FRESHMEN DUE IN HUNTINGTON HALL

Mass Meeting This Noon At 1.00 In Preparation For Field Day And Tech Night.

Today at 1.00 P.M. In Huntington Hall, the first freshman mass meeting of the year will be held. At this time the final plans for the class cheerleading will be announced, the newly selected cheer leaders will be on hand to lead the cheerleading and the name of the winner of the large 1918 banner offered for the best freshman yell will be made public. The prospects of the Field Day teams will be reviewed and the class elections will also be made. The names of the new students in the class will be announced. The public will be given an opportunity to listen to the new freshmen which will be announced in a really representative manner. The inclusion of the freshmen in the Field Day and Tech Night meetings is distinctly the duty of every Freshman and, therefore, no man need stay away from the meeting.

The meeting will take a few minutes only, no man need stay away for fear of losing his lunch hour. The officers of the class feel that it is distinctly the duty of every Freshman to be present, for the chances of victory are particularly bright this year, and the class should neglect no opportunity to get behind the teams and do its share.

COMMUNICATION

To the Editor of The Tech:

May I explain briefly the character of the Sunday afternoon talks at the Museum of Fine Arts, one of which you announced, in a recent issue, by the somewhat misleading heading: "Sunday Museum Talks:"

The Museum maintains for the service of the public a system of docent guides, who, as part of their usual service, give talks in the Museum galleries every Sunday about the objects exhibited. These talks are entirely informal, half to three-quarters of an hour in length, and open to any who wish to attend. Several of the Technology teachers give some of these talks, and all the topics are announced in the Saturday and Sunday papers and by bulletin notices in the Boston public and in other libraries.

I would urge all Tech fellows to visit the Museum on one or two Sundays in a season, and find something which they enjoy so much that they quite ignore the Docent talk. Mr. Humphreys' office will supply to any student applicant a ticket of free admission on week days also.

Sincerely,

H. L. Shavel.

NOVICE WRESTLERS TO LEARN HOLDS

List Posted In Gymnasium—Mr. Gracey To Coach New Candidates.

A list of twenty-five holds, their breaks and counters has been posted on the right hand side of the gymnasium under the field event records which should be learned at once by all novice wrestlers. Mr. Gracey is on the lookout every Monday, Wednesday and Friday to coach new candidates. After Field Day all men will be required to work out three times a week, but those who have been faithful for the last month have a big start on beginners. Come out before it is too late and develop some muscle.

FALL HANDICAP MEET

Annual Meet Expected To Draw A Crowd To New Field.

Next Saturday at 2.30 the Fall Handicap will be run off at the New Field. Every man taking track work is expected to enter this meet, and is requested to sign up in one of the entry books at the Union or the field at once. New men will be given liberal handicaps, and the men finishing in the first four places of each event will be rewarded with ribbon prizes.

COSMOP CLUB DANCE

To Be Held At Hotel Tullerias Friday, November 20th.

The Cosmopolitan Club will hold a dance at the Hotel Tullerias on Friday, November 20th, at 8 p.m. The members of the club will be able to obtain tickets at an especially low cost. The committee believing that by this means a really representative crowd may be induced to come out.

A few tickets will be sold to non-members at $2.50 a couple, and may be obtained from W. J. Farming, V. Chese, R. Keith and T. C. Hsi, who constitute the committee in charge, or from R. Altaro, A. B. B. Hall and A. Weaver, officers of the club.

FIELD DAY MARSHALS

There will be a meeting of the Field Day Marshals at the Track Office at the Union today at 1:45. It is considered important that all men be present.

PUBLICITY CANDIDATES

All candidates for the Show Publicity Department are to meet in the show office at 1:30 (today).

CROSS COUNTRY MEET

TECH VS. HOLY CROSS

Cross Country Team In Fine Form For Friday's Run—10.00 A. M. Train.

The return meet between the Tech and Holy Cross cross-country teams will be run off next Friday at Worcester. That Tech expects to win is not unnatural, for the ten men who are to represent her Friday are in excellent physical condition and have already shown their mettle. The team work has developed in a very satisfactory manner, the times made by the individual runners have been good, and the spirit shown by the men at practice has been such that victory seems certain.

TECHNOLOGY MONTHLY POSITIONS OPEN

Competition To Last Till December—Stories Wanted For Next Issue.

The Technology Monthly and Harvard Engineering Journal wishes to recall to the attention of the student body that the following positions on its staff are now open to competition and will remain so until December 15th. Asst. Treasurer, Asst. Managing Editor, Asst. Circulating Manager, Asst. Advertising Manager and Advertising Manager, the last position being open only to Juniors.

