HARVARD CLEANS UP IN DUAL TRACK MEET

Brown Wins Three Mile in Fast Time—M. I. T. Men Lack Practice

Harvard defeated Tech in the practice track meet at the new field Saturday, taking first place in every event except the shot put and three- miles run. The Institute team was without the services of either Ollars or Loomis in the sprints, Harvard taking all four places in the century and fourteen.

Huff made a good fight in the hurdles, but he has been training only a week and was in no condition to push. Mead, the Harvard and former B. A. star, the real feature of the day was the three-mile run where the cross-country men of both schools were entered. Twenty men tood the mark at the start. Huffington took the lead with the gun holding it for three laps, but the pace was too fast for him, and at the start of the fourth lap McHugh, the Connecticut cross-country captain went to the front. Continued on Page 3

WALNUT HILL SHOOT

Rifle Club Pleased With Work of New Men.

Considering the fact that nineteen of the twenty-six men who reported for rifle practice at Walnut Hill last Saturday are new in the club this year, and that many had never shot a rifle before joining, the average score of 37.8 which was made out of a possible fifty is considered by the officers to be remarkable. In outdoor (Continued on Page 3)

NEXT T. C. A. SPEAKER

Mr. Harrison S. Elliot will speak at the next T. C. A. talk, Thursday, Oct. 29, at 3.30 p. m., in the Union. His subject will be "Why Fifty-five Thousand Men of New Men."

Mr. Elliot is the International Secretary of the Y. M. C. A. and has been very successful in his line of work. Immediately after his graduation from Ohio State, he spent two years in China and Japan, and during the last five years he has visited all the important colleges and universities in the United States carrying out the Bible work.

GLEE CLUB REHEARSAL

There will be an important rehearsal of the Glee Club in the Union Thursday, 5.00 o'clock sharp. All men either late or absent will be fined. Leader Ogden would like the fellows to learn as much as possible of their music by heart.

M. B. DALTON ELECTED SENIOR PRESIDENT

Results of Elections Announced At Mass Meeting—Close Contests

Over four hundred men attended the mass meeting in Huntington Hall Saturday evening, at which the results of the elections for the three upper classes were announced. The senior, junior and sophomore presidents elected were M. B. Dalton, K. M. Sulvy and W. Harrington, respectively. The elections were marked by close contests, both Sulvy and Harrington winning out by only two votes.

THE TECH GRAND OPERA NIGHT

The Revival Of Verdi's "Masked Ball" Enthusiastically Received

The Tech men who heard the revival of Verdi's "Masked Ball", last Friday evening, were well satisfied. The performance gave a very good idea of the opera, every part being creditably taken. Miss Lynwood sang the music of Amelia with nobility and ease, while Miss Andini was delightful. Miss Fox found the central role of Ulrica perfectly suited to her, while Mr. Blanchard in the last act won high approval for his singing of the famous "Fui tu aura.

The two basses in the roles of Sam and Tom won approval for their full singing (Continued on Page 4)

ARCHITECTS' SMOKER

Prof. Crum Urges Closer Contact Between Students.

At a smoker of the Combined Architectural and Architectural Engineering Societies held last Friday evening, Professor Crum made the strong plea that "a human being is an animal that is absolutely dependent on others: the failures of too many architects are due to the fact that they try to work independent of others. Men learn more from contact with others than in any other way."
The whole theme of his address was to urge closer contact between professors and students, between architects and their assistants in the drafting room and on the actual building construction.

With the idea of securing the former, Professor Crum has had a room fitted up as a "common room" in which all students of the department may meet every week and enjoy themselves. He encouraged the men to "like what you do and do what you like" and closed by saying that an architect is a human being and part of a human organization.

Mr. C. W. Fansler, 12, a representative of Stone & Webster on the New Technology work, told some interesting details of the concrete construction now being used.

SHOW CANDIDATES

E. E. ELECTIONS

Voting for the offices of vice-president and treasurer of the Electrical Engineering Society commences today and closes Wednesday at five. Ballots may be obtained and left at Miss Payson's office. The nominees for vice-president are V. C. Kennedy, '15, and C. E. Sifton, '16; for treasurer, W. H. Brandt, '15, and R. E. Curtis, '15. Only those who have paid their dues will be eligible to vote.

