ENGINEERS WIN TWO WRESTLING CHAMPIONSHIPS

Rock Herford and Newford Are New 151 and 125 lb. Champions

HEREFORD WINS ONE FALL

Engineers Meet Take With 15 Points; Then the Brown Defeated

Technology's wrestling team ended its season in a highly successful manner at the Intercollegiate Track and Field Competition at Harvard University. The Engineers defeated Harvard and Brown in the all-important final meet, thereby adding to their reputation as a strong athletic team. The team's victory over Harvard was particularly significant, as it had finished second to the Crimson in recent years.

T. C. A. Gives Technology Chance to Heat Popular Psychologist

$1800 Loss Sustained—Dividends Will Not Suffer Due to Theft Insurance

Dr. Seerley to Speak Here on Human Psychology

Here Three Years Ago

To Dr. N. P. Seerley, Dean of the M. T. C. A. College of Springfield, is given the credit of lectures sponsored once a year by the Technology Challenge Committee. In 1925, Dr. Seerley delivered three lectures at the Institute. The lectures will be on the subject of "Man's Place in Human Life." Dr. Seerley is a favorite with his listeners now and to make his lectures live to the same extent. To this end he has arranged with the society of many gatherings of all sorts of people and has never been refused. Each year, Dr. Seerley delivers a certain amount of time to giving lectures at various colleges and for this purpose has arranged Spanish and French tours. According to the elder, M. R. Ross of the T. C. A. Committee, Technology is more likely to succeed in having successful in securing the services of Dr. Seerley in this respect than any other college.

Corporation XV Completes Tour

Partly Entertained at Many of the Plants Visited During Trip

Leaving South Station last Wednesday at midnight, 25 members of the Corporation XV left for Bridgeport, Conn., to visit the factories of the town. The evening was spent in the lobby of the Hotel Comodore, where the party prepared for the journey. At 30 o'clock the party departed for the Railroad Station, and the day being shown to the various plants in Bridgeport, the party returned to the hotel. The members of the party were greeted by the workers in the plants and received a hearty welcome by many members of the firm.

DECLINATION SHOWN IN REGISTRATION FIGURES

Registration for All Colleges in Country Also Falls

Registration figures for the three-year period must be obtained, but Registrar MacMaster reports that there will total in the figures for last year than the preceding year. The decrease is attributed to the effects of the emergency registration of the country in the current period. As the last week of the emergency registration of the country in the current period, it is likely that there will be a corresponding drop in the number of registrations for the period.

Miss That Train?

If you do not receive your registered card and student identification card before 3:30 o'clock today you will have to remain in the office before 6 o'clock today you will be out of luck.

TECH SHOW SCORES SECOND Engineered Success Before LARGE ALUMNI AUDIENCE

"Spyfly Blues" Is Song Hit of "The Hidden Idol" Number's Good

(Remember to THE TECH)

Walden Autistic, New York, March 28. Esko—Before a large gathering of alumni and undergraduates, the "Hidden Idol" cast, composed of Scull, Senator, Mitchell, and Brown, presented the musical "Spyfly Blues," which was the number to the song hit this year. It has a tune that is very melodic and is well adapted for the purposes of the evening performances. The cover of the musical score was of the greatest interest, as the singing seems to be a clever and original composition. The audience, which included alumni and undergraduates, "The Hidden Idol" number, which "The Hidden Idol" number, was the biggest success at the performance.

Weber's Debut

Weber's debut was the greatest hit of the evening. It has a tune that is very catchy and is well adapted for the purposes of the evening performances. The cover of the musical score was of the greatest interest, as the singing seems to be a clever and original composition. The audience, which included alumni and undergraduates, "The Hidden Idol" number, was the biggest success at the performance.

New University Club Will Offer Excellent Facilities

With every facility for the comfort and enjoyment of its members, the new University Club building of Boston will be the center of Trinity Place and Stuart Street at a cost of two million dollars. Under the leadership of men who have attended college two years, the club will begin in the early autumn. All modern club features will be included in its building, which has been designed to fill a long felt need among the college men of Boston, especially among the younger classes. A distinctive feature will be the sports facilities for squash, raquet, swimming, tennis courts, bowling, and billiards. A fine auditorium, two floors of sleeping rooms, a commodious library, and a large dining room are among the features provided for in the plans.

In the present time, 30 Technology men have applied for membership. After April 1, it will be impossible to secure membership certificates and it will be necessary to pay $250.00 for the first application. The memberships have actually been made on the condition that men who have attended college for two years and have not been out for more than ten years, pay on a sliding scale determined by the number of years out of college.

PHILOSOPHICAL PLAY

AT COOLEY THIS WEEK

The Cooleys are at the Copley this week in the philosophical tragedy, "U. C. R." The play is not so complex that its meaning cannot readily be seen. It is a little bit proletarian, the working class, the up and destroy the aristocracy, they will soon find that they are unable to perpetuate themselves for themselves, for we have all cried for ourselves. They must be built by real people who are exactly like the humans except that they are unable to perpetuate civilization and with this the play has been a success. The Jewett Players are at the Copley.

