## HARVARD CLEANS UP IN DUAL TRACK MEET

**Brown Wins Three Mile in Fast Time—M. I. T. Men Lack Practice.**

Harvard defeated Tech in the practice track meet at the new field Saturday, taking first place in every event except the shot put and three-mile run. The Institute team was without the services of either O'Hara or Loomis in the sprints, Harvard taking all four places in both the century and furlong.

Huff made a good fight in the hurdles, but he has been training only a week and was in no condition to push Meanix, the Harvard and former B. A. A. star.

The real feature of the day was the three-mile run where the cross-country men of both schools were entered. Twenty men toed the mark at the start. Harrington took the lead with the gun, holding it for three laps, but the pace was too fast for him, and at the start of the fourth lap McClure, the Crimson cross-country captain went to the front.

## WALNUT HILL SHOOT

**Rifle Club Pleased With Work of New Men.**

Considering the fact that nineteen of the twenty-six men who reported for rifle practice at Walnut Hill last Saturday are new in the club this year, and that many had never shot a rifle before joining, the average score of 37.8 which was made out of a possible fifty is considered by the officers to be remarkable. In outdoor

## NEXT T. C. A. SPEAKER

Mr. Harrison S. Elliot will speak at the next T. C. A. talk, Thursday, Oct. 29, at 1.30 p. m., in the Union. His subject will be "Why fifty-five thousand college men are in the Bible study groups."

Mr. Elliot is the International Secretary of the Y. M. C. A. and has been very successful in his line of work. Immediately after his graduation from Ohio Wesleyan University, he spent two years in China and Japan, and during the last five years he has visited all the important colleges and universities in the United States carrying out the Bible work.

## GLEE CLUB REHEARSAL

There will be an important rehearsal of the Glee Club in the Union today at 5 o'clock sharp. All men either late or absent will be fined. Leader Ogden would like the fellows to learn as much as possible of their music by heart.

## M. B. DALTON ELECTED SENIOR PRESIDENT

**Results of Elections Announced At Mass Meeting—Close Contests.**

Over four hundred men attended the mass meeting in Huntington Hall Saturday evening, at which the results of the elections for the three upper classes were announced. The senior, junior and sophomore presidents elected were M. B. Dalton, K. M. Sully and W. Harrington, respectively. The elections were marked by close contests, both Sully and Harrington winning out by only two votes.

M. B. DALTON. '15.

The new vice-presidents, secretaries and treasurers of the three classes are: 1915, Norton, Spencer and Place; 1916, Pyle, W. V. Reed and Lawrence; 1917, Farnsworth, Whitney and Dudley Bell, respectively.

The meeting was opened by Scully, the retiring president of the seniors. After some general remarks, in which he expressed the hope that next year the meeting would be held on the day the polls closed, Scully introduced Dayton, who then announced the senior and junior results. Huff, '15, then spoke on the excellent cross country prospects for the coming year, after which the sophomore elections were announced. The meeting was interspersed with songs and cheers.

## E. E. ELECTIONS

Voting for the offices of vice-president and treasurer of the Electrical Engineering Society commences today and closes Wednesday at five. Ballots may be obtained and left at Miss Payson's office. The nominees for vice-president are V. C. Kennedy, '15, and C. E. Sifton, '15; for treasurer, W. H. Brackett, '15, and R. E. Curtis, '15. Only those who have paid their dues will be eligible to vote.

## TECHNOLOGY GRAND OPERA NIGHT

**The Revival Of Verdi's "Masked Ball" Enthusiastically Received.**

The Tech men who heard the revival of Verdi's "Masked Ball," last Friday evening, were well satisfied. The performance gave a very good idea of the opera, every part being creditably taken. Miss Lynnbrook sang the music of Amelia with nobility and ease, while Miss Ardini was delightful. Miss Fox found the contralto role of Ulrica perfectly suited to her, while Mr. Blanchard in the last act won high approval for his singing of the famous "Eri tu" aria. The two basses in the roles of Sam and Tom won approval for their full

## ARCHITECTS' SMOKER

**Prof. Cram Urges Closer Contact Between Students.**

At a smoker of the Combined Architectural and Architectural Engineering Societies held last Friday evening, Professor Cram made the statement that "a human being is an animal that is absolutely dependant on others: the failures of too many architects are due to the fact that they try to work independent of others. Men learn more from contact with other men than in any other way." The whole theme of his address was to urge closer contact between professors and students, between architects and their assistants in the drafting room and on the actual building construction.

