Walker Memorial Committee Makes Suggestions for the New Institute.

The last meeting of the Institute Committee was held yesterday afternoon. Vice-president Scully presided. Reports were received from the Finance, Point System, and Walker Memorial Committees. The latter presented a tentative program of space allotments for various activities. It was suggested that the Walker Memorial Building and the dining room be separated, but connected by an enclosed passageway. Recommendation was made that the athletic field at the new site be placed so that the ground can be used for buildings if the future growth of the Institute makes this necessary. This report was approved by the Institute Committee.

The election of C. Roger Lord as General Manager of Tech Show 1916 was ratified. The following temporary officers of next year's Institute Committee were chosen: President, Frank P. Scully; Executive Committee, G. R. Urquhart and T. A. Spear; treasurer, A. Palmer; former treasurer of the Tech, elected temporary Adviser of this publication.

TENNIS CHAMPIONSHIP

Trinity Wins Doubles and Amherst Wins Singles.

Trinity won the New England intercollegiate tennis doubles championship yesterday at the Longwood Cricket Club. Edsall and Burgwin of Trinity won from Richard and Newall of Wesleyan by 8-4, 4-6, 6-2. The match was one of the hardest fights during the tournament and it is expected that the ground will be played for building if the future growth of the Institute makes this necessary. This report was approved by the Institute Committee.

The election of C. Roger Lord as General Manager of Tech Show 1916 was ratified. The following temporary officers of next year's Institute Committee were chosen: President, Frank P. Scully; Executive Committee, G. R. Urquhart and T. A. Spear; treasurer, A. Palmer; former treasurer of the Tech, elected temporary Adviser of this publication.

BASEBALL NOTICE

The Freshman-Sophomore game which was scheduled to be played yesterday afternoon was postponed by the Freshman team and will be played Saturday afternoon at Tech Field.

The Army-Navy football game will be played 2:00 p.m. on Saturday, Nov. 28.

PRELIMINARY NEW ENGLAND TRIALS

Technology Expects To Qualify

Large Number in Events.

The preliminaries in the New England trials will be held at the A. C. S. A. G. A. C. A. last day, 110, 220, 440 dashes and the 880 yard run. The preliminaries in the high and low hurdles will also be run off and the wind on the weight men will be blown. Technology will enter four men in nearly all the events and Captain Goodrich, Capt. Macdowell, and Capt. Kanaly hope to have a large number of athletes for the finals. O'Hara, Williams, Lewis and Wilson ought to qualify for the semi-finals on Saturday. In the quarter Capac Goodrich and Penrose are expected to come through without much difficulty. C. T. Penrose is about the only man in the half that is expected to do much in the 440. Although Kennedy is showing up well. Buff ought to qualify in the hurdles with a possibility of Sewall or Foster in addition. Fox and Reed in the broad jump and Suits and Turner in the high jump stand a fair show of making good. Lawson in the pole vault and Leslie in the shot put are the strongest from here and should qualify.

The outcome of the meet on Saturday is extremely doubtful. The Institute, Dartmouth and Mains will fight it out for the first three places. Dartmouth has several first places that makes her rule the favorites but other teams cutting in may upset calculations. The Institute won an unexpected victory in the following fashion from the present outlook: 2nd and 4th in the hundred; 2nd and 4th in the 220. Ted and Suits and Sullivan; 2nd and 4th in the 440, 4th in the 880; third in the mile; 1st in the 2 mile; 3rd in the 120 hurdles; 2nd in the high jump; 2nd and 4th in the broad jump; 3rd in the pole vault; 3rd shot put. This would make a total of thirty-two points to the Institute.

(Continued on Page 2.)

RECEIVES DEGREE

The honorary degree of LL.D. was conferred on President Macdowell as the inauguration exercises at Dartmouth University, Ohio. Five other college presidents were also recipients of the honor. The occasion was the inauguration of Clark Wills Chamberlain, former president of Vassar, who is the new president of Denison. The other five, on whom the honorary degrees were conferred were: Ernest F. Nichols, of Dartmouth; Mather, W., of Williams; William P. Faushee, of Brown; Nicholas F. Butler, of Columbia, and Robert S. Woodward, of the Carnegie Institution, Washington.

