Promotions Made in Instructing Staff

At the last meeting of the Executive Committee of the Massachusetts Institute of Technology the following advances in grades were made to members of the instructing staff:

Associate Professor Henry G. Pearson is advanced to the grade of Professor of English and will be placed in charge of the department on the retirement of Professor Atlee Bates at the end of the present academic year. The following assistant professors were advanced to the grade of associate professor in their respective departments: Dr. Robert P. Hibben, zoology and parasitology; W. Bolton Brown, freehand drawing; Harold A. Everett, naval architecture; A. W. Felton Brown, freehand drawing; Miss Ruth M. Thomas, research assistant in organic chemistry, is advanced to research associate in the same department.

The title of Professor A. E. Kennelly has been changed from chairman to director of the Research Division of the department of Electrical Engineering.

CHAUNCY HALL CLUB

Meeting Held Last Friday—F. T. Kurt Speaker.

On April 23 a meeting of the Chauncy Hall Club was held in the Union. The proposed change of officers was discussed, and it was decided to have it at Riverside instead of Salem. Tickets for this outing are obtainable from officers of the club or at the Lower Office. This call is for 1918 candidates. Slips to be sold by members of Class Day Committee.

MEETING FOR NEW MEN

Freshman Candidates For The Tech To Meet Tuesday.

At 1.30 there will be a meeting of candidates for The Tech in the Lower Office. This call is for freshmen who did not come out last fall, but have become interested in The Tech since then. It is the last opportunity for 1918 men to join the paper this season. Men who report at this time will have the advantage of five weeks' experience over 1917 candidates next year.

PRIZE DRILL ON MAY FOURTEENTH

Last Saturday afternoon only a dozen men turned out, and by comparison with last year the outlook is very discouraging. Last Saturday afternoon only a dozen men turned out, and by comparison with last year the outlook is very discouraging.

MEETING FOR NEW MEN

First Meet Of Outdoor Season Will Take Place Saturday At Worcester.

Next Saturday, May 1, the first dual meet track of the outdoor season will be held with Holy Cross College at Worcester. The train, carrying a special car, will leave Trinity Place at ten o'clock Saturday morning. The management has no arranged affairs that any man who wishes to see the meet may go on the special cars. The fare for the round trip will be one dollar and eighty cents.

The week proceeding, a dual meet with Bowdoin on Technology's Field will be held. The results in this meet will determine Technology's entries in the New England Inter-Collegiate. Bowdoin has a very well balanced team this year as was shown by her performances in the past indoor season.

SENIOR ASSESSMENTS

MEETING FOR NEW MEN

Senior Assessments

Next Wednesday, each member of the 1915 Class Day Committee will be supplied with a book of assessment slips, by the sale of which the expenses of Senior week will be defrayed. A certain group of Seniors will be assigned to each member of the Committee, who is expected to collect from that group. This assessment covers every expense connected with the celebration, the Picnic, Dinner, Reception and Dance. Baccalaureate Sermon and Class Day Exercises.

WENTWORTH INSTITUTE

DEFEATS FRESHMEN

Ragged Playing By Both Teams — 1917 Plays 1918 This Afternoon.

Last Saturday, Wentworth Institute defeated the 1918 team, eleven to five. The playing was very ragged. Wilson and Ryan showed up well as pitchers but Smith was hit heavily. Jones, in centre field, furnished the sensations of the game by two catches which seemed miraculous considering that the outfield was very rough. Today at 4 o'clock, 1917 plays 1918 on the Fenway playground behind the Art Museum.

AMERICAN
"American" brand tobacco and pipe. Every pipe hand-crafted and shaped especially for you.
States War Department. This will include regimental drill, company drill, and individual drill. The regimental drill will consist of formation for ceremonies, parade, several regimental formations, and Butt's Manual. The company drill will comprise the usual company movements; seven minutes are given each company. The individual drill team will be made up of four men from each company and the drill will consist of the manual of arms, muskets, and fence. Three prizes will be awarded, two individual and one company prize.

On May 16th, at 12 o'clock the regiment will be inspected by the government. The inspecting officer will be Capt. Schindl, who inspected the corps last year. Capt. Schindl's report of the regiment will be placed on file by the War Department and will be compared with the work of other colleges where drill is a requirement.

The Clubmen of America are Enthusiastic "Bull" Durham Smokers

No body of men has greater opportunities for wide experience, comparison and selection. They have the means to command and the trained taste to appreciate the best of everything in life. In the cigarettes they make for themselves, to their individual liking, from "Bull" Durham tobacco, these men find the delicious freshness, incomparable mildness and unique fragrance, that afford supreme enjoyment and satisfaction. At all times and occasions it is correct, fashionable, epidemic to "Roll Your Own."

Genuine "Bull" Durham Smoking Tobacco

Made from the finest, mellow-wipe leaf grown in the famous "bright" tobacco district of Virginia-North Carolina, that supplies the world with cigarette tobacco. Much of the delicate flavor and fragrance of this leaf escapes from the ready-made cigarette. These rare qualities can only be retained in the habit of tobacco in the "Bull" Durham, and enjoyed in the freshly "Bull" Durham cigarette.

FREE
An Illustrated Booklet, showing correct way to "Roll Your Own Cigarettes," and a package of cigarette papers, will be mailed, free, to any address in the United States on request. Address "Bull" Durham, Durham, N.C. Room 1400.