With the idea of securing the former, Professor Cram has had a room fitted up as a "common" room in which all students of the department may meet every week and enjoy themselves. He encouraged the men to "like what you do and do what you like" and closed by saying that an architect is a human being and part of a human organization.

Mr. C. W. Somers, '12, a representative of Stone & Webster on the New Technology work, told some interesting details of the concrete construction now being used.

## SHOW CANDIDATES

**More Freshmen Wanted In Publicity Competition.**

All candidates for the position of Assistant Publicity Manager of the Tech Show are to meet in the Tech Show office at half past one today. Every man who answered the first call is urged to be present. Any other members of the class of 1918 who are interested should not hesitate about coming out now, as very little work has been done up to the present time.

## MECHANICALS TO HOLD HALLOWE'EN SMOKER

**Refreshments for Mind and Body Promised—Mr. F. H. Fay Will Lecture.**

Appropriate Hallowe'en refreshments and Missouri meershaum pipes will enliven the fall smoker of the Mechanical Engineering society, to be held Thursday evening, October 29, at 7.30 P. M. in the Union.

The feature of the evening will be Mr. F. H. Fay's lecture on the Quechean River improvement at Fall River. It is upon the success of this undertaking that the industrial future of the city depends. All seniors, juniors and sophomores of courses two and eleven will find this subject one of great interest to them. A jolly good time is promised to every man. Chairman Purinton says that cider and tobacco will be as plentiful as water.

## DUAL MEET WITH B. A. A.

**Trials For Cross Country Meet With Holy Cross.**

The cross country squad will have a dual run against the B. A. A. track team over the Wakefield course next Saturday. It is important that all candidates take part, as the team to face Holy Cross will be chosen from these competitors.

The B. A. A. team will not be as strong as it might, because of lack of practice over hilly ground and of the absence of some of their best men. Lively competition, however, is assured.

Among the Tech runners, Graff, Brown, Cook and Litchfield are considered dangerous. Although Hedlund of the B. A. A. finished first, Tech won the meet last year, and is expected to do so again, especially since Hedlund will probably not run. Coach Kanaly wants every one to come out and make the competition for the team strong.

## FRESHMEN WIN AGAIN

The 1918 football team won from the strong Dorchester High eleven last Saturday by the score of nine to three.

## IN CHARGE OF THIS ISSUE.

Editor: J. M. De Bell, '17.  
Assistants: A. P. Sullivan, '17;  
R. A. Folsom, '18.

The statement is freely made by men familiar with track conditions that the excellent results achieved last Saturday at the New Field were due in no small degree to enthusiastic support from the cheering section. Such being the case, the continuance of the present strong feeling of loyalty to our Track and Cross-country teams should sweep them to the pinnacles of success they so justly deserve.

The enthusiastic spirit shown at the mass-meeting is even more gratifying than the good attendance to all who are interested in the steady growth of Tech Spirit. Considering the disadvantages of holding such a meeting on Saturday night, and the unavoidable leakage of news beforehand, next year's meeting, if held as suggested on Friday, immediately after the close of balloting, should be an even greater success.

The deluge of miscellaneous advertising which has found its way to our bulletin boards in Rogers and the Union is a disgrace to the committee entrusted with keeping them in respectable condition. In our opinion, no matter of purely private nature should be permitted on these public boards, and we hope to see the Bulletin Committee resume its duty of keeping the space open for its proper use.

and an unusually "live" spirit prevailed. Scully played for the singing. The other officers elected are: Institute Committee: 1915, H. L. Leeb and F. P. Scully; 1916, Wm. Shakespeare and F. B. Hastie; 1917, P. L. Hunt and S. C. Dunning. Executive Committee: 1915, T. F. Spear and J. H. Tobey; 1916, J. R. Freeman and N. Macrae; 1917, A. P. Dunham and W. A. Wood. M. I. T. A. A.: 1915, C. L. Morse and T. H. Huff; 1916, H. P. Pinkham and C. S. Reed; 1917, W. C. Wood and K. H. Day.

## SOPHOMORE FOOTBALL

Scrimmage With Hyde Park—Game At Somerville Wed.