Short stories are wanted for the next issue and stories of Institute life at all times. Attention is called to the fact that this is one of the paths leading eventually to positions on the editorial staff. Unused manuscripts will be returned when accompanied by the writer's name and address.

GLEE CLUB MANAGER

Candidates For Business Manager Report Today.

Today at 5.00 o'clock all candidates for Business Manager of the Glee Club will report to Manager Walter, at the Musical Club Office.

In the Gym:

1st Voice—Where's my shoes?
2nd Voice—Board of Health get them—Exchange.

PLANS FOR THE FIELD DAY PARADE

Entire Student Body Invited To Take Part—No Student Band—Tags On Sale.

The committee in charge of the Senior Field Day Parade have decided to invite all of the student body who have not made other plans to participate.

The rumor that a student band beside the professional band of fifteen pieces would be in line is false, no arrangements whatsoever being made for the former.

The parade is to start from Rogers steps at half past one. The route will be up Newbury street to Massachusetts Avenue, and thence to the Field, where a special enclosure will be roped off for the accommodation of the participants. A permit for the parade has been obtained from the police departments of Boston and Cambridge and also from the street departments.

The tags which the Seniors are to wear may be procured for ten cents from men in each course.

PASSING SHOW TICKETS

Today and tomorrow from one to two will be the only days on which the envelopes given out may be changed in Rogers Corridor for the actual tickets to the "Passing Show" on Tech Night.

CALENDAR

Wednesday, November 4, 1914.
1:30—Mass Meeting, Huntington Hall.
1:30—Tickets for Passing Show Changed in Rogers Corridor.

5:00—C. B. Society. Officers' Meeting. 6:00—Catholic Club Supper. A and B Union.

5:45—Tech Christian Assn. Union.

Friday, November 6, 1914.
1:00—Tug-of-War. Gym. 10:00—Tech-Holy Cross Cross-Country. Trinity Place Station.
RIFLE SHOOTING

Over five thousand college marksmen is the record for the college year ending June 30, 1914. Through the combined efforts of the National Rifle Association of America and the National Board for the Promotion of Rifle Practice, rapid strides are being made lookling to the introduction of rifle shooting as one of the recognized sports in the colleges throughout the country and the movement has been still further stimulated by a recent act of Congress authorizing the free issue of rifles and ammunition to college and university rifle clubs.

This work was begun several years ago by the National Rifle Association backed by the War Department with a result that at the present time there are 42 colleges and universities having well organized and active rifle clubs. National championships are now being carried on annually, both indoor and outdoor. An annual competition for the team is now being organized for the indoor season. These matches are shot on indoor ranges with 22-caliber rifles. The championship for 1913 was won by the Michigan "Aggies" and the outdoor championship was won by the Mass. "Aggies".

As an evidence of the fact that the athletic authorities of a great many colleges and universities are recognizing marksmanship as part of their athletic curriculum, many of them are giving the college letter to those students who make the rifle team.

Thus a feature of this work which is worthy of mention is the fact that there have been no serious accidents of any kind on rifle ranges since the work was introduced, a claim that could hardly be made in connection with other prominent school sports, such as football and baseball. Furthermore, only a small percentage of students can take part in baseball and football matches, while the number of students who can enter the shooting competitions is only limited to the capacity of the range.

In addition to competing against each other in rifle matches, college clubs are also given annually a national for a members' competition by the National Rifle Association. Decorations are also presented to club members by the War Department for qualifying as expert, sharpshooter and marksman. The college which made the best showing in the number of students qualified for the national year ending June 30, 1914, was Cornell University. The rifle club which made the best showing in the number of qualifications was the University of Minnesota Rifle Club which qualified 96 marksmen, 11 sharpshooters and 19 experts.

At the camps of instruction for college students held during the summer, rifle shooting was one of the courses of military training laid down. At these camps 311 students qualified as experts, 214 as sharpshooters and 219 as marksmen. The National Rifle Association of America presented a cup for an intercollege plate team competition and also a medal for the student making the highest score at each camp. The cup was won by Cornell University whose four men scored 934. The University of California was second with 819 and the University of Minnesota third with 762.

Men All In Fine Condition For Big Contest Against Freshmen.

Throughout the season they have shown that they are working their hardest. In order not to risk injuring any of the regulars, the game with Huntington School, scheduled for Tuesday, was cancelled. The one weakness of the team seems to be lack of efficient substitutes in case any of the stars are injured. This may be a grave matter in the coming spring. The Cambridge aldermen have ordered a hearing in the matter of the proposed site of the Massachusetts Institute of Technology on the Charles River Esplanade.

