A new Student Regiment for the year 1918-1919 has been issued by the Institute and copies may be had from an application at the Information Office. For the first time the hands of the men have been placed upon the colors, the first flag unfurling as the sentiment is law in the S. A. T. C. of W. T. C.

NAVAL UNIT DEATHS

D. W. Carry 'at and Cook 'at Victims of Immunization

David Woodworth Carry, "at, was 21 years up in Boston, Mass. He extended the various Voca- tional classes and graduated from the High School in 1917. The following fall he entered Technology in the class of 1919. During his freshman year, Carry became prominent in dramatic activities. He played the role in the Tech orchestra, for the film Club, and was a member of "The Tech" news staff. This year the naval unit elected one of Carry's fellowmen, but he found time to play in the navy orchestra. Last winter he participated on the staff of "The Tech" news, and in recent years he has been a frequent contributor to the weekly magazine, "The Tech.")

Walter H. Ford is recovering from an attack of influenza and probably will be back at his post at the beginning of next term. A week ago Monday, Mr. Ford was taken ill with a severe cold which later developed into pneumonia. He is now recovering and is expected to make a complete recovery.

COSMOPOLITAN CLUB MEETS

There was a meeting of the Cosmo- politan Club Thursday evening in Harvard- schield. Dr. E. B. Nightingale an honor- ary member, spoke on the subject of "The Age of Valves". Dr. Nightingale did credit to his subject and gave those who heard him a concise idea of the problems brought up by the question which is now so important in the settlement of the peace of the world. Refundments were served at the end of the meeting.

CARS TO RUN ON SINGLE TRACK

It is planned to repair the bridge in the area of the bridge can be used, there will be considerable delays because cars cannot pass on that portion of the bridge.

The engineers in charge of the work were careful not to allow any noise or vibration during the repairs. It is expected that the bridge will be ready for use by the first of the year.

The bank of colored lights was a part of the decorations of the Cosmopolitan Club.

MINOR DISTRICT WERE

Shells Begin With New Term

This year the naval unit elected one of Carry's fellowmen, but he found time to play in the navy orchestra. Last winter he participated on the staff of "The Tech" news, and in recent years he has been a frequent contributor to the weekly magazine, "The Tech."

PERSONALS

Menswear

The editors of THE TECH, X. M. T. A., Cambridge, Mass., are very grateful to the members of the University of Cincinnati that the boys in service care to let the love of their country be known. And it is a great pleasure to us to hear that the boys of the B.T.C. are organized to do what they can to promote the interests of the community. The B.T.C. is a well-known American institution and we are glad to see that the boys of the B.T.C. are doing some good work.

EDWIN DUNBAR GIVE WATCH

Naval Proms Gift After Disbursing

As a token of their appreciation of the splendid service in which Edwin Dunbar rendered to the United States, the Naval Proms presented to him a watch and chain. The gift was presented after the ball was discontinued. The Naval Proms presented to him a watch and chain.

CO-OP OVERBAGS

The following bulletin reporting many overbags for the men's stores has been sent out by Colonel Cobbs. "The B.T.C. of the R.T.C. of army overbags are all of high quality, and they will make a great demand among members of the R.T.C.," said the colonel. The sales have been good, and the colonel is satisfied with the results. The overbags are made of high quality material and are well suited for the men's needs. They are designed to meet the needs of the men in the fields of work and play.

FACE MASKS ON WOUNDED SOLDIERS

The masks are made of muslin and are designed to cover the face and neck. They are worn over the nose and mouth and are fastened under the chin with elastic. The masks are made to fit all sizes and are washable.

Department of the Interior

The Department of the Interior has established a new bureau to deal with the problems of the war. The bureau will be known as the "Department of the Interior Bureau for the War." The bureau will be under the direction of the Secretary of the Interior and will be responsible for all matters relating to the war.
If your baby is not doing as well as you hoped he would, use the Mellin’s Food Method of Milk Modification. It has raised thousands of students and their advisers as well as many babies.

**COMPETITION FOR CREW**

(Continued from page 1)

Other than the manner of the fishermen over the first of May, who may be managers of the crew in his junior year.

The competition will be short and sweet. Rowing will have a big impact in the years to come, the managing say, and is bound to develop into a real sport report. This is one of the experts that enough money will be raised to make the near future to cover a roof. This will help a great deal, the names, so the men will have all the facilities right here at the headquarters. He also believes not just the admissions in athletic development, which can be put off for the present. The thing amounting to thousands, in a splendid opportunity to come and give this activity rescued life.
