MAINE LEADS CORNELL
IN CROSS COUNTRY

New Englanders Break Into List
Of Champions—Technology Get Eighth Place.

Malone nosed out Cornell out of champion
ship honors in the big I. C. A. A. A. cross-country run Saturday
morning at Franklin Park by the narrow margin of three points. It
was a wonderful race in which the great running of the New
Englanders in placing four of the top men far outweighed any
advantage gained through individual honors. Maine scored 31 points, Cornell get
nies.

Technology could get no better than eighth place, Capt. R. G. Brown
being the only member of the team to place among the leaders. Al
though Brown took the individual honors in the New England event
last week, this time he could not

FRESHMAN CLASS PER
MANENTLY ORGANIZED

Griffin President By Large Ma
jority—Miss Brennan Made
Secretary.

Practically all the freshmen who
had paid their dues came out to the
first 1919 elections with the result that the of
fi cers elected are thor
oughly representative of the wishes of the
class. A. E. Griffin was made
President by a large majority, but
his backers were not to be compared
with those of Miss C. T. Brennan who is
now the class Secretary. Miss Brennan was the only "Co-ed" to
run for an office and her success shows
that Suffrage was not completely
suppressed by the recent defeat.

L. W. Dalton was elected to the
Vice-presidency and A. E. Garnsey to
representative. A. E. Page was very
appropriately appointed to the M. I.
T. A. A. considering his work as cap
of the Football Team. His com
pany in office is G. F. French, a
member of the tug-of-war team. A. L.
Winslow, who has been one of the
freshmen cheer leaders, was elected to
the Institute Committee with K. A.
Wright while the two members of the
Executive Committee are G. H.
Davis and J. W. Reis, Jr.

TECH ORCHESTRA

Results So Far Encouraging
—Plans Four Concerts.

Arrangements have been made
with the Boston Symphony
Orchestra for a concert to
be given by the Tech Orches
tra which is being organized
favorably. Although the showing has been
good, more players are needed in
the string and wood sections. Re
harsals are held every Wednesday
afternoon in the Union at 4:15 o'clock.
A large number of men, including
several new candidates, were present
at the rehearsal Wednesday, and the
orchestra is now on the way to be
come a permanent organization.

Any fellow who plays an instru
ment and who can spare an hour a
week may attend the next rehearsal
and obtain first hand knowledge
of the organization, or may leave a
note at the Cage for the Tech Orches
tra.

LYRIC WRITERS

The first meeting for those inter
ested in writing lyrics for Tech Show
1916 will be held in the Show Office
Tuesday afternoon, November 29 at
5:00 o'clock. In order that the men
may get an idea of the character of the
lyrics to be used, portions of the
books will be read, and the three
sides will be present to explain
details and answer questions.

PRoM COMMITTEE NOM
ATIONS DUE FRIDAY

Must Be In At The Cage By
Four-thirty—Ballots To
Be Mailed.

Nomination papers of candidates for the Junior Prom Committee must be
in the cage not later than 4:30 P. M. next Friday, Novem
ber 29th. Each ballot must be signed
(Continued on Page Two)

BIG PICTURE TODAY

Mass-Meeting On Copley Green At Noon Today.

The first all-Technology photograph will be taken on the Green at Copley
Square at 1:05 o'clock today. The picture was postponed last Friday on
account of rain, but a bigger crowd than ever is expected to be out as a
result of the longer notices which has been given.

To avoid delay the class will under
meet their Presidents as follows: Seniors and Juniors on the Boylston
Street side, Sophomores on the side toward the Copley Plaza, and the
freshmen, under the direction of "Rusty" White, opposite the Library.

SENIOR DINNER

The Senior dinner is to be held at
the Hotel Lenox on December 2nd at
6:30 o'clock. Although the cost per
plate will be $1.25, the tickets will be
sold for $1.00, the class paying for
the remainder. Tickets will be on
sale early this week.