MECHANICALS TO HOLD HALLOWEEN SMOKER

Refreshments for Mind and Body Promised—Mr. F. H. Pay Will Lecture.

Appropriate Halloween refreshments and Missouri meerschaum pipes will enliven the fall smoker of the Mechanical Engineering society, to be held Thursday evening, October 29, at 7.30 P. M. in the Union.

The feature of the evening will be Mr. F. H. Pay's lecture on the Que- queshan River improvement at Fall River. It is upon the success of this undertaking that the industrial future of the city depends. All seniors, juniors and sophomores of courses two and eleven will find this subject one of great interest to them. A jolly good time is promised to all, Chairman Purinton says that cider and tobacco will be as plentiful as water.

DUAL MEET WITH B. A. A.

Trials For Cross Country Meet With Holy Cross.

The cross country squad will have a dual run against the B. A. A. track team over the Wakefield course next Saturday. It is important that all candidates take part as the team to face Holy Cross will be chosen from these competitors.

The B. A. A. team will not be as strong as it might, because of lack of practice over hilly ground and of the absence of some of their best men. Lively competition, however, is assured.

Among the Tech runners, Graft, Brown, Cook and Litchfield are considered dangerous. Although Hedlund of the B. A. A. finished first, Tech won the meet last year, and is expected to do so again, especially since Hedlund will probably not run.

Coast Kansky wants every one to turn out and make the competition for the team strong.

FRESHMEN WIN AGAIN

The 1918 football team won from the strong Dorchester High eleven Saturday by the score of nine to three.

CALENDAR

5.00—Glee Club. Refreshments. Union.
7.00—Monthly Rehearsal, 5th floor, Rec. Room.
10.00—T. C. A. Smoker. Union.
Tuesday, Oct. 27, 1914.
4.20—Mandolin Club. Union.
Wednesday, Oct. 28, 1914.
5.00—Glee Club. Refreshments. Union.
ELECTION RESULTS

and an unusually "five" spirit, pre-
tailed. Scully played for the sideline.
The other officers elected were:
Institute Committee: 1916, H. L. Leeb.
and F. P. Scully; 1917, John.
spurred by F. B. Hanke; 1917, P. L.
and S. C. Dunnig.
Executive Committee: 1915, T. P.
and J. H. Tobey; 1916, J. R.
and N. Macken; 1917, A. P.
and W. A. Wood.
M. I. T. A. A.; 1916, C. L. Morse.
and T. H. Huf; 1916, H. P. Plank.
and C. S. Reed; 1917, W. C. Wood and
K. H. Day.

SOPHOMORE FOOTBALL
Seminole With Hyde Park—
Game at Somerville Wed.
Friday afternoon the Sophomore
football team scrimmaged with
the Hyde Park High School eleven
at Hyde Park, and completely out-
side. On the offense the 1317
men made average gains of ten
yards, looking out for a considera-
tion six-eighty yard runs for touchdown.
In the defense all of which were made by Poteat. Both
Simpton and Poteat handled forward
cases admirably and Poteath
earned consistently with his dodging
firsts.
The defense solved all the
complicated tricks tried by
Hycde Park, in many cases throwing
the runners for a loss. The work of
Powell, Dexter, Wellman and Simp-
son was particularly prominent. The
teamplay in general was much better
than in the Western game.
Wednesday afternoon the team will
play Somerville High. The squad is
to meet in front of Rogers at 3 o'clock.

GYM TEAM PRACTICE
All Tech men interested in gymna-
sm work, as well as all those on
the squad, should report at 5 o'clock
at the gymnasium today for
petition. Men are needed in almost
every event, especially the side-horse,
club swinging and tumbling.

WALNUT HILL SHOOT
(Continued from Page 1)
work, forty is generally conceded to
be a good average score, and this
high average makes the prospects for
a strong team in the spring very en-
couraging, and assures keen competi-
tion for places.
The high scores at 200 yards were
Richford, 45; Mills, 44; Boyton, 43;
Montgomery, 45; Basch, 47; and John-
son, 43.
The large number of men out this
year and the scarcity of available
ranges has made it necessary to split
the membership to those already in,
but a waiting list is being formed,
and men will be taken in as
quickly as possible.

Princeton opened her new Stadium
in fine style by thrashing Dartmouth
16-12.

Michigan, Dartmouth, Yale, Carlisle
and Tufts lost Saturday.
