FIRST REHEARSAL FOR THE NEW TECH SHOW
Record Number Of Candidates Out Under Supervision Of New Coach.

Saturday afternoon Tech Show 1915 started in real earnest with the largest number of candidates out for a first rehearsal that a Tech Show has ever seen. All departments were busy for at least a short time, and the men out for the cast rehearsed all the afternoon under the supervision of Mr. Bannell Hune, the new coach.

Several of the parts are extremely popular, and the contestants finally chosen will be competed to work hard for their places. A prelude is to be placed on regularity and promptness of attendance at rehearsals, and no consideration is to be shown men who are constantly absent or late.

It was announced that the chorus is to have its first Tech Show Thursday afternoon, and that new candidates for this and for the cast are expected to report as early as possible to have their voices tried out. The dancers listened to a short explanatory talk by J. P. Davis, '27, the President of the Dance Society, of "A Royal Johnnie," who has charge of the dancing in "Getting Across." Eleven men have already reported to him, but as there are to be a number of dances in the (Continued on Page Three)

MARCH MONTHLY OUT

Eighth Issue To Be Placed On Sale Wednesday.

"Technical School Graduates in the Railroad Business," by Howard B. Brender, New Haven railroadman, Deadline, is the leading article in the March issue of the Technology Monthly which will appear the middle of the week. The issue also contains three articles on the advice of Butcher which appeared in the last issue. Among the other articles are reviews of the Hockey trip and prospectus of the Crew season, both illustrated. Mr. Ralph G. Hunsen's article on "Safety First with Electricity" is illustrated by photographs obtained from the Boston City Wire Deparment. The issue will be the last of Volume I.

OBITUARY NOTICE

Ross Sterling Turner, famous marine painter and for over twenty-seven years instructor in water color at the Institute, died last Friday at Narona, Bahamas, Islands, of heart failure. He left three weeks ages in poor health. Mr. Turner was born in Salem as a boy and had always made it his home. He leaves a wife and two sons.

EXCELLENT ENTERTAINMENT IS EXPECTED TOMORROW EVENING

"Hard Knocks" and "The Bluffer" Will Be Presented at Junior Dinner—Illustrated Songs Are Creating Much Curiosity.

A few weeks ago the Class of 1916 furnished ammunition and information to the humorless members of the Faculty in various periods of two or three hours; and now some of the Senior's band, having heard the story, prove that they bear no malice toward their unhappy victims. For the "L's, F's," and "FF's" incurred theFaculty, to prove that they bear no malice toward their unhappy victims, they display at the dinner will more than compensate for any discrepancy; they may have felt.

Next came Dean Burton with a suggestion that was entirely novel to the Committee. Although they are Juniors in the Massachusetts Institute of Technology, here was a sub ject about which they knew nothing, and about which they felt the class more even less. The Dean's subject is "The Bluffer."

It has not yet been ascertained whether the suggestion was made to interview Prof. Hayward gathered any information about the Professor's speech. He said that Prof. Hayward shared the spirit of good feeling shown by the rest of the seniors.

LOWELL WINS MEET

Freshmen Take Only Three First Places.

The freshman Track Team was badly defeated by Lowell High School last Saturday night, the latter winning by the score of 53 1-2 to 23 1-2. The mile race featured the meet for the L's, F's, and FF's incurred the Faculty in various periods of two or three hours; and now some of the Senior's band, having heard the story, prove that they bear no malice toward their unhappy victims, they display at the dinner will more than compensate for any discrepancy; they may have felt.

The Freshman Track Team was badly defeated by Lowell High School last Saturday night, the latter winning by the score of 53 1-2 to 23 1-2. The mile race featured the meet for the Class of 1916.

ANDOVER VICTORIOUS

Technology Swimming Team Is Badly Defeated.

The Phillips Andover Swimming team had very little trouble in taking all first places in the swimming meet last Saturday afternoon, for the Andover team succeeded in totaling only 9 points against 41 of Andover's. Merrick of Tech and Pittsfield of Andover had a close race in the fifty yard swim, the latter winning by a small margin.

COPY NOTICE

In order that Friday's issue of The Tech may reach the Alumni Convention at Pittsburgh the forms will close next Wednesday at six o'clock. Notices received later cannot be printed.
THE TECH

By Albert L. Kanrich, Musical Director

Tobacco and pipes are like tunes and fiddles. Only the best of them live to grow old with that mellowness like VELVET.