DATE SET FOR COM
BINED CLUBS CONCERT

Will Be Held At Copley Hall On December 17—New Features Added.

Arrangements are well under way for the annual Winter Concert and
Dance of the Combined Musical Clubs, coming on Friday evening, December
seventeenth. This event, which is one that has steadily risen to its present
high standing as a feature of the social life at the Institute, will
(Continued on Front Page)

INTER-FRATERNITY CON
FERENCE MEETING

 Held At Engineer's Club On
Thursday—Complete List Of
Officers.

The following officers were elected
at the meeting of the Inter-fraternity
Conference held at the Engineer's
Club Thursday night: President, T. D.
Brophy; vice-president, P. N. Cri
al; Treasurer, L. L. McGrady; Sec
retary, W. H. Fleming. In addition to
these, three men, Messrs. C. W.
Loomis, W. H. Shakespeare and R.
Mills, were elected to constitute an executive committee. The fraterni
fica repre sented and the delegates are as follows: Sigma Chi, K. M.
Harberstadt and L. L. McGrady; Chi Xi, J. G. McDougall; Chi Phi, T. D.
Brophy and G. Roger, Jr.; Delta Kappa Epsilon, C. H. Lerdorf and D. G.
Tarpley; Phi Beta Epsilon, E. F. Hewins and R. Mills; Delta Upsilon, W.
Shakespeare and P. Bernard; Sigma Alpha Epsilon, L. Lawson and W. R.
Fethcy; Delta Tau Delta, W. H. Fleming and G. D. Kihlgren; Phi Gamma Delta, H.
H. Hawk and H. P. Eddy; Phi Sigma Kappa, G. H. Gaus and G. M.
Lovejoy; Theta Chi, J. A. Tobey and W. M. Anger; Phi Kappa Sigma, J. P.
Udjong and P. N. Cristal; Alpha Tau Omega, P. H. Buxton and W. G.
Parr; Theta Delta Chi, A. K. Stewart and A. E. Moody; Lambda Phi, A.
Haberstadt and L. T. Hill; Lambda Chi Alpha, L. Stone and D. Ely; Beta
Theta Pi, C. W. Loomis and D. F. Dodge; Keappa Sigma, H. E. Schabec
ker and R. S. Stevens.

Tech Show Office.

ALL-TECHNOLOGY PHOTOGRAPH TO-DAY 1:05 P. M.
THE TECH

THE TECH is published as second-class matter, Sept. 14, 1915, at the postoffice at Boston, Mass., under the act of Congress of March 3, 1879. Published tri-weekly during the college year in the offices of the Massachusetts Institute of Technology.

Office: 42 Trinity Place.
Phone: Back Bay 3716.
Night Phone: Mark 2036.

MANAGING BOARD.
H. R. Clapp, '17. General Manager.
E. P. How, '15. Editor-in-Chief.
B. P. Deskin, '17. Advertising Manager.

OFFICE HOURS.
(Daily except Saturday)
General Manager 9:00 to 12:00 P. M.
Editor-in-Chief 9:00 to 12:00 P. M.
Advertising Manager 9:00 to 12:00 P. M.
Circulation Manager 9:00 to 12:00 P. M.
Treasurer 9:00 to 12:00 P. M.

Subscriptions, $1.50 per year. In addition, $1.00 for single copies.

THE PROM COMMITTEE.

As the climax of the social activities of undergraduate life the Junior Prom deserves the best ability that a class can provide. The first that the class has already selected is its president a competent man for chair- man of the Prom Committee does not mean that it will be a sine thing to award the other four positions to the good fellows whom everyone wishes to have some sort of an office. In making the nominations for the Committee there are two qualifications which should be rigidly insisted upon. First, the nominee must have his class dues in order. Second, he must have the means to give us leisure in the making — that the best results may be given. The charts are comprehensive and convey at a glance such information as in the province of physics. The Babson statistical service pro- duces the general trend of business conditions in any line, and the system which has been worked out so carefully that the company's reports are 98% efficient. No definite predictions as to specific conditions as at any given time is attempted; all the service undertakes is the forecasting of the General trend of the market. The work of this sort was begun in 1890, and has been continually brought to such a degree of efficiency that a great number of firms place their trust in the reports put forth every two weeks by these experts.