ELECTION OF CAPTAIN AND MANAGER

A meeting of all the Gym Team candidates will be held in the Gym at five o'clock tomorrow, Thursday, for the purpose of electing a manager and captain. Plans for the coming season will be discussed as well as the matter of engaging a coach. Practice will be held today and tomorrow at five o'clock.

SOPHOMORE FOOTBALL TEAM CONFIDENT

The one weakness of the team seems to be lack of efficient substitutes in case any of the stars are injured. This may be a grave matter in the coming spring. The Cambridge aldermen have ordered a hearing in the matter of the proposed site of the Massachusetts Institute of Technology on the Charles River Esplanade.

SOUSA'S BAND CONCERT

Under the auspices of the Boston Waterfowl Club and conducted by John Philip Sousa, will give a concert on Tuesday, Nov. 17, afternoon and evening, in Symphony Hall. Tickets 50 and 75 cents and $1 on sale at Symphony Hall box office. It was about this time last year that one of the fraternities at Amherst decided upon a rule not to initiate any student whose record is inadequate. Since that date a number of other fraternities have adopted a similar rule.

A New Fund In Memory Of Her Father.

Hills, Research Associate in Physical Chemistry; Mr. Paul Barry, Assistant in Chemistry; Mr. Gordon B. Greenough, S. B., Research Assistant in Applied Chemistry; Mr. Myer Levinson, S. B., Research Assistant in Applied Chemistry.

FRESHMAN FOOTBALL
OUTLOOK VERY GOOD

Team Is Given Hard Workouts
To Make Up For Poor Showing Saturday.

Although the victory for the 1918 football team on Field Day does not appear as certain as before, the outlook is quite promising. On account of the very poor showing against Newburyport last Saturday, the final team has not yet been picked, but the men are working hard every day and fast recovering their old form. About twenty-three players are reporting regularly, and so many of the Sophomore plays can be worked by the substitutes, thus enabling a strong defense to be planned.

Catholic Club will hold their usual monthly meeting this evening at six in the Union. There will be a supper and the club will be addressed by prominent speakers, at least one of whom has been appointed by the club. All members are welcome and all men are welcome to come and join in the festivities.

SOPHOMORE RELAY TEAM READY FOR FIELD DAY

Team Well Balanced And Strong
-W. E. Sullivan Chosen Captain.

The Sophomore relay team is now complete. K. H. Day won in the competition Monday for twelfth place, leaving the two substitute positions to Brock and Donovan. This completes the list as follows: Cady, Colleary, Day, Dean, Donn, Ehr, Mehl, Oldfield, Glenn, Ross, Ryan, Sullivan, Donovan and Brock.

W. E. Sullivan has been elected captain and wishes that all men report as early as possible for practice this afternoon, as he would like to have them get the flag passing down to perfection.

Coach Kanaly predicts that the race will be exceedingly close. He considers the present Freshman relay team the strongest of any that he has coached here, and that an error or delay in flag passing by either team will mean the loss of the race. Such being the case, 1917 supports should come out in force on Friday and see that their team has no support.

MECHANICAL ENGINEERS' TRIP NOV. 11 AND 13

Applications Close Saturday For Metc Car Trip To Waltham

Applications for the trip of the Mechanical Engineers to the factories of the Metz Automobile Company will be closed Saturday. These trips will take place November 11th and 13th. The few tickets left can be obtained as follows: For the Wednesday trip, from Hanchett, Kimball and Shedd; for the Friday trip from Purinton, Palmer and Norris.

The Metz men will leave Trinity Place Station at 1:54 and the trip from Auburndale to Waltham will be made in trucks furnished by the Metz people.

FRESHMAN TUG-OF-WAR

Practice for the team to represent the Freshman Class in the Tug-of-War on Field Day is going on daily. The average weight of the team is about a hundred and forty-seven pounds, a little heavier than was at first expected. The jerseys will be at the Gym on Thursday and Monday. The men have seen Eckford some time before Thursday to obtain them.

O. D. Burton has been elected captain and Mahoney counter.

SHOW BOOKS

Five Librettos Submitted To Manager Lord

Five books have been entered in the competition for this year's Show. All the material is good and the management expects to have difficulty in selecting the best. The names of the contestants have not been given out, but the successful author will be announced at the Kummer's Dinner.

M.I.T.A.A. MEETING

Idea Of New Treasurer With
Special Duties.

At the meeting of the M.I.T.A.A.
hold yesterday, a discussion of the
working and adoption of the new
constitution took place. The financial
affairs of the Hockey Team were also
talked over.

The idea of electing a Treasurer
from any class, who is to have charge
of the funds of the different teams
was suggested. This new Treasurer
is to assume with slight modifica-
tions, the duties of the Treasurer of
the Advisory Council. By this change,
the control of the monetary affairs
will be directly under control of the
students.
