The Rifle Club will make the first of three trips to-morrow. There will be three other trips made to the range each week, and they will close two days before the trip is to be taken. The team is expected to take the trip out of those three which will be made each week. The propinquity of the meeting of the day on which the trip is scheduled on the days of the gun office, is the reason for the hunting of the day in the office of the president of the building. There will be in large effect at the trip to the gun office and ammunition to the men going out. Any gun taking the trip will meet at South Station at the gate to the trip at 9:30 a.m. all firearms before two o'clock.
