TECHNOLOGY HARRIERS WIN FROM DARTMOUTH

Green Beret in Cambodia and Group 52: The First American Peacekeeping Mission in Cambodia, as mentioned in the document.

In Hanover by the Score of 34-24.

CAPTAIN HERRING FIRST

Technology defeated Dartmouth in a non-league game held Saturday afternoon at the Tech office with the score of 34-24.

The score started promptly at 3:05, with the first of three touchdowns scored by the Hanover team. The first pass of the day was completed on the Dartmouth 25 yard line, from which point the Hanover team scored on the next play.

The Hanover team took the lead, 34-24, in the third quarter with a touchdown and field goal.

The Dartmouth team was led by Captain John Herring, with the score of 34-24.

By the close of the third quarter, the Hanover team had scored a total of 34 points, with the Dartmouth team leading 24 points. The game ended with the Hanover team winning by a score of 34-24.

In the fourth quarter, the Hanover team continued to dominate, ultimately leading to their victory. The Dartmouth team fought back with several attempts at scoring, but were unsuccessful in their efforts.

By the final whistle, the Hanover team celebrated their victory, while the Dartmouth team was left to ponder the outcome of their game. The game showcased the strength of the Hanover team, as they emerged victorious with a decisive score of 34-24.

In conclusion, the Hanover team showcased their skills and determination, ultimately leading to their victory against the Dartmouth team. The game was a testament to the hard work and preparation of both teams, as they竞争ed for the top spot. The Hanover team's victory was well-deserved, as they outperformed the Dartmouth team in all aspects of the game. The Dartmouth team, although they fought hard, were unable to match the intensity and skill of the Hanover team.

Overall, the game was an exciting display of athleticism and sportsmanship, leaving everyone in attendance captivated by the intense rivalry and competitive spirit exhibited by both teams. The Hanover team's victory was a testament to their resilience and determination, as they emerged victorious from the game, cementing their position as a formidable force in the world of athletics.
Friday saw one of the most successful of Technology Field Days. The freshmen went down in defeat, losing the relay and the tug-of-war, but retaining the football game. Owing to the absence of a football team, the man, the first-year team played an excellent game and saved their class from a scoreless loss. The yearlings deserve a lot of credit for the graceful and sportsmanlike manner in which they accepted their defeat, not an ignoble one by any means.

To the Sophomores goes the distinction of having won their two Field Days, the goal of all classes, and they are to be congratulated for their accomplishments.

The post-Field Day celebration at Ye Wilbur in the evening was another thing which will go down in Technology annals as a credit to the undergraduate body. Nothing worse than to mar a perfect banner night. To the cast of “Love O’ Mine” is due the thanks of everyone who attended the performance for the enjoyable entertainment and the hearty cooperation with which they made possible a banner night.

The CHEF RACE

While not one of the thrilling Field Day events, the second annual chef race furnished one of the interesting features of the day. That there is an increased interest in this activity was proved by the increase in the three crews entered in the race. The men who went out for crew, while not sharing in the honors of Field Days, the goal of all classes, and they are to be commended for the graceful and sportsmanlike manner in which they accepted their defeat, not an ignoble one by any means.

The SOFOMORES goes the distinction of having won their two Field Days, the goal of all classes, and they are to be congratulated for their accomplishments.

FIELD DAY

NOMINATIONS for the class officers of the freshmen class and for the vacant offices in the upperclassmen caused by the war are due at the end of the week. This year is an unusual one in that a special election is necessary and what would be merely the election of the freshmen officers assumes about the importance of a general one. The necessity of a wise choice need not be called to the attention of the three upper classes, they have already had experience in this matter. The freshmen, however, may be a bit hasty in their choice of committees. Because a man is an athletic idol does not necessarily mean that he will be the best class officer, but neither does it signify that he will not. The elections are deferred until after Field Day in order to give the freshmen an opportunity to prepare for the election and to study the figures. There is no reason why the freshman committee should not take up this matter of making the freshman race one of the coming-point Field Day events?

CLASS NOMINATIONS

TECH NIGHT (Continued from page 1)

MANNING THE TECH at the annual banquet of the Technical Student Association is a copy of their activities, editing their preference for the two hours they will be spent in the Technique office during the week. Actual work in the competition starts today, and these men who have not received assignments should report immediately to the Business Manager.

FRESHMAN WRESTLING

The first exercise for the freshmen who intend to substitute wrestling for gymnastics work will be held in the basement of Building 2, the Caf., at 4 o’clock this afternoon. Mr. Cream will give a short talk on the subject and will demonstrate some of the more elementary holds. There are few things having as nice an ending as the folk dance. Mr. Cream will be expected to spend in the Technique office during the week. Actual work in the competition starts today, and these men who have not received assignments should report immediately to the Business Manager.

VENUS
10¢ PENCIL
No matter what course you're taking you need this famous pencil!

Because of its inexpensive quality of material and workmanship, VENUS is the finest pencil it is possible to make. If you like a thick soft lead that marks so that you can read the writing halfway across the room, choose the soft degree—4H, 2H, 3H, 4H—of VENUS pencil available!

For short-hand notes or easy writing (100 on the writ- ing desk) (modum soft) are popular.

For sketching, general writing, etc., HB—2H—2B (medium soft) will prove desirable.

For drafting, a medium hard pencil gives the best results and it's the 4H—6H—6B—of VENUS pencil that you want.

VENUS—One of the foremost names in the pencil industry. Always use VENUS pencils, the name to remember.