COMMUNICATION

To the Editor of The Tech:

The recently organized Tech Or- chestra has already had two rehearsals, and there are prospects of hav- ing an excellent student orchestra. Mr. Howard has been engaged as coach, and he plans to start work within a short time on a concert pro- gram. Although the showing made is good, more players are very much needed, particularly in the string and wood sections. Rehearsals are held every Wednesday afternoon.

Anyone who plays an instrument and who can spare an hour a week should come to the rehearsal next week, or, write a note at the Cage for the Tech Orchestra.

SOME men change their tobacco brands as regular as a woman changes her mind. An’ others smoke VELVET.
CROSS COUNTRY RUN
(Continued from Page One)

Yale placed her crack runner, Overton, at the top of the winners, the Eli negotiating the six miles in 33 minutes, 21 1-5 seconds. His victory was hard fought, however, and it was not until the very last stretch had been covered that the Yale runner found himself in the lead.

Burton, however, had come on strongly in the seven-mile race and he was hard to stop in the final stretch.

Theorderoffinishwas: J. Overton, Bell and Preti, all three plugging hard throughout the long race. At the final stretch Overton had a fifteen-yard lead on Preti which the latter tried vainly to overcome. But the Yale barrier held his lead and won, Preti following a few yards behind, and Bell leading Brown by thirty yards. Poister, the famed Cornell runner, led Brown by only a few yards.

Technology might have made a better showing had there been more men on the team as good as the captain. After Brown had crossed the tape in fifth place Gutting, the twenty-second man in the race, was Technology's second man to place, but it was not until forty men had finished in the race that the third runner placed for the Institute. McVicker was forty-first, Graff forty-eighth and Dodge fifty-seventh in the race, thus accounting for Technology's score of 171 points.

Technology was the host for the runners last Saturday, the contest being held under the auspices of the Institute track management.

The teams were:

Yale ............ 5 8 10 28-51
Cornell ........ 4 7 9 16-84
Princeton ....... 6 22 26-123
Bartowth ........ 12 14 25 26-112
Pennsylvania .... 20 27 30 33-124
Harvard .......... 17 22 32 34-116
Rycarner ....... 19 19 40 41-143
Technology .... 5 21 48 57-173
Yale ............ 1 29 56 65-208
Michigan ........ 31 49 62 70-245
Columbia ....... 28 59 64 73-256
Brown ............ 21 54 69 75-282

This is the place for Tech Boys to buy their Apparel, Furnishings and Room Accessories — the BigStore has the goods.
WINTER CONCERT
(Continued from Page One)

be held this year at Copley Hall on
Clarendon Street. The date selected
comes in the last week before the
Christmas holidays.

After almost two months of hard
practice, the Clubs are now perform-
ing in mid-season form. The initial
concert of the season, given Novem-
ber 18 at the Franklin Square House,
served to give both the leaders and
the men an idea of what may be ex-
pected of the Clubs this year. The con-
certs booked for dates before the
Winter Concert are at the Dudley
Street Baptist Church on November
16, at Wheaton College, Norton,
Mass., on December 6th, and at New
Bedford on December 7th.

The same idea of progress will ex-
sist this year as last, that is, a con-
cert of vocal and instrumental num-
bers interspersed with vocal solos
and other features. The Glee Club
is under the leadership of P. W. Carr
'18, of Lawrence, while M. M. Bran-
degar '17, formerly of Yale, leads the
Mandolin Club, and E. Stewart
Robjettt, '16, of Brookline, holds a like
position on the Bar Jno Club. The
clubs are coached this year by the
same experts who have handled
them in the past, C. L. Bennett of the
New England Conservatory of
Music for the Glee Club, and C. L.
Lansing, noted throughout the coun-
try as an expert composer and pec-
trum artist, for the instrumental
clubs.