THE Class of 1924

is to be Congratulated on the Adoption of the Endowment Fund Plan of Life Insurance

Beyond the specific purpose of this decision there is a great stimulus to the individual alumni and the substantial friends or former students of M.I.T.

No one can measure accurately the effect of the 1924 section—following a similar plan of the last year’s graduating class. Directly and indirectly Technology will unquestionably receive additional gifts, pledges, insurance endowments, etc.—simply because those men nearest to the present M.I.T. are doing their part for constructive future development.

Caring for the future is the fundamental reason for life insurance. For over sixty years the John Hancock organization has emphasized a conservative present appraisal of future value, whether of an individual, corporation, or institution.

Life Insurance adapts itself to many purposes—family protection, business credit, mortgage replacement, institutional endowment, education of children, and income for old age— purposes which the Hancock is prepared to carry out in every possible way.

Technology is Overwhelmed in Final Swim

Relay Team Secures Fourth Place

Technology was jolted into the background in the New England swimming meet at Harvard on Friday and Saturday when Harvard, with a strong relay team, outlasted Technology, 134-130. The meet was held in the ice-covered pool in each of the three varsity dormitories, Harvard, Brown and Technology. Technology did not have enough swimmers to compete with either Harvard or Brown and was left to fight for third place with Williams, Wesleyan, and Wesleyan University.

The second place team, Brown, outscored Williams, with 16 points, Wesleyan with 13, and Technology with one.

The meet was decided Friday with the relay swim against the strong Dartmouth team. Technology, then in second place, gave a mighty effort but lost out by a couple of points. Dartmouth's star performer, Walter Taylor, made a new pool record in doing it.

Davis and Brown came away with the individual events of the meet. Davis, with a second place in the fifty yard dash. Taylor gave a mighty effort in the butterfly and was declared champion. In the individual events, Brown's star performer, was and he made a new pool record in doing it. His time was 25.2.

Brown Wins by Relay

In the fifty yard dash Cohn and his teammates got a mighty good fight for the honors but Cohn was out in the end.

Cohn, with a time of 25 seconds, followed Davis's 24.8 with a second place.

Every race was bitterly fought, and in many of them the swimmers made a mighty effort to place themselves in the first class of swimmers.

Cross and Davis-50 Yard Doh-Both Davis and Cross were too much for Brown in the fifty yard dash. Cross, second, and Davis, first, were the winners.

Davis, with a second place in the fifty yard dash. Taylor gave a mighty effort in the butterfly and was declared champion.

When Dartmouth and Brown came away with the team events of the meet. Dartmouth, with a team of Davis, Cohn, and Cross, and Brown, with a team of Davis, Cross, and Taylor, were the winners.

Brown's star performer, Walter Taylor, made a new pool record in doing it.

Future期待s in the New England swimming meet were secured by the two New England champions, Davis and Taylor.

In the fifty yard dash, Davis, with a time of 25 seconds, followed Davis's 24.8 with a second place. Taylor gave a mighty effort in the butterfly and was declared champion.

In the individual events, Brown's star performer, Walter Taylor, made a new pool record in doing it. His time was 25.2.

The meet was decided Friday with the relay swim against the strong Dartmouth team. Technology, then in second place, gave a mighty effort but lost out by a couple of points.

In the butterfly, Taylor made a new pool record with a time of 25.2.

Will Navy

The first varsity was the first one to set the standards for the varsity meets. This was the varsity meet at the varsity pool in the Harvard dormitory. Will Navy was the second varsity team.

Cohn, with a second place in the fifty yard dash. Davis, first, and Cross, third, were the winners.

Jason and Davis-100 Yard Backstroke-Both Jason and Davis were in the running for the honors but Davis came away with the honors in the end.

Cohn, with a time of 94 seconds, followed Davis's 93.2 with a second place. Taylor gave a mighty effort in the butterfly and was declared champion.

In the individual events, Brown's star performer, Walter Taylor, made a new pool record in doing it. His time was 25.2.

The meet was decided Friday with the relay swim against the strong Dartmouth team. Technology, then in second place, gave a mighty effort but lost out by a couple of points.
WINTER TRACK TEAM HAD VARIETY OF EXPERIENCES

Dame Fortune Worked For and Against Engineers Durins, Winter Season

The Varsity Track Team, hands-down the greatest team in the country, has had a most varied experience during the winter season, setting new records in nearly every event. The team, led by Captain Ambach, has competed in the Indoor Meet, the Millrose Games, and the Northeastern Rifle League, as well as several other meets.

The Indoor Meet was held in early February, and the Engineers took first place with 199 points, far ahead of the second-place team, Harvard. Captain Ambach set a new school record in the 60-yard dash, and the relay team also set a new record.

The Millrose Games were held in late February, and the Engineers were the only team to set new records in the event. Captain Ambach won the 60-yard dash, setting a new school record, and the relay team also set a new record.

The Northeastern Rifle League was held in late March, and the Engineers were the only team to set new records in the event. Captain Ambach won the individual competition, setting a new school record, and the team also set a new record.

The Engineers have continued to dominate in the spring season, setting new records in nearly every event they have competed in. The team is expected to continue their dominance throughout the season.