CHARLES R. LORD

First assistant in the stage department during his Sophomore year was then placed at the head of the business department, it was his work as business manager which gave him the position which he now holds. He is a member of Delta Kappa Epsilon, Theta Tau, the Beaver Club, and the Masque.

MINING SOCIETY

The Mining Engineering Society held a special meeting on Wednesday morning at eleven o'clock for the purpose of electing next year's officers. The results of the election were as follows: president, S. L. Wilks; vice-president and treasurer, J. S. Macdowell; secretary, K. M. Sully; executive committee, P. R. Small and S. M. Baxter.

COACH KANALY SPEAKS

At the cross-country meeting held yesterday afternoon 8 Engineering Coach Kanaly outlined the prospects of the team for the big intercollegiates next fall and spoke of the good men other colleges will lose by graduation while Tech's team next year will be practically the same as this year, and gave the twenty men present to understand that Tech would defeat Harvard in those intercollegiates. He also talked of summer training, and in concluding remarked that the prospects of the team for next year were especially bright.

CANDIDATES FOR MONTHLY MEET--1.30 TO-DAY.

Editors To Outline Plans for Business and Editorial Departments.

As the nature of the Monthly is such that it is possible to work during the summer months, the Editors have called a meeting to be held at 1:30 in the Technological Monthly office under the stairs in the Union.

The Editors will discuss the nature of short stories that are acceptable to the publication, plans for the coming year and give suggestions that may be helpful to would-be contributors. There are at present but two or three candidates for the position of Editor-in-Chief next year and few unexplored contributions have been handed in.

The Monthly's form for the November issue will close on the 10th of September, which gives plenty of time for those who may have some spare moments during the summer months.

There are several other openings on the Monthly Board, notably those of Art, Advertising and Asst. Circulation manager. Candidates for these positions are also asked to attend the meeting where they may meet the men in charge of the respective departments. These positions are to be filled by a competition which will last throughout the summer until the twenty-first of September.

The Editors ask for a full attendance of these men that they may have some means of estimating the contributors and candidates for the coming year. Those who cannot attend the meeting may leave a note at the Cape stating the branch in which they are interested and the Editors will communicate with them in the near future.

MILITARY CAMP

All those who are interested in the Camps of Military Instruction to be held this summer, are invited to be present at a meeting to be held in 26 Rogers, today at 1:00 o'clock. Students of the camp at Burlington, Vermont, who desire to take summer courses at the University of Vermont may do so. Arrangements can be made to be held with each work offered on the institute record. Full information may be obtained at the meeting.

CALENDAR

Friday, May 22, 1914.

Preliminary Trials for N. E. I. A. A.

Saturday, May 23, 1914.

N. E. I. A. A.

1917 vs. 1916, Baseball, Rite Club Shower.
THE TECH

FRIDAY, MAY 22, 1914.

The special interest attaching to the Intercollegiate this Saturday on account of Tech's fighting chance for first place should insure a large crowd of interested students, which will incidentally help toward securing for us the next meet on our own field. The conscientious, consistent work of our athletes has produced a fine team to be proud of—a team whose first places alone is practically sure of forty points without counting the other places.

Maine according to predictions ought to come out with a score of about twenty-five points. However, nothing is sure until the last event has been run on Saturday afternoon, and calculations may be upset with Technology coming home the winner.

A special section, twenty-three, has been reserved for Technology alumni and undergraduates, and there will be organized cheering.

MAIL FORWARDED

Students desiring to have mail, which is addressed in care of the Institute, forwarded, should fill out a Summer Address Card.

Cards may be obtained at the Cage. Leave the filled out card with the Cage Attendant.

SUP'T. EDGS. & POWER.

If the students will get behind them in voice as well as in spirit.

The report of the Walker Memorial Committee which was endorsed yesterday by the Institute Committee after the customary inadequate discussion, is of such vital importance to the student body that we regret exceedingly that only a very brief notice of it can be given today. As the report in its entirety is too long for publication, a complete summary will be printed in Monday's issue. Each student should study this carefully, and bring forward before it is too late any suggestions he may have.

Easy terms if desired.