Friday afternoon the Sophomore football team scrimmaged with the Hyde Park High School eleven at Hyde Park, and completely outclassed them. On the offense the 1917 men made average gains of ten yards, leaving out of consideration six eighty-yard runs for touchdowns, four of which were made by Poteat. Both Simpson and Poteat handled forward passes admirably and Farnsworth gained consistently with his dodging runs.

The defence solved completely all the complicated trick plays tried by Hyde Park, in many cases throwing the runners for a loss. The work of Powers, Dexter, Wellcome and Simpson was particularly prominent. The teamwork in general was much better than in the Westboro game.

Wednesday afternoon the team will play Somerville High. The squad is to meet in front of Rogers at 3 o'clock.

## GYM TEAM PRACTICE

All Tech men interested in gymnasium work, as well as all those on the squad, should report at 5 o'clock at the gymnasium today for important practice. Men are needed in almost every event, especially the side-horse, club swinging and tumbling.

work, forty is generally conceded to be a good average score, and this high average makes the prospects for a strong team in the spring very encouraging, and assures keen competition for places.

The high scores at 200 yards were Bickford, 45; Mills, 44; Boynton, 43; Montgomery, 43; Basch, 42; and Johnson, 42.

The large number of men out this year and the scarcity of available ranges has made it necessary to limit the membership to those already in, but a waiting list is being formed, and new men will be taken in as rapidly as possible.

Princeton opened her new Stadium in fine shape by trimming Dartmouth 16-12.

Michigan, Dartmouth, Yale, Carlisle and Tufts lost Saturday.

**HARVARD MEET**  
 (Continued from Page 1)

For the first mile the men were well bunched, but on the fifth lap McClure, with Brown, Benson and Cook, started to open up a lead. These four kept well together until the last turn when McClure started his sprint. Brown came up from behind and challenged him as they struck the straightaway. The Harvard man put up a good fight but Brown was the stronger of the two, and his sprint at the finish brought him to the tape ten yards ahead of McClure. Cook and Benson were right behind, while the remainder of the runners were well strung out.

The summary:  
 One hundred-yard dash—Won by Foley (H), Nelson (H) second, Bliss (H) third, Silver (H), fourth. Time—10 2-5s.

Two hundred and twenty-yard dash—Won by Tescher (H), Foley (H) second, Silver (H) third, Bliss (H) fourth. Time—23s.

Four hundred and forty-yard run—Won by Biddle (H), Donahue (H) second, Whitney (H) third, Doone (T) fourth. Time—52 4-5s.

Eight hundred and eighty-yard run—Won by Capper (H), Donahue (H) second, Campbell (H) third, Cogswell (H) fourth. Time—2m. 5 2-5s.

Three-mile run—Won by Brown (T), McClure (H) second, Cook (T) third, Benson (T) fourth. Time—15m. 33 3-5s.

One hundred and twenty-yard high hurdles—Won by Meanix (H), Rice (H) second, Huff (T) third, Robinson (H) fourth. Time—16 3-5s.

Two hundred and twenty-yard low hurdles—Won by Meanix (H), Rice (H) second, Huff (T) third, Robinson (H) fourth. Time—26 3-5s.

High jump—Won by Johnstone (H), second tie between McKinnon (T) and Chase (H), third tie Sullivan (T) and Colleary (T), Kent (H) and Heydock (H). Height—5ft. 8in.

Broad jump—Won by Johnstone (H), Colleary (T) second, Read (T) third, Avery (H) fourth. Distance—21ft. 6in.

Shotput—Won by Swain (T), Roberts (H) second, Dickenson (H) third, Sewall (T) fourth. Distance—37ft. 1in.

Pole vault—Tied between Heydock (B) Babbitt (H) and Greeley (H) at 11ft. 6in., and tied for second between Lawrason (T) and Kent (H) at 11ft.

toned yet restrained singing. Much credit for the performance is due to Mr. Bovi who handled the orchestra with judgment and ease.

The plot in brief is laid around Richard, who uneasy with a secret passion for Amella—wife of his secretary Renato—consults a sorceress and learns that he shall die by the first hand that clasps his. Of course it is Renato's. Richard and Amella, the latter veiled, meet at midnight

while Renato, the loyal and unsuspecting, joins them; and when the conspirators surprise them takes care of the veiled woman. Sam and Tom and the rest unveil her and Renato's dishonor. He joins their league draws the lot to kill Richard, and fulfills his destiny at the masquerade ball, little knowing that the Governor had songfully repented of his desires.