In VELVET the taste and fragrance of Kentucky's best tobacco, Barley de Luxe, is brought out to the full with that aged-in-the-wood mellowness that makes VELVET the Smoothest Tobacco. 10c tins and 5c metal-tipped bags.

TECH SHOW
(Continued from Page One)
production, more candidates for this branch are needed. Short men will be given the preference, and all are expected to come provided with ballet slippers.

The orchestra practiced at the same time under the direction of Mr. How- nivate, others appeared and it is expected that more will be on hand next Wednesday afternoon. Enough of last year's men have returned to assure success, but a bass viol, an oboe and two cellos are badly needed. The freshman candidates for sec- ond Assistant Stage Manager were given their first opportunity to show their ability, and assisted in work of managing the different rehearsals. Only four men are at present out for the position, and consequently others may enter the competition by report- ing to Stage Manager Coleman on Tuesday afternoon, in the Show Office at five o'clock every afternoon except Saturday. Three men will be given positions, and they will serve during the remainder of the season.

Two Sophomore Assistants are re- named, who automatically become Treasurer and Business Manager of the Show when they are Juniors. They are then eligible, together with the other Junior Managers, for the position of General Manager of the next Tech Show.

SOPHOMORE CLASS DINNER WEDNESDAY
Professional Entertainment Will Be Given—Four Speakers Secured.
The first occasion of the year for the Sophomore students to get together occurs this week Wednesday even- ing at 6.30 in the Union, and all stu- dents of the Class of 1917 should make a special effort to come. Be- sides the excellent dinner which will be served, professional talent will perform and although the Committee in charge has not yet announced the nature of this entertainment, assurance has been given that it will be unusually good. Dean Burton, Major Calle, Mr. Blanchard and Mr. Frank Kansas will speak on subjects of gen- eral interest.

All students who have not yet ac- quired tickets can obtain them at the Box for the price of 50 cents.

CHESS TEAM DEFEATED
Woodbridge Wins Only Game For Technology.
In a round of the regular match played last Friday the chess team of Wells Memorial defeated the Tech- nology team by a score of five games to one. D. E. Woodbridge, our first board, made a brilliant exception by checkmating his man after a close and lengthy contest. This is Wood- bridge's second successive victory against the able and experienced first board men of the Metropolitan League teams.

GLEE CLUB NOTICE
Rehearsal rehearsals will begin this week, Monday and Wednesday, at five p.m. All men who were in the club before the Mid-year trip are expected to report for these rehearsals.

DIFFICULTIES OF THE INDUSTRIAL CHEMIST

Chemical Society Listens To Talk On Canning Industry
By W. D. Bigelow.

About forty members of the Chemical Society heard the talk given by Mr. W. D. Bigelow on the canning industry last Friday evening.

Mr. Bigelow is chief chemist for the National Canners Association.

The Association considered as its motto that, every can that goes out is a reflection on the industry, according to Mr. Bigelow. The speaker told of the difficulties of finding the causes of deterioration or imperfect preservation.

Lack of new use to abolish the tin tin.

The talk was full of interesting details of the trade and was well worth listening to.

CALL FOR CANDIDATES

There will be a meeting in the lower office of "The Tech" on Wednesday at 1:30 for all men who wish to become candidates for either the business or news board.

The Technology basketball team was defeated Friday afternoon by Penn State, 69-14, and again on Saturday by Lehigh, 33-22.

Men of Fashion Smoke “Bull” Durham

After a big night at the opera, men who subscribe to boxes for the season—masters of the fine art of enjoyment—relish fresh, delicious cigarettes of “Bull” Durham tobacco while waiting for their limousines.

Their are the strong, active hands of self-achievement—capable of controlling the destinies of an industry, or of “rolling their own” “Bull” Durham cigarettes with equal success.

Genuine “Bull” Durham Smoking Tobacco

Cigarettes rolled with this pure, mild, sun-mellowed tobacco are supremely gratifying to the trained smoke taste—their freshness, smoothness and distinctive, unique fragrance, delightful beyond comparison. That is why connoisseurs throughout the world prefer to “roll their own” cigarettes with “Bull” Durham.

FREE

An Illustrated Booklet showing present way “Roll Your Own” Cigarettes, and a package of cigarette papers, will be mailed free, to any address in U.S. on request. Address “Bull” Durham, Durham, N. C. Room 1600.