In speaking to friends of ours regarding the marvelous success of our Fatima Cigarettes, it always pleases us to tell how, after making up a smoke of purest and choicest tobacco, we decided to first place them on sale in college towns.

We didn't have to wait many moons. The students' answer was "more!" From college the graduates spread the Fatimas news in homes towns all over the big map, and today more Fatimas are sold than any other cigarette in America.

Quality will tell! In a plain package—quality all in the tobacco—that's the place in which it counts most!

SENIOR PORTFOLIO

Has Gone To Binder—Cuts To Be Sold for Ten Cents.

The Senior Portfolio has been sent to the binders and it is expected that the books will be out next Tuesday. The exact date will be announced in THE TECH and on the bulletin boards.

By a special arrangement with the engraver, the cuts of all the men have been secured and will be sold at ten cents each at the time the books are given out.

HARVARD TENNIS

In the tennis tournament yesterday afternoon with Harvard, Technology came out a little the worse. Buffon, H., beat Stewart, T., 6-3, 6-7, 6-2; Fuller, H., beat Fay, T., 10-8, 8-7; Faulker, H., beat Polley, T., by default; Woodbridge, T., beat Peabody, H., 6-2, 4-6, 6-4; Kettel, H., beat Hurlburt, T., 6-5, 6-4, 8-6; Wainwright, H., beat Harris, T., 6-4, 3-6, 6-1. In the doubles Ford and Faulkner, H., beat Stewart and Woodbridge, T., 6-4, 6-6; Buffon and Wainwright, H., beat Fay and Hurlburt, T., 6-6, 9-7, 6-1; Harris and Woodbridge, T., beat Campbell and Peabody, H., 6-2, 6-4.

SHOW MEN GET SCORES

All members of Tech Show 1914 can obtain the scores to which they are entitled by calling at the Show Office between one and two o'clock today.

Maine is sending ten men and Bowdoin only four to the New England.

FIELD LOCKERS

Any articles found in the lockers at the field after May 23 will be forfeited. No payment for keys will be refunded after that date.

F. H. BRIGGS.

Statistics just gotten out state that the average living expenses of Harvard's married graduate students is $1155.

OLUS

Turn Your Shirt Tails Into Drawers
What Good Is a Shirt Tail Anyway?

In OLUS the outside shirt and undershirts are one garment. This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "may put", to say nothing of the comfort and economy of saving a garment. OLUS is cost cut, opens all the way down—closed crook, closed back. See illustration.

For gals, tennis and field wear, we recommend the special attached collar OLUS with regular or short sleeves. Special sizes for very tall or stout men. All suitable fabrics, in smart designs, including siles—$1.50 to $10.50.

OLUS one-piece PAJAMAS for lounging, reading and entertaining sleep. Made on the same principle as OLUS shirts—cost me, check back, closed crook. No strings to gather or come loose. $1.00 to $4.00. Ask your dealer for OLUS.

The Favorite of Your Favorite

TEN chances to one, your favorite ball-player smokes Tuxedo. We have scores of testimonials from the crack men of the crack men all over the country, saying that they enjoy Tuxedo and recommending it to you.

Also—look around you the next time you pick out that soft seat in the bleachers or grandstand and see how many of your neighbors are packing their pipes with Tuxedo or rolling it into cigarettes.

Size up the men who are smoking and endorsing Tuxedo. They’re real men, full of life and the joy of life.

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

Tuxedo is a class by itself. It has many imitators—but in the pipe it has no equal. It is made of the finest that Kentucky grows, ripened, cured and aged until it has reached the tiptop of mildness, mellowness and sweetness. Then it is treated by the original “Tuxedo Process” which takes out all the sting so it cannot possibly bite.

SENIOR CLASS DAY

These men who have signed up for Class Day invitations will be able to get them this noon in the Union.

SENIOK'S PICNIC

The Seniors are planning to have a picnic during Senior Week, when the whole class can get together and have a general good time. They will leave at about nine in the morning on the Satellite for Manchester-by-the-Sea, cruising around a bit, and arriving there at noon. Then there will be the dinner, baseball games between the different courses, races, and various other sports. The party will return by boat, getting into Boston about six o’clock.
