SMOKER FIRST EVENT
FOR THE ARCHITECTS

Tonight Opens Architectural So-
ciety Program With a
Free Smoker.

The Architectural Society will hold
an informal smoker this evening in the
Studio, Room 50 Petros. There
will be no admission fee and anyone
connected with the Institute who is
interested in Architecture has been
cordially invited. President Brophy
of the Society, when seen yesterday,
pointed out that it would be advantageous
for freshmen contemplating studying
Architecture to attend as the meeting
will be of particular interest to them.

INSTRUCTORS NEEDED

In connection with the Social Wel-
fare work, the T. C. A. has issued an-
other call for volunteers to teach
English to Cambridge factory girls
at night school. A few men responded
to the first call but more are needed.
Men are also needed to instruct
groups and classes of boys at the
Boston Y. M. C. A. The fact that
the English classes are to begin
Thursday evening makes an early re-
response necessary.
