Well, did you miss us last Wednesday? There was so much excitement caused by the doings of the Senior Class Day Committee and the committee thereon that the Niemand zu Hause story had to be ditched.

But we are back, strong. And there's more to come. We have it from an authoritative source that both sides in the above mentioned contest in this department at 4 p.m. on Tuesday, March 5th, in the Tech Show office. The men having the four fastest times will receive the appointments. The 'Shingle' will be taken on all trips and will handle the lights used in the production of the Show.

The Sophomore runners had little trouble in defeating the freshmen Wednesday afternoon to the tune of 47 to 16, and although the first year men fought hard, every first place was captured by 1917. Brock proved the individual star of the meet, winning the half mile race, and later running away with the quarter. He was opposed by Hamilton, the freshman captain, in the 880-yard run, but had no difficulty in romping home an easy winner. The mile race turned out to be the most interesting of all, for up until the last lap Earl led, closely followed by Litchfield and Parker. At this point Litchfield took the lead, with Parker and Earl fighting for second place. Litchfield, however, won out, but Parker and Earl ran the last lap shoulder to shoulder, finishing in a dead heat.

The 35-yard dash was won by O'Hara, '17, but he was closely pressed by Kwan, the star splitter for the freshmen, and Doon, '17, who finished in the order named. The 40-yard high-hurdles was easy for the Sophomores, Gutmanovich, '13, securing third place preceded by Jewell and Bell of the Sophomores. All three places in the high jump were won by

A crowd of about three hundred people witnessed the defeat of the Technology wrestling team by Harvard last Wednesday evening. This was the first defeat the team has suffered in the past two years. Contrary to expectation both teams made a decision counted the same number of points; each one. Harvard won three decisions, while the Technology team obtained two falls. Every bout was very close and the match was in doubt until the last minute. The first bout was in the 115-pound class between Loof and Dec. (Continued on Page Three)

FRESHMAN TEAM MEETS ANDOVER

Track Squad To Compete At Andover In Last Indoor Meet Of Season.

The freshman track team meets Andover Academy tomorrow afternoon at Andover in the last indoor meet of the season on its schedule. The team has only participated in two meets so far this season, one with Lowell Tech and the other against the Sophomores in the annual indoor interclass meet, and although they have lost both, they feel that they have at least a fair chance Saturday.

The feature event will be the half 

SHINGLE COMPETITION

W. G. Sprague Wins Prize Offered By The Tech.

At the meeting of the Managing Board of The Tech Tuesday afternoon it was decided to award the $25 dollar prize offered by The Tech for the best shingle submitted before Feb. 23, to Wm. G. Sprague, an architect in the Junior Class. The shingle is remarkable for its originality. It portrays a man operating one of the first forms of printing presses. The style of art is the same employed in the mural decorations on Huntington Hall, which so well represent the spirit of Technology.

FACULTY NOTICE

The list of candidates for the degree of Bachelor of Science the present year has been presented to the Faculty, and all persons whose names are on it have been notified individually. The list cannot now be changed except by vote of the Faculty, and any student expecting to be recommended for the degree this year should consult me if he has not been notified that his name is on the list.

A. L. Merrill, Secretary.

M.I.T. FORUM

An open discussion on Militarism will be held in 8 Eng. C on Friday, March 15th, at 11.5. The talk will be held under the auspices of the M.I.T. forum and, owing to the fact that both exponents of and opponents to Militarism will speak, the subject will be discussed from as broad a standpoint as possible. All the men interested are invited to be present and after the discussion a vote will be taken to find out the sentiment of those present.

srt of Harvard. After five minutes of foot-work Loo threw his man to the mat and obtained a fall with a half Nelson and body hold after eight minutes, thirty-five seconds. Rounds of Tech and Davison of Harvard wrestled next in the 115-pound class. Both men were very evenly matched and the bout went an extra period of three minutes. The decision was given to Davison. A bout in the 135-pound class followed between Gillett of Tech and Carter of Harvard. This bout was fast throughout, there being little foot-work. After eight minutes, thirty seconds Gillett got a fall with a head chancery and body hold. Wood of Tech and Captain Bremont of Harvard, 155 pounds, next wrestled. This bout was close and went an extra period. The decision went to Bremont after twelve minutes. An exhibition bout between Merts and Bond, both of Tech, followed. As a match of fast, rough and tumble work it would have been hard to surpass. The last bout was between Goodell of Tech and Hull of Harvard, in the 164-pound class. The bout was mainly foot-work, the decision going to Hull after nine minutes. This was the only decision Harvard got without an overtime period.

The referee was Dr. D. W. Frohman of the B. Y. M. C. U.

TECH SHOW

There will be no rehearsal of the Tech Show double quartet tomorrow. Instead the men composing the quartet will report at Notman's Sunday morning at nine o'clock.

GYMNASIUM TEAM

The following men on the Gym

team will go to Andover Saturday afternoon on the three o'clock train from the North Station: Capt. Men- 
deburn, Ellis, Fletcher, Baxter, Ford, White, Rogers. A final practice will be held at the Gym this afternoon at five o'clock.

COMMUNICATION

To the Editor of The Tech:

Sports are supposed to be exciting but I personally do not think that one can call it a sport when four men compete in an event with excessive danger to life and limb. I refer to the pole vault as contested for indoors. Practice for this event is most irregular. The records are, therefore, correspondingly ridiculous. No one stays to see the outcome as it possesses no interest and always takes until the shades of night are falling, if not fallen. Why not withdraw this event from the schedule of indoor meets and leave it to outdoor competition where the men can at least practice without running all kinds of foolish risks besides taking up too much room in our limited gymnasium?

Very truly,
L. B. B.

NO CLASS-DAY FRAME-UP

All Convinced Of Good Faith— Problem Unsettled.

The Class Day Committee began its meeting last Wednesday with a very thorough and frank discussion of the basis for the charges made concerning the Committee's election of First Marshal. As a result, the Committee unanimously passed a vote expressing its conviction that every member had acted in good faith. The discussion showed that, while all realized that nothing approaching a frame-up had existed, the minority believed the majority to have been, perhaps unconsciously, influenced by personal feeling.

The discussion then turned upon the question whether the First Mar- 

shallship was a strictly honorary of- 

In, or whether it was rather a posi-

tion of responsibility which the Com-

mittee ought to use its own judg-

ment in filling. As at first, the mem-

bers were divided on this question, 

strong arguments being given on both sides. It became apparent that on the settlement of this general ques-

tion the issue of the controversy 

would depend.

The Committee meets again this afternoon at 5.
