH
for the proper length.

5. Two subjects will be given out
weekly during the first period of the
contest, the first of which will be due
on Tuesdays, and the second on Fri-
days. The subject for the editorial
due on Tuesday will be published Sat-
urday, and the second on Wednesday.

6. The information on which the
editorials are based may be obtained
from the following:

7. The manuscript of the editorials
must be neat and present a good ap-
pearance.
