THE BEST TECHNOLOGY SONG

and Music

Composed of

Competition closes March 15.

Address all communications and send your entry to:

GEORGE B. GLIDDEN.

21 Tremont St. Boston.

ANNUAL SHOW SMOKER

Coach Hume To Be Present—Stage Competition To Be Run For Freshmen.

Actual work on Tech Show 1916 will start tomorrow evening and a show will be given at 7.30 o'clock in the Union. All men intending to enter for the Show in any capacity are expected to be present and the keenest interest will be shown that may be used to acquaint the members with the character of the competition. The winning men and those who will be connected with it.

As has been the custom in former years, parts of the play will be read

and explained, in order to illustrate the type of performance to be given this spring. Mr. Samuel Hume, coach of Tech Show 1915, who has recently returned from an extended theatrical tour in the West, will be present to outline the work of the cast, chorus, and ballet, and the possibilities of producing a successful play during Junior Week. Men interested in the Show will have an opportunity to learn what has been accomplished on this year's play and what is still to be done.

On Friday afternoon at 5.00 o'clock the sign-ups and preliminary trials for the cast, chorus, and ballet will be held in the Union; and on Saturday afternoon the complete voice trials.

The book, lyrics, and music for this year's Show have been completed much earlier than those of former years and have been carefully revised. The designs for the scenery have been completed and were exhibited at the Hotel Lenox, where they received favorable criticism.

Rehearsals will start this week, and continue until the play is produced during Junior Week. There will be three rehearsals weekly under the supervision of Coach Hume. Miss Virginia Tanner, who has charge of the dancing in former shows, will again coach both the individual and ballet dancing, which is an important part of this year's production.

Tomorrow afternoon at 5.00 o'clock Stage Manager Hunter will select men for the competition for Freshman Assistant Manager in the Show Office. This is the last position on the Management to be opened to competition this year. The Assistant Stage Manager's position leads to the position of Stage Manager of the 1918 Show, and a capable man in this office has an excellent opportunity of becoming General Manager in his Senior year. The competition will be limited to men who have some knowledge of music since this is essential to the performance of the duties of assistant.

THE PANTECHNICON LATEST PUBLICATION

New Periodical By Alumni

In Furtherance Of Dedication Plans.

During the past vacation a new member has been added to the list of Technical publications. The PANTECHNICON, a journal devoted to the furtherance of the "Union Reunion and Golden Jubilee" of 1866-1916, is published. This publication has four pages of four columns each and is to be sent out to former students and members of the University. Copies of the paper have been mailed to many alumni together with a statistic blank asking for information concerning the present salaries, hopes, and prospects of former students.

The printed feature story of the first issue concerns the voyage from New York to Boston in the "Hesperus", by Mr. Hugh Cairns, the sculptor, to visit his studio, which is due in Boston at 9 a.m. Monday, March 15.

Sign-ups for Technique 1917 began at 4.00 p.m. Treasurer McGrady announced that two hundred and twenty-two men had been signed up. The sign-ups and preliminary trials for the cast, chorus, and ballet will be held in the Union; and on Saturday afternoon the complete voice trials.

FRESHMAN TRACK

Titters will be held in the Gym, this afternoon to pick the team to meet at Lowell High School Saturday afternoon. All freshmen can run, jump, or put the shot are requested to report. No experience required.

INSTITUTE COMMITTEE

There will be a meeting of the Institute Committee this afternoon at 3 p.m. in Room C Engineering C. This will be the first meeting of the Institute Committee at the New Union. All members should be present. No previous experience required.

ARCH SOCIETY

The Arch Society, the most popular society in the Union, will hold its next meeting in the studio of Dr. John B. Ford, Saturday night at 8:00 p.m. The Arch Society is composed of five men, and is composed of the most popular members of the Union.

GLEE CLUB TRUTHS

Candidates for the Glee Club will be called out this week. The tryouts will be for bass only, as no tenors will be needed this season. Signs are to be posted around the clock. Tryouts are to be held at 5:00 o'clock Thursday afternoon in the Union.
WHISTLING MEET.
Technology To Meet Springfield
Y. M. O. A. Saturday.

The first home whistling meet of the year will be held next Saturday
in the Institute Gym, when Technology meets the Springfield
Y. M. O. A.

The whistling team came back from its mid-year trip in excellent
condition. Although twice defeated
their opponents, they were given a very
hard fight in both bouts, and the
expectation should prove of the great
value to future meets. The meet
will begin at 2 o'clock sharp. Appearance
may be obtained from the

A TECHNOLOGY SONG.
The advent of the great reunion
next June has engendered many
thoughts as to how we can best
handle the visitors. The plan has been
set forth in the old songs and they have long since ceased
to mean very much to the men who
were written during the peri-
dation of the class and not do any way suggestive of Technology;

FENCING TEAM TO ELECT NEW LEADER

Technology Swordsman Lost Their Captain When McRae '16 Left For Front

The Fencing Team schedule as drawn up by manager Herman goes into effect almost immediately. Practice will be held at Mid-Years where the team has had no matches, but the present schedule calls for many, the most important being with Yale, Harvard, and Columbia. The season ends with the Intercollegiate at New York, which the Technology fencers will compete in.

The members of the Architectural Society have been invited to attend this meeting.

The Tech is in a position to offer you exceptional values in clothes and shoe trade. See the general manager or treasurer, at 5 o'clock any evening. Apply at once as our offer is good for one month only.

LONG BOXING RECORD
Couch Boulter Has Won Many Amateur Honors.

The coach who is organizing the new Technology boxing team has a remarkable record as an amateur boxer. In December 1901 he first came into prominence, winning two bouts in the open class tournament at the B. A. A. in the 145 lb. class. In March 1902 he repeated this performance and in the same year he won the tournament, and also the New England championship at that weight. In 1903 he won a special belt in New York and again captured the New England title. In the same year he went to San Francisco where he won the championship of the Pacific coast. In the spring of 1904 he entered the Boston Fire Department and did not further box in public until 1907, when he resigned under the name of John Griffin. In the 148 lb. class, winning three bouts. The name was assumed on account of the objection of the Fire Department to the public appearance of its men under their own names. In 1908, still in the same class, he won the New York and Philadelphia tournaments in January and the Chicago tournament in the following month. During the season of 1909 he won two special bouts in the B. A. A. and gathered in the New York and New England championships. In 1910 he won three special bouts at the B. A. A. in the heavyweight class although he was light. He also won the National championship at 168 lb. class that year. In 1911 he won the New York and National titles. He did not appear during the next year but in 1913 he came back in the heavyweight class and although between twenty and thirty pounds light was the runner up for the National Championship.

In May 1914 he was appointed Superintendent of Motor Apparatus in the Boston Fire Department and since then he has done no boxing in public. He started to coach the boxing candidates at M. I. T. two years ago, this being his third season at this work.

Need a good reliable fountain pen? The Tech has a limited number of Moore's Non-leakable pens to sell. Call at The Tech office at 5 in the evening and learn of our mutual benefit scheme of buying suits, shoes and fountain pens.

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

"Tux" is made of the finest selected Burley—full of gum and go and get-there liveliness. But it's a smooth, mellow, fragrant smoke—the "Tuxedo Process," which is often imitated but never equaled, takes away all the bite and parch and leaves it mild, sweet and cool. Try one tin of "Tux"—you'll find it will comfort, refresh and satisfy you as no other tobacco can.