Several new features will be pre-
vented this year, among them a short
skit dealing with college life in its
lighter vein. This is the work of T. B.
McDaniel '16, the author of Tech
Show 1915. The men taking part in
the sketch are all members of the
Glee Club. Another feature of this
entertainment will be a Mandolin
 Sextette, composed of Mandolin Club
men. The lively rag-time presented
by Lowe's orchestra, one of the
prominent organizations in the city
that plays at the social functions of
Harvard and other local schools. As
has been the custom of years past,
Maddalena will preside over the
catering during the intermission.

The management has decided to
reserve tickets in blocks of ten or
more before the regular reserved
seats go on sale. This is for the
benefit of the various fraternities
which are planning to hold house-par-
ties over the week-end and for other
organizations who may wish to avail
themselves of the plan. This ar-
rangement is bounsie and is open to
any group of people of ten or more.
The reservations will be made in the
order in which the applications are
received.

Tickets for the affair are now in
the hands of club members from
whom they may be obtained. Re-
served seats go on sale about De-
ceember 10th. Preliminary dance or-
eries will be distributed during the
week before the date of the concert.
BARKER OPERATED ON

J. W. Barker '16 was seized with appendicitis early last Friday morning and underwent a successful operation that afternoon. It is expected that he will be able to resume his Institute work in about two weeks.

Barker is a member of the Phi Kappa Sigma fraternity, is president of the Officers' Club, major of the first battalion in the Technology Regiment, and captained the winning company at prize drill last year.

FACULTY NOTICE

Military Drill and Military Science Lectures will be omitted on Wednesday, November 24th, and on Friday, the 26th. MAJOR EDWIN T. COLE.

A New Model Typewriter!

The

No. 9

OLIVER

The Standard Visible Writer

BUY IT NOW!

Yes, the crowning typewriter triumph is here
It is just out—and comes years before experts
expected it

For makers have striven a life-time to attain this ideal machine. And
Oliver has won again, as we scored when we gave the world its first
visible writing.

There is truly no other typewriter on earth like this new Oliver
“g.” Think of touch so light that the tread of a kitten will run the
keys!

CAUTION!
The new-day advances that come alone on this machine are all con-
trolled by Oliver. Even our own previous models—famous in their
day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little
feet of the right and left hands. And it lets you write them all
with only 23 keys, the least to operate of any standard typewriter
made.

Thus writers of all other ma-
chines can immediately run the
Oliver Number “g” with more
speed and greater ease.

WARNING!

This brilliant new Oliver comes at the old-time price. It costs no
more than lesser makes—now out-
of-date when compared with this
discovery.

For while the Oliver’s splendid
new features are costly—we have
equalized the added expense to us
by simplifying construction.

Resolve right now to see this
great achievement before you spend
a dollar for any typewriter. If you
are using some other make you will
want to see how much more this
one does.

If you are using an Oliver it
naturally follows that you want the
finest model.

17 CENTS A DAY
Remember this brand-new Oliver “g”
is the greatest value ever given in a
typewriter. It has all our previous special inventions—visible writing,
automatic spacer, 6½-ounce touch—plus the Optional Duplex Shift, Se-
tective Color Attachment and all those other new-day features.
Yet we have decided to sell it to everyone everywhere on our fam-
ous payment plan—17 cents a day! Now every user can easily afford
to have the world’s crank visible writer, with the famous PRINTER, that
writes like print, included FREE if desired.

TODAY—Write for Full Details and be among the first to
know about this marvel of
writing machines. See why typists, employers, and individuals every-
where are flocking to the Oliver. Just mail a postcard at once. No
obligation. It’s a pleasure for us to tell you about it.

The Oliver Typewriter Co.
